Autumn Light Pico Iyer,2019-04-16 Returning to his longtime home in Japan after his father-in-law's sudden death, Pico Iyer picks up the steadying patterns of his everyday rites: going to the post office and engaging in furious games of ping-pong every evening. But in a country whose calendar is marked with occasions honoring the dead, he comes to reflect on changelessness in ways that anyone can relate to: parents age, children scatter, and Iyer and his wife turn to whatever can sustain them as everything falls away. As the maple leaves begin to turn and the heat begins to soften, Iyer shows us a Japan we have seldom seen before, where the transparent and the mysterious are held in a delicate balance, and where autumn reminds us to take nothing for granted.

Annapolis Autumn Bruce Fleming,2011-05-10 What really goes on behind the wall that surrounds the United States Naval Academy in Annapolis? What are all those midshipmen, future officers in the U.S. Naval and Marine Corps and leaders of our society, thinking as they stand in neat ranks at the parades beloved by tourists? What are their professors actually educating them to do. In Annapolis Autumn, Bruce Fleming, professor of English for nearly two decades at the academy and a prizewinning author, captures the sights, sounds, colors, and conversations of this tradition-steeped institution. In other classes, the cadets learn how to assemble guns, control armored vehicles, man battleships, and kill other human beings. Nothing is ever less than outstanding, sir! In English class, however, Fleming introduces his students to nuance and subtext, to the gay poets of World War I, and to the idea that not every piece of literature is designed to be motivational. Sharing stories from his twenty years at the academy, Fleming explores questions about teaching, the labels liberal and conservative, and the ultimate purpose of higher education—issues made all the more gripping at a time when many of his students will graduate from the classroom to the battlefield.

Autumn Experience Autumn,2022-06-17 Autumn Experience: Spiritual Journey By: Autumn Autumn Experience: Spiritual Journey tells of Autumn's life experiences and understanding the will of exploring the world with an open mind and learning to accept the destined path ahead. Autumn's story shows the strength and resilience it takes to adapt and change to the world, that this power is within each of us as long as we take the time and energy need to reinvent and prioritize ourselves. Every person on the planet is divinely authentic, eccentric, and eclectic in who we are. Autumn's personal story is a breath of fresh air for those struggling to find their own predetermined path in life or struggling with their self-worth.

The End of Autumn Michael Oriard,2023-12-11 Much of Michael Oriard's education took place outside the schoolroom of his native Spokane, Washington, during slaughter practices on high school football fields. He was taught to punish and dominate, to rouse his school spirit with religion, and to tough it through injuries, even serious ones. At the age of eighteen he entered Notre Dame and walked onto the football team, where studying hard was never harder. By his senior year, playing for Ara Parseghian's Fighting Irish, he was the starting center and co-captain of the team. After graduating, he signed with the Kansas City Chiefs and head coach Hank Stram. There he learned what it meant to be owned. He rediscovered the game as it was played by grown men with families who were still treated like children and who dreaded nothing more than the end of their football careers. And without their fully realizing the consequences, every hard tackle inflicted its injury, some gradually growing into chronic conditions, some suddenly cutting a player's career short and ushering him off the field to be soon forgotten. In this thoughtful narrative, Oriard describes the dreams of glory, the game day anxieties, the brutal training camps and harsh practices, his starry-eyed experience at Notre Dame, and the cold-blooded business of professional football. Told from the inside, the book leaves aside the hype and the pathos of the game to present a direct and honest account of the personal rewards but also the costs players paid to make others rich and entertained. Originally published in 1982, The End of Autumn recounts the experiences of an ordinary player in a bygone era--before ESPN, before the Bowl Championship Series, before free agency and million-dollar salaries for NFL players. In a new afterword, Oriard reflects on the process of writing the book and how the game has changed in the thirty years since his retirement from football at the age of twenty-six.

Autumn's Dancing Leaves Ralph Hunter,1999-03-01 Eddie didn't favor anyone in his family. Fair, blonde, and green-eyed, he stood in sharp contrast to the other darker-complected, dark-haired, blue-eyed members. The difference created a rift in the family fabric and his mother singled him out for abuse, irrationally holding him responsible for the family's turmoil. Little Eddie struggled with the severity of his maltreatment but, by age eleven, could no longer handle the circumstances of his life. He decided his only escape would be to die, that by conscious will, he could simply resolve to give up life and cease to exist. Eddie's mind, alerted to his decision, and believing the ultimate goal for any entity was to continue, regardless of form or quality of life, was determined to survive. Panicked at the threat of cessation, his mind made a desperate decision -- it fractured his personality and created Randy from traits that had been repressed in Eddie. Randy, a tough, defiant individual, was created to bring new energy, new life, and stand in defense of the defeated, accepting Eddie. Rising to the challenge, he accepted the responsibility of his creation and was fiercely focused to protecting Eddie while endeavoring to create new circumstances for the life they shared. Randy was proud of his efforts to save Eddie. He knew he was Eddie's paladin, his champion, created for a noble purpose -- to bring Eddie back from the brink of oblivion. After many struggles, Randy's efforts appeared to be successful and the mind considered

