Highlights Learning

101 Things to Do with Baby Jan Ormerod,2012 101 Things to Do with a Baby shows the many ways in which a little girl deals with a new baby in the family from much-loved and award winning children's author Jan Ormerod. In Jan Ormerod's warm, sympathetic and reassuring picture book on family life, and of an older child's role in it, parents can find the perfect way to share the joys of a new arrival with their eldest child. The little girl in 101 Things discovers that even chores like washing and bathing turn into new games with her baby brother. But how delightful it is when he finally goes to sleep and she can have her parents to herself . . . An ideal children's book for families expecting a new addition.

Sesame Street My First 101 Animals Sky Pony Press,2020-04-14 Meow! Woof! Help these lovable characters teach your child all about animals in this new book from Sesame Street's My First 101 Things series! Children always love learning about animals, whether they're furry, scaly, or covered in feathers. With the help of Elmo, Big Bird, and other classic Sesame Street characters, you and your child will enjoy learning about 101 different animals, from the domesticated dog and cat to the more exotic rhino or panda bear, in My First 101 Animals! Throughout the book, Big Bird, Elmo, Bert, Ernie, and even more of your favorite Sesame Street characters pop up to ask fun and simple questions about these animals that will help get your child thinking about patterns and making connections to the world around them. Children are asked questions that test their knowledge of numbers, colors, and patterns, and their critical thinking. All the while, they just think they're looking at fun pictures of their favorite animals! Animals are always a subject that children love to read and learn about. This love of animals will have your child eager to open a book, boosted by the assistance of some of your child's favorite television characters. Filled with bright, full-color photographs, My First 101 Animals will have your child excited to learn all about the adorable (and scary) creatures that share our home.

The Contented Little Baby Book Of Weaning Gina Ford, 2012-04-24 Weaning your baby on to solid foods is one of the most important milestones during the early months of parenthood, and Gina's expert advice on weaning makes a baby's transition from milk to solid foods as straightforward as possible. Successful weaning establishes a pattern of healthy eating in babies, avoiding the pitfalls of fussy eaters restricted to a narrow diet. In this revised edition of *The Contented Little Baby Book of Weaning*, Gina includes the latest recommendations regarding breast-feeding and the introduction of solid food from the World Health Organisation and the UK Department of Health. She aims to take the worry out of weaning, guiding parents step-by-step through the process and shares the insight and expertise gained from personally helping to care for over 300 babies, and advising thousands more parents via her consultation service and website. Included in this revised edition: - The best time of day to introduce the first solid food - Which foods to introduce and at what age - Getting the balance of milk feeds and solids right - How to eliminate night feeds once solids are introduced - The importance of introducing finger foods at the right age - Extended parent-friendly feeding plans to take parents step-by-step through

the different stages - Newly developed rotating meal planners for older children up to the end of the first year - Brand new questions and answers giving the most up-to-date advice to parents. The Contented Little Baby Book of Weaning is the definitive guide to ensuring babies eat well now and as they grow up and is as relevant and helpful to those parents who have not previously followed Gina's routines.
