Toil & Trouble Mairghread Scott, 2016-09-20 Something wicked this way comes. The three fates—Riata, Cait, and Smertae—have always been guiding and protecting Scotland unseen, indirectly controlling the line of kings according to the old religion. When there is a disagreement between the weird sisters, Riata and Smertae will use men as pawns, and Smertae will direct Macbeth to a crown he was never meant to have. This re-telling of Macbeth from the witches point of view is brought to life by Mairghread Scott (TRANSFORMERS: Windblade, LANTERN CITY), and illustrated by talented duo Kelly & Nichole Matthews. TOIL AND TROUBLE brings a new and inventive take on the tragedy we all know and love.

What personal price must Ezaara and her Dragon Master pay to save their people? A great fantasy read. Dean O'Gorman, actor, Fili the dwarf in *The Hobbit*

The Air He Breathes Brittainy Cherry, 2024 Elizabeth is still reeling from the death of her husband that took place a year prior. She and her young daughter, Emma, took a year to stay with Elizabeth's mother. When the time has come, Elizabeth and Emma choose to return to their hometown of Meadows Creek, Wisconsin. On the drive back into town, Elizabeth accidentally hits a dog, and the owner grumpily dashes into the street and demands Elizabeth takes him and the dog to the vet. Tristan is the owner of the dog. He's cold and distant, but Elizabeth connects to him in some odd way, even if they didn't have the best first meetings. It is later discovered that Tristan Cole is Elizabeth's new neighbor, and he is tagged as the town's grumpy jerk who is closed-off to everyone around him, outside of Mr. Henson, Tristan's odd and quirky boss who owns the shop *Needful Things*. While Tristan tries his best to keep his distance from Elizabeth, their paths keep crossing in the small town. The townspeople warn Elizabeth to keep her distance from Tristan, as he's a bad seed, but she cannot help but feel drawn to his darkness. During one of their crossings, Tristan snaps at Elizabeth, telling her that he doesn't want to get to know her, or be her friend, even though she keeps insisting on that happening. He ends up kissing her, which throws them both for a loop, and after said kiss, he accidentally makes her fall down the hill they are standing on, making her get scrapped up and injured. During their next crossing, Tristan finds Elizabeth wandering drunk in the wooded area behind their homes, and he helps her to his house after realizing she's too wasted to be outside alone. They have a heart-to-heart and learn about one another's losses. It is after that connection that they come up with the bad idea to use one another to feel again. They began having a fling, using sex to feel connected to another, to make believe that their loved ones are still around, yet it goes sideways once Elizabeth's grief becomes too loud. It is at that point that Tristan decides that being friends with Elizabeth would be the right option instead of using sex to forget. While the two are building their friendship, and are falling more and more for one another, the best friend of Elizabeth's late husband, Tanner, makes it known that he has feelings for her. Elizabeth explains to Tanner that she cares for him, but not in that way. After Tanner takes the rejection, he is livid to find out that she is seeing the town's jerk, Tristan. Tanner threatens Tristan, and tries to trigger him from time to time, to make him snap in front of Elizabeth. After none of Tanner's tricks works, he goes the extra mile by notifying Elizabeth that it was her late husband who was in the car accident with Tristan's late wife and his son, which led to their deaths. Elizabeth doesn't handle this news well but keeps it to herself because she knows it will destroy Tristan. That was when Tanner took the news and revealed it to Tristan, making Tristan harshly end things with Elizabeth. He leaves town and goes to see his parents, where he falls apart. It is then in those conversations that he learns the night of the accident, after Elizabeth lost her husband, she found Tristan's mom in the lobby of the hospital alone. Elizabeth comforted her, and then went and sat with Tristan's wife so she wouldn't be alone while Tristan's mom went to check on his son. The story concludes with Elizabeth learning that Tanner was the one who messed with her late husband's car, which in turn caused the accident. She learns how obsessed he had been with Elizabeth for years. Tanner caused the accident in order to get Elizabeth's husband out of the picture, so he could be the man in her life. Once Tristan connected those dots, he returned to town to protect Elizabeth and Emma from the craziness that was Tanner. After making

sure everyone was safe, Tristan confesses his love for Elizabeth, who loves him fully back, and they begin to build a new life together, while still honoring their loved ones from the past. *The Air He Breathes* is a story of hope, of compassion, and the true meaning of love--

Part of It Ariel Schrag, 2018-11-13 Ariel Schrag, a critically-acclaimed memoirist and screenwriter, takes us on a painfully funny tour of her formative years, from her childhood in Berkeley to her mid-twenties in Brooklyn, exploring what it means to connect to others when you don't yet know who you are--when you want to be "part of it" but the "it" changes daily. We meet hippie babysitters, mean girls, best friends, former friends, prom dates, girlfriends, sex ed students, and far too many LensCrafters sales associates. These frank, irreverent, and honest comics revel in the uncomfortable--occasionally cringe-inducing--moments from our early years that end up wiring us as people. *Part of It* further cements Ariel Schrag as "one of the best pure storytellers...in any medium" (Comics Journal).

We All Belong: a Children's Book about Diversity, Race and Empathy Alex Goss, Goss Castle, Nathalie Goss, 2020-07-30 We all live in the one world together. Let's see how we're different in some ways and the same in other ways. *We All Belong'* is a beautifully written and illustrated children's picture book that recognises and celebrates the diversity in a caring group of children. A wonderfully flowing, rhyming poem about respect... whatever our culture, whatever the colour of our skin. If you like 'All the ways to be smart', you will treasure this. A stunning poem about inclusion, with

excellent representation of different cultures. Much-needed in today's society. By recognising differences between cultures and races, and appreciating that everyone is beautiful, children can grow up with empathy - appreciating others around them. 'We all Belong' gives young readers a safe space to see themselves and others through a diverse group of characters. The book includes an activity at the end, to help children appreciate how we are all similar in some ways and different in other ways too. It's vital that kids see differences, rather than live in a colour-blind world. By creating a friendly familiar school environment, Nathalie and Alex's book gives kids access their own familiar world, and fills it with the love and kindness of a multicultural group of children. There's a closeness between the children, a proximity, that encourages empathy, not racism, to grow. Nathalie Goss is a black French Caribbean illustrator and author, with a bilingual, mixed race family, living in the UK. She shares her creativity, kindness and wisdom. There is an authenticity to this piece of poetry, written with and edited by Alex Goss. For UK and US kids: Relevant and written for both UK (British) and US (American) families and schools. Multicultural representation: Characters from Black, African, Caribbean, Asian, White, Biracial, Mixed Race and Indian heritage share feelings on how they are different and how they are the same. Age-appropriate: This kid's book will be adored by children of all ages, and grown ups too. Ideal way to gently introduce conversations about race with children of all ages, from preschoolers, toddlers through to grade 3 and primary school.
