Apocalyptic Dusk Deep Naskar,2021-04-07 This book is a collection of dark poems written over a span of seven years. It talks about an apocalypse which is highly personal in nature. The doom which came suddenly, without any prior notice, and flooded everything. It was the dusk when the sun set and never rose again. The poems here are subjective, surreal and prone to individual perception, ranging from passionate poetic epiphanies to cryptic imageries and references. They offer a multi-layered meaning and expose themselves depending upon how much the readers wish to probe into.

Kumba Africa Sampson Ejike Odum,2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and

lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.

Dizygotic Twins - A fiction of facts Abhishek

Chatterjee,2020-08-05 The whole purpose behind writing this book and sharing my thoughts with the world is to make life better, help people become more reasonable in their approach, remove negative vibes and solve problems in human relations that spoil the joy of life. I have touched upon various aspects of life, like its creation and purpose, common conflicts and their reasons, how to make human life less complicated and I have put great deal of emphasis on parenting. In the first part, I have mentioned about how a good entity designed and created this universe and life, and what could have been the possible reason behind it. In the second

part the other side of my thought gets manifested, where it says this universe was conceptualized and brought about by a negative element, also explains the possible reason behind it. Hence the title, Dizygotic Twins, which is basically the medical term for non-identical twins. Both of them are my brain child. Definitely all these are largely my imaginations based on life events, and on both the versions, I have tried to give some solutions at my level, which also includes discussion about Anti-Natalism. That's why I called it a Fiction Of Facts! One might find a layer of rawness in my style of writing due to the fact I am a rookie when it comes writing. This is my maiden work in writing, so kindly pardon the lack of finesse which you may witness while reading. My mind and heart were brimming with these thoughts and concepts for decades, I couldn't hold them back, and hence I just poured them all out despite being a complete naïve in literature. Hope this book makes some sense to the reader. Many Thanks

The Wild Dead Carrie Vaughn, 2018-07-17 "The Wild Dead is a tightly plotted mind-thrill . . . This is the feminist dystopian mystery series you didn't know you needed." — Meg Elison, Philip K. Dick Award-winning author of The Road to Nowhere series Mysteries and murder abound in the sequel to the Philip K. Dick Award-winning Bannerless A century after environmental and

economic collapse, the people of the Coast Road have rebuilt their own sort of civilization, striving not to make the mistakes their ancestors did. They strictly ration and manage resources, including the ability to have children. Enid of Haven is an investigator, who with her new partner, Teeg, is called on to mediate a dispute over an old building in a far-flung settlement at the edge of Coast Road territory. The investigators' decision seems straightforward — and then the body of a young woman turns up in the nearby marshland. Almost more shocking than that, she's not from the Coast Road, but from one of the outsider camps belonging to the nomads and wild folk who live outside the Coast Road communities. Now one of them is dead, and Enid wants to find out who killed her, even as Teeg argues that the murder isn't their problem. In a dystopian future of isolated communities, can our moral sense survive the worst hard times? "An intriguing mystery made compelling by its post-apocalyptic setting . . . Another great read from Vaughn." — S. M. Stirling, New York Times best-selling author of *The Sky-Blue Wolves* and *Dies the Fire* A Mariner Original A John Joseph Adams Book

Spinning Silver Naomi Novik, 2018-07-10 NEW YORK TIMES BESTSELLER • "One of the year's strongest fantasy novels" (NPR),

an imaginative retelling of the Rumpelstiltskin fairy tale from the bestselling author of *Uprooted*. NEBULA AND HUGO AWARD FINALIST • NAMED ONE OF PASTE'S BEST FANTASY BOOKS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK PUBLIC LIBRARY AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Time • Tordotcom • Popsugar • Vox • Vulture • Paste • Bustle • Library Journal With the Nebula Award-winning *Uprooted*, Naomi Novik opened a brilliant new chapter in an already acclaimed career, delving into the magic of fairy tales to craft a love story that was both timeless and utterly of the now. Spinning Silver draws readers deeper into this glittering realm of fantasy, where the boundary between wonder and terror is thinner than a breath, and safety can be stolen as quickly as a kiss. Miryem is the daughter and granddaughter of moneylenders, but her father's inability to collect his debts has left his family on the edge of poverty—until Miryem takes matters into her own hands. Hardening her heart, the young woman sets out to claim what is owed and soon gains a reputation for being able to turn silver into gold. When an ill-advised boast draws the attention of the king of the Staryk—grim fey creatures who seem more ice than flesh—Miryem's fate, and that of two kingdoms, will be forever altered. She will face an impossible challenge and, along with two unlikely allies, uncover a secret that threatens to consume the lands of humans and Staryk alike. Praise for *Spinning Silver* "A perfect tale . . . A big and meaty novel, rich in both ideas and people, with the vastness of Tolkien and the empathy and joy in daily life of Le Guin."—The New York Times Book Review "Gorgeous, complex, and magical . . . This is the kind of book that one might wish to inhabit forever."—Publishers Weekly (starred review) "Cool and clever and . . . dire and wonderful."—Laini Taylor, author of *Strange the Dreamer* "The Rumpelstiltskin fairy tale has never been as captivating. . . . Spinning Silver further cements [Novik's] place as one of the genre greats."—Paste
