The charges Assange faces are a major threat to press freedom. James Goodale, who represented the New York Times in the Pentagon Papers case, commented: The charge against Assange for conspiring with a source is the most dangerous I can think of with respect to the First Amendment in all my years representing media organizations. It is critical now to build support for Assange and

prevent his delivery into the hands of the Trump administration. That is the urgent purpose of this book. A wide range of distinguished contributors, many of them in original pieces, here set out the story of Julian Assange and WikiLeaks, the importance of their work, and the dangers for us all in the persecution they face.
