Ryen has gone three months without a letter from Misha. Did he die? Get arrested? Knowing Misha like she does, neither would be a stretch. She needs to know someone is listening to her. But really, Ryen knows this is her own fault. She should've gotten his phone number, or picture, or something. As a mysterious vandal leaves messages in Ryen's school, she's possessed by the handsome new student who knows just how to hurt and heal her. But she can't stop thinking of Misha. He could be gone forever. Or right under her nose, and she wouldn't

*Freak Like Me* Malcolm McLean, 2019-10-03 In nineties small-town Surrey, watching Top of the Pops was Malcolm's only escape from boredom and the bullies at school ... until a phone call from a pop star changed his life forever. Before long, he was getting compliments from BeyonceA(c), hanging out at award ceremonies with Posh Spice's mum and sneaking onto All Saints' tour bus. *Freak Like Me* is the true story of one teenage pop fan who, with a group of like-minded outcasts, witnesses the disposable music industry of the late nineties and early noughties first-hand. Tracking down A-listers itineraries, he gets to meet the real personalities behind the Smash Hits posters adorning his bedroom walls. This hilarious memoir is packed with scandalous gossip and poignant memories from the era of Nokia 3310s and dial-up Internet, when chart positions meant everything and, if you wanted to know what your idols were up to off-screen, you had to track them down yourself!

**Sekret Machines Book 1: Chasing Shadows** Tom DeLonge, AJ Hartley, 2016-04-05 For those who know... that something is going on... The witnesses are legion, scattered across the world and dotted through history, people who looked up and saw something impossible lighting up the night sky. What those objects were, where they came from, and who—or what—might be inside them is the subject of fierce debate and equally fierce mockery, so that most who glimpsed them came to wish they hadn't. Most, but not everyone. Among those who know what they've seen, and—like the toll of a bell that can't be

unrung—are forever changed by it, are a pilot, an heiress, a journalist, and a prisoner of war. From the waning days of the 20th century's final great war to the fraught fields of Afghanistan to the otherworldly secrets hidden amid Nevada's dusty neverlands—the truth that is out there will propel each of them into a labyrinth of otherworldly technology and the competing aims of those who might seek to prevent—or harness—these beings of unfathomable power. Because, as it turns out, we are not the only ones who can invent and build...and destroy. Featuring actual events and other truths drawn from sources within the military and intelligence community, Tom DeLonge and A.J. Hartley offer a tale at once terrifying, fantastical, and perhaps all too real. Though it is, of course, a work of... fiction?

**The Air He Breathes** Brittainy Cherry, 2024 Elizabeth is still reeling from the death of her husband that took place a year prior. She and her young daughter, Emma, took a year to stay with Elizabeth's mother. When the time has come, Elizabeth and Emma choose to return to their hometown of Meadows Creek, Wisconsin. On the drive back into town, Elizabeth accidentally hits a dog, and the owner grumpily dashes into the street and demands Elizabeth takes him and the dog to the vet. Tristan is the owner of the dog. He's cold and distant, but Elizabeth connects to him in some odd way, even if they didn't have the best first meetings. It is later discovered that Tristan Cole is Elizabeth's new neighbor, and he is tagged as the town's grumpy jerk who is closed-off to everyone around him, outside of Mr. Henson, Tristan's odd

and quirky boss who owns the shop Needful Things. While Tristan tries his best to keep his distance from Elizabeth, their paths keep crossing in the small town. The townspeople warn Elizabeth to keep her distance from Tristan, as he's a bad seed, but she cannot help but feel drawn to his darkness. During one of their crossings, Tristan snaps at Elizabeth, telling her that he doesn't want to get to know her, or be her friend, even though she keeps insisting on that happening. He ends up kissing her, which throws them both for a loop, and after said kiss, he accidentally makes her fall down the hill they are standing on, making her get scrapped up and injured. During their next crossing, Tristan finds Elizabeth wandering drunk in the wooded area behind their homes, and he helps her to his house after realizing she's too wasted to be outside alone. They have a heart-to-heart and learn about one another's losses. It is after that connection that they come up with the bad idea to use one another to feel again. They began having a fling, using sex to feel connected to another, to make believe that their loved ones are still around, yet it goes sideways once Elizabeth's grief becomes too loud. It is at that point that Tristan decides that being friends with Elizabeth would be the right option instead of using sex to forget. While the two are building their friendship, and are falling more and more for one another, the best friend of Elizabeth's late husband, Tanner, makes it known that he has feelings for her. Elizabeth explains to Tanner that she cares for him, but not in that way. After Tanner takes the rejection, he is livid to find out

that she is seeing the town's jerk, Tristan. Tanner threatens Tristan, and tries to trigger him from time to time, to make him snap in front of Elizabeth. After none of Tanner's tricks works, he goes the extra mile by notifying Elizabeth that it was her late husband who was in the car accident with Tristan's late wife and his son, which led to their deaths. Elizabeth doesn't handle this news well but keeps it to herself because she knows it will destroy Tristan. That was when Tanner took the news and revealed it to Tristan, making Tristan harshly end things with Elizabeth. He leaves town and goes to see his parents, where he falls apart. It is then in those conversations that he learns the night of the accident, after Elizabeth loss her husband, she found Tristan's mom in the lobby of the hospital alone. Elizabeth comforted her, and then went and sat with Tristan's wife so she wouldn't be alone while Tristan's mom went to check on his son. The story concludes with Elizabeth learning that Tanner was the one who messed with her late husband's car, which in turn caused the accident. She learns how obsessed he had been with Elizabeth for years. Tanner caused the accident in order to get Elizabeth's husband out of the picture, so he could be the man in her life. Once Tristan connected those dots, he returned to town to protect Elizabeth and Emma from the craziness that was Tanner. After making sure everyone was safe, Tristan confesses his love for Elizabeth, who loves him fully back, and they begin to build a new life together, while still honoring their loved ones from the past. The Air He Breathes is a story of

hope, of compassion, and the true meaning of love--

**Never Enough** Joe McGinniss, 2012-12-25 At thirty-nine, Nancy Kissel had it all: glamour, wealth and the royal lifestyle of the expatriate wife. Not to mention three young children and what a friend described as the best marriage in the universe to Robert Kissel, a hugely successful investment banker. But that marriage ended abruptly one November night in 2003 in the bedroom of their luxury apartment high above Hong Kong's glittering Victoria Harbour.

Hong Kong prosecutors, who charged Nancy with murder, said she wanted to inherit Robert's millions and start a new life with her lover. She said she'd killed her husband in self-defence while fighting for her life against a brutal, cocaine-addicted husband. Her trial in 2005 captured attention worldwide, and less than a year after the verdict Rob's brother Andrew, a real estate tycoon facing prison for fraud and embezzlement was also found dead - tied up and stabbed in the basement of his multi-million dollar home by person or persons unknown. Never Enough is the harrowing true story of Robert and Andrew Kissel, who wanted to own the world but instead wound up murdered half a world apart; and of Nancy Kissel, a riddle wrapped inside an enigma, for whom having it all might not have been enough.
