Metamorpho the Element Man Bob Haney,Gardner Fox,2005

Dump the Grump David Lindemann,2010-10-01

Dr. Z Paul Zimmerman,2017-09-01 During his nearly 50 years of sportswriting, including 28 at Sports Illustrated, readers of Dr. Z came to expect a certain alchemical, trademark blend: words which were caustic and wry, at times self-deprecating or even puzzling, but always devilishly smart with arresting honesty. In 2008, Zimmerman had nearly completed work on his personal memoirs when a series of strokes left him largely unable to speak, read, or write. Compiled and edited by longtime SI colleague Peter King, these are the stories he still wants to see told. Dr. Z's memoir is a rich package of personalities, stories never shared about such characters as Vince Lombardi, Walter Payton, Lawrence Taylor, Joe Namath, Johnny Unitas, Donald Trump, Rupert Murdoch, and Hunter S. Thompson.

The mystery of Kiros Henry Gilroy,2010-01-01 Jedi: Obi-Wan Kenobi, Anakin Skywalker, Master Yoda, Master Mace Windu, and others, will be joined by a few new faces as they fight to maintain the true spirit of the Republic. Spotlight editions are printed on high-quality paper and with reinforced library bindings specifically printed for the library market. Grades 6-12.

Urville Gilles Tréhin,2006-02-15 Urville, the capital of a large island province, has a population of nearly 12 million, making it the one of the most significant cities in Europe. It is also entirely imaginary. Gilles Tréhin, an autistic man with exceptional creative talents and an obsession with large cities, conceived and developed Urville over the course of 20 years. He shares his vision in this beautifully illustrated guide to the city, which he renders convincingly real in nearly 300 drawings of different districts of Urville. He describes, in remarkable detail, the architectural styles of its individual buildings and provides historical, geographical, economic and cultural information. This includes historical figures and cultural anecdotes grounded in historical reality - Tréhin accounts for the effects of the Vichy regime, the Second World War and globalisation on his imagined city. This book offers fascinating evidence of and insight into the creative power of the autistic mind and will be of interest to people with autism and without.

E-Business Essentials Nick Bontis,2004-09-01 This special issue of QJEC marks the final instalment of the journal. The QJEC has had a long-standing history of international scholarship focused on the emerging field of electronic commerce with a broad, interdisciplinary approach. It has established the field's intellectual foundation with state-of-the-art research from business, computer science, engineering, law, psychology, and sociology. This particular issue focuses on an eclectic group of papers that are international in scope with authors from Canada, Australia, France, Germany, South Africa and Italy. The papers range in topics from valuing dot com companies, to mobile health and portals, to supply chain management.

Julian Wasser Brad Elterman,2014 This long-overdue monograph presents an astonishing panorama of a bygone Los Angeles from photographer Julian Wasser. Some of the images are very well known--Joan Didion leaning against a Corvette Stingray in Hollywood, 1968; Marcel Duchamp playing chess at his seminal 1963 Pasadena exhibition--while many others, such as Barbara

Hershey and David Carradine in bed in their Laurel Canyon house, Jack Nicholson and Angelica Huston at Jack's Mulholland Drive home, or the Fonda family lined up on the family sofa, paint a picture of a very private Hollywood of the 1960s and 70s, when privacy was possible and celebrity culture had not yet completely consumed the country. Mingled with these iconic faces are pictures of California counterculture such as the Hog Farm Commune in Sunland; surfers in Malibu Beach; musicians such as the Beatles, the Beach Boys, the Byrds, Frank Zappa, Crosby, Stills & Nash, Joni Mitchell and Elton John, documentation of events such as Robert Kennedy's campaign and the Watts riots; shots of Clint Eastwood on the set of Magnum Force, George and Marci Lucas with Martin Scorsese and Roman Polanski at Polanski's house on Cielo Drive after the murder of Sharon Tate in 1969. Julian Wasser started his career in photography as a copy boy in the Washington, DC bureau of the Associated Press. He was a contract photographer for Time magazine for many years, and his photographs have also appeared in (and on the covers of) Life, Newsweek, People, Vanity Fair, Paris Match, Der Spiegel, Oggi, Hello, Playboy, Elle, Vogue and GQ.

Victims In The News Steven Chermak,1995-05

Tuesday Morning Quarterback Gregg Easterbrook,2001 Based on the popular football commentary on the e-zine Slate, this is a collection of haikus, Zen poetry, historical allusions, and other conceits Easterbrook uses to creates fresh commentary on the philosophy of the game. 50 illustrations.
