The Baccarat Battle Book Frank Scoblete,1999 The most elegant game in the casino can also be one of the most deadly for unwary and unwise players. Baccarat and mini-baccarat have some of the lowest house edges of any casino games. Yet one is player-friendly and one is player-deadly. Find out which is which and why. For the first time ever, Frank shows players how to 'push the house' to reduce the casino's commission on the Bank bet from five percent to four percent. Frank shows how manipulating the pace of the game can bring more comps for less risk. He also explains and analyses many of the most famous betting systems and shows why they leave much to be desired. Then he shows how to utilise his special variations of these systems to reduce the player's exposure to the house edge.

**Definition of a Bad Girl** MiChaune,2017-08-29 Leshawn is the true definition of a bad girl, who goes from corporate to hood and back again with ease. While she lets others think that she's just one of a team, those who truly

know her understand that she run the streets all by herself. Let Lleshaun tell it, a big girl can be the whore, the pimp, and the broad that owns the sleazy hotel all at the same time. The issue is that others need to respect her gangster. When someone has the balls to burn her hotel to the ground and pick off her whores one by one, Lleshaun will have to fight this battle with every ounce of strength she has. She is the definition of a bad girl, and the next time you see her, it will be in the dictionary next to "get rich or die trying." Sometimes, the king of the streets isn't a king at all.
