Akron Family Recipes: History and Traditions from Sauerkraut Balls to Sweet Potato Pie Judy Orr James,2022-07 Compiling more than 100 family recipes, founder of the Akron Recipe Project Judy Orr James serves up a history of home cooking in the Rubber City. From the city's founding in 1825 through the years following World War II, numerous ethnic and cultural groups made Akron home. With each new arrival, the city's food changed and deepened to delicious effect. Polish immigrants brought pierogi to the area, and Jews introduced Old World favorites like kugel and hamantaschen. African Americans seeking a better life in the North enriched the Akron palate with the unique and southern-inspired dishes of their ancestors. Last but not least, there is the sauerkraut ball, Akron's official food and favorite snack served at local restaurants, cocktail parties, holiday celebrations, and game day gatherings.

The Viennese Ballroom in the Age of Beethoven Erica Buurman,2021-12-02 The repertoire of the early Viennese ballroom was highly influential in the broader histories of both social dance and music in nineteenth-century Europe. Yet music scholarship has traditionally paid little attention to ballroom dance music before the era of the Strauss dynasty, with the exception of a handful of dances by Haydn, Mozart and Beethoven. This book positions Viennese social dances in their specific performing contexts and investigates the wider repertoire of the Viennese ballroom in the decades around 1800, most of which stems from dozens of non-canonical composers. Close examination of this material yields new insights into the social contexts associated with familiar dance types, and reveals that the ballroom repertoire of this period connected with virtually every aspect of Viennese musical life, from opera and concert music to the emerging category of entertainment music that was later exemplified by the waltzes of Lanner and Strauss.
