The Ultimate Vanishing Act Eric LaMont Gregory MSc Oxon,2016-01-17 Eric LaMont Gregory provides an eye-opening account of American foreign policy and how the decisions made today will influence the forces that propel America into the future. His international career began in the Middle East in the 1960s. Over the next 40-plus years, he was in Bosnia during the war; Rwanda before and after the genocide; Honduras after Hurricane Mitch; Guatemala, El Salvador, and Nicaragua during the Contra death squad era, and Afghanistan shortly after 9/11. He witnessed two famines in Ethiopia, conflicts in North, East, South and West Africa, as well as in the Middle East, and Central, South, and East Asia. Gregory is unswerving in his assessment of the way America carries out emergency humanitarian relief operations, stating that while the goodwill of the American people plays out on the world stage, all too often we are making enemies, not friends. The Ultimate Vanishing Act is an authoritative account of contemporary diplomacy and science. It is undeniably informative and a right riveting read. "Detailed, revealing, charming, funny, witty, compassionate, sensitive, adventurous, and seductive." – Naji, author of My Invisible Empire

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing

across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