the possibility of enjoying the existence he'd insured. It pondered the idea of Eddie being involved with the world, rather than merely persisting through the time allotted for the life. Aware of Eddie's inability to interact with the world around him, the mind again fractured the personality creating Jesse, a new facet, an aesthetic personality, focused to tender feelings of love and friendship -- and aspects which determine quality of life. Jesse felt he was created to experience emotions and appreciate beauty, to evolve the repressed side of the personality, to bring stability to the entity. He believed he was born to search for love, to find the emotional equilibrium that would bring the separate identities into harmony. Developed from suppressed characteristics, Jesse was creative and confident, loving and inquisitive, charming and fun loving. And he was on a quest -- determined to achieve his goal. Without Eddie's awareness of them, Randy and Jesse sought to balance their existence and hoped they were achieving what they saw as a normal life until Jesse experienced an incident which shattered that belief and forced them to realize they had not progressed as far as they thought. Jesse's realization that he had made a terrible mistake was devastating. Jumping to a conclusion, Randy, the controlling personality, in his determination to fend off any challenges to them, felt he must take over to handle the crisis in an effort to protect them...

When Autumn Comes Again Gidge,2015-10-10 Everyone doesn't get autumn, except in their imagination. Autumn is the calm before the rage, the beauty before the beast, the dream before the nightmare. Autumn is the multicolored blanket covering the ground, the smell of pumpkin, the laughter of children and the brisk air before the snow. At least I think that is autumn. It has been many years since I have lived in that time of year, it always seems that life is more beautiful before it goes away. This book is about that time. It is not necessarily about death but about life and loving and giving, until it is no longer there. Autumn is first love that can never return. Autumn is love during senior years that is last well beyond death do us part. Autumn is sometimes walking from hell into a cooler place. In southern California, some say there is no such thing as autumn, those same people say there is no Santa Claus, they both live in our hearts and minds.

Autumn Gospel Kathleen Fischer,Kathleen R. Fischer,1995 With her characteristic honesty, gentleness and insight, Kathleen Fischer explores the spiritual dimensions of women's middle and later years as she weaves together stories, experiences and research from a variety of traditions and cultures. She begins with a discussion of how societal images of older women constrict their sense of worth and their possibilities. The author then suggests ways in which older women can embrace new visions of themselves. She proceeds to explore the place of transitions, the inner life, contemplation, the body, mourning, remembering, caregiving and intergenerational connections as each relates to women's spirituality in later life. At each chapter's end, Dr. Fischer offers rituals, prayers and meditations that mark the passages of the second half of life.

Autumn Leaves Gs Subbu,2018-06-13 The common thread that connects all the stories in the book is the Fall or the Autumn. Autumn symbolizes a time of self-reflection. It is also the transition from light to darkness like twilight when day slowly melts away into the darkness but not before revealing the resplendency of the setting sun. It is also a period of accepting the reality of the present and moving towards and preparing oneself for the future: a period of contemplation and accepting impermanence. Like the seasons, we also change within ourselves whether it is coping with impermanence, overcoming the ghosts of the past, or learning to make our lives more meaningful. 'Autumn Leaves' narrates the reality of being left alone as one ages due to the splintering of families and the slow drifting away of relationships. The story traces one family's travel through four generations. 'Amora' is all about the failure to distinguish between love and infatuation before realizing that relationships are based on understanding and acceptance and that alone is permanent. 'Enigma', brings together two individuals who are diametrically opposite in nature but stay bonded till the end. The story is about friendship, love and that the meaning of our existence lies in how useful a life we have led.

Pope John XXII determines to end the divisions that plague the Franciscan Order. When the band of Spirituals appears before the Inquisition at the Friary of San Stigliano, the two friends meet again—on opposite sides of the divide. As the line between friend and enemy becomes obscured, Fabrizio learns the truth about Christian brotherhood in an autumn that changes his life forever.

An Autumn's Journey Craig D. Lounsborough,2017-11-15 WE LIVE IN A CULTURE THAT IS DESPERATE TO AVOID LOSS. We choose to fight it because we assume that it has come only to unfairly steal and inflict terrible pain. Loss is seen as the rogue enemy and heartless foe, rather than an opportunity for immense and improbable growth. It’s in loss that some of the richest and rarest of life’s lessons lay buried, eagerly waiting to be deeply mined and unearthed. In the deepest pain God does the deepest work. An Autumn’s Journey – Deep Growth in the Grief and Loss of Life’s Seasons does not loosely gloss over loss or provide shallow prescriptions and weak formulas for our grieving. Rather, it aggressively embraces both grief and loss, bringing fresh eyes to these times in our lives in order to draw out of them the marvelous riches that we all too often miss.
