We Won't Back Down Jos? Angel Guti?rrez,2005-11-30 On December 9, 1969, change was in the air. The small town of Crystal City, Texas would never be the same. After weeks of petitioning for a hearing with the Crystal City school board, students of Crystal City High and their parents descended on the superintendent's office. The students had been threatened with suspension and even physical violence. Powerful members of the community had insisted they would fire the parents of students if they went in front of the school board, and still, they came. Finally, the school board removed the chairs in the gallery, and the parents and students stood until members of the school board fled to avoid the confrontation. As the students and their parents stood in front of the building, a cry rose from the crowd. Walk out. Walk out. So began the Crystal City High student walk out. At the center of the fervor was Severita Lara. Called la cabezuda, or stubborn girl, by her mother, Lara bore the mark of a leader from an early age. She was not afraid to stand up to anyone: girls or boys, teachers or superintendents. She always followed her father's advice, If you know it's right, do it. José Angel Gutiérrez, the famous civil rights leader, chronicle's Lara's ascent from a willful child to the mayor of Crystal City. From her father's doting support to her mother's steel-rod discipline, Gutiérrez offers a detailed portrait of the early family life of the woman whose continuing struggle against segregation and discrimination began while she was still a high school student in Crystal City. He also follows her attempts as a single mother to achieve her dream of being a doctor and providing for her sons. This is the story of la cabezuda, Severita Lara, who has made an indelible imprint on American history. JOSÉ ANGEL GUTIÉRREZ is the author of a memoir for young adults *The Making of a Civil Rights Leader: José Angel Gutiérrez* (Piñata Books, 2005); two works of social commentary, *A Chicano Manual on How to Handle Gringos* (Arte Público Press, 2003) and *A Gringo Manual on How to Handle Mexicans* (Arte Público Press, 1998); and a memoir for adults, *The Making of a Chicano Militant* (University of Wisconsin Press, 1998). He is the editor and translator of Reies López Tijerina's autobiography, *They Called Me King Tiger* (Arte Público Press, 2000). The founder and former director of the Center for Mexican American Studies at the University of Texas at Arlington, he is a professor of Political Science at the University of Texas at Arlington. He also practices law in Dallas, Texas, where he lives with his family.

An Actor's Work Konstantin Stanislavski,2008-02-07 Stanislavski's 'system' has dominated actor-training in the West since his writings were first translated into English in the 1920s and 30s. His systematic attempt to outline a psycho-physical technique for acting single-handedly revolutionized standards of acting in the theatre. Until now, readers and students have had to contend with inaccurate, misleading and difficult-to-read English-language versions. Some of the mistranslations have resulted in profound distortions in the way his system has been interpreted and taught. At last, Jean Benedetti has succeeded in translating Stanislavski's huge manual into a lively, fascinating and accurate text in English. He has remained faithful to the author's original intentions, putting the two books previously known as *An Actor Prepares* and *Building A Character* back together into one volume, and in a colloquial and readable style for today's actors. The result is a major contribution to the theatre, and a service to one of the great innovators of the twentieth century.

He barely has time to catch his breath when he becomes embroiled in a race of life or death for his little niece and a deadly hunt for the human traffickers who are destroying the peace of his mountain town. When he's reunited with Rusty Caldwell—a woman from his past he's never stopped thinking about—he wants to believe they can finally be together. The Trip Back Down John Bishop,1975 Bobby Horvath, stock car racer, had visions of being the greatest, but he has returned home knowing he isn't and never will be. Racing brought him excitement and glamour escape from the drudgery of a factory job. The play records his encounters with his father, the wife and daughter he deserted and also other friends and relatives. The action moves in and out of the past and the heart of the play is his struggle to come to terms with himself. But when past and present collide, the results are unexpected. The play is also about a blue-collar mid-American town with its deadening routine of life. Boredom and depression begins to enfold Bobby with its futility and sterility. He returns to racing, even if it means he will be a loser.--Publisher's description.

Won't Back Down Kim Mulkey,2008-10-20 Whether on a baseball field as the only girl on an all-boys team in Hammond, Louisiana, or on a basketball court where her play-making ability was compared to Louisiana legend Pistol Pete Maravich, Kim Mulkey was a young athlete so gifted she was named to Parade magazine's 1980 All-America High School Girls Basketball team. Mulkey went on to win two national championships at Louisiana Tech, as well as a gold medal with the 1984 U.S. Women's Olympic basketball team. She served as an assistant coach on Louisiana Tech's 1988 national championship, then turned around Baylor University's women's basketball program by coaching them to a national championship in a mere five years. In *Won't Back Down*, Mulkey reveals the many trials she has overcome, and how her children

and her coaching have sustained her in her most difficult moments.

Never Back Down Shyanne Shilson,2016-02-12 I was always a very intuitive kid, always picking up the little things. I knew, even at the age of five, that my dad didn't have a normal job. Normal jobs didn't involve guns and body guards. Normal jobs wouldn't have my dad threatening my kinder garden teacher to not speak my last name. Normal jobs wouldn't have the whole town shitting bricks at just the mention of my dad's name. Normal jobs wouldn't make my dad have to hide the fact that I even existed. No. My dad didn't have a normal job. But then again, my dad wasn't normal. My dad wasn't a normal father. He taught me about guns, how to use them and how to handle them, and about death, what happens and what it means, at the age of 3. He taught me how to pick locks and how to hide my emotions at the age of four. By age five, he was convinced that I would follow in his footsteps. I just wasn't sure that I wanted to...

Never Back Down Shankar Ghosh,2022-10-19 "Never Back Down" is not only the title of an intensely personal journal, it is a phrase that has defined Shankar's life for all of nearly seven decades. Trials and tribulations have challenged him at almost every turn, but that has not, in any way and ever, deflected him. The book charts out his journey from the chilly winter of his birth in a charity hospital in London, through a very troubled childhood, all the way to becoming one of the most respected cryogenic specialists in the country, literally working at temperatures that range from -271°C with liquid helium vessels to 1,700°C hanging above rivers of molten steel. In many ways, Shankar's life has mirrored the epic transformation that has been the story of India. The pangs of a country finding its feet in an unforgiving world, the willingness to sacrifice its today for a glorious tomorrow and most importantly, never lose sight of its destiny. That is India, and that is Shankar. This journal is as honest an attempt to capture his journey, as could be.
