Web Design Index 10 Press Pepin,Pepin van Roojen,2013-11-30 Trends in web design have been moving away from complex and technology-driven design and towards simpler aesthetics. Still, advances in technology, such as transparent images, better support for fonts and more flexible style sheets, have given designers more freedom in the use of images and typography. The 1000+ web sites featured in this ninth edition of the Web Design Index illustrate the latest trends in web design from around the world.

The Victorian Era in Twenty-First Century Children's and Adolescent Literature and Culture Sara K. Day,Sonya Sawyer Fritz,2018-01-19 Victorian literature for audiences of all ages provides a broad foundation upon which to explore complex and evolving ideas about young people. In turn, this collection argues, contemporary works for young people that draw on Victorian literature and culture ultimately reflect our own disruptions and upheavals, particularly as they relate to child and adolescent readers and our experiences of them. The essays therein suggest that we struggle now, as the Victorians did then, to assert a cohesive understanding of young readers, and that this lack of cohesion is a result of or a parallel to the disruptions taking place on a larger (even global) scale.

Wild Creations Hilton Carter,2021-04-06 Namechecked as the LeBron James of plant styling... by Good Morning America, Hilton Carter now shows how you can make, style, decorate and care for your own stunning plant-inspired interior with his 25 step-by-step DIY projects and plant hacks. Carter, the Instagram star of the plant world and creator of green interiors has given us glimpses into many stunning plant-filled homes where ivy and creeping figs hang miraculously from ceilings, moss and ferns grow effortlessly to create living walls, fiddle leaf ferns and cheese plants thrive, whilst air plants beautify artworks and succulents flourish whether in pots on windowsills or planted in terrariums... Now

in his third book, *Wild Creations*, Hilton actually shows you how you can create these amazing fixtures that enable plants to become such an integral part of an interior. Divided into four sections, *Wild Ideas*, *Wild Hacks*, *Wild Rants* and *Wild Plants*, *Wild Creations* shows you step by step how you can create air plant wreaths, moss walls, leather hanging plant stands, terrariums and many more stunning projects that will give you the green interior you crave. And just so your plants feel at home in your interior there is even a painting by numbers jungle mural, plus plant-scented candles to make sure your interior not only stays wild but that you and all its inhabitants thrive from the health giving benefits of greenery.

Draplin Design Co. Aaron James Draplin,2016-05-17 A funny, colorful, fascinating tour through the work and life of one of today's most influential graphic designers. Esquire. Ford Motors. Burton Snowboards. The Obama Administration. While all of these brands are vastly different, they share at least one thing in common: a teeny little bit of Aaron James Draplin. Draplin is one of the new school of influential graphic designers who combine the power of design, social media, entrepreneurship, and DIY aesthetic to create a successful business and way of life. *Pretty Much Everything* is a mid-career survey of work, case studies, inspiration, road stories, lists, maps, how-tos, and advice. It includes examples of his work—posters, record covers, logos—and presents the process behind his design with projects like *Field Notes* and the “Things We Love” State Posters. Draplin also offers valuable advice and hilarious commentary that illustrates how much more goes into design than just what appears on the page. With Draplin's humor and pointed observations on the contemporary design scene, *Pretty Much Everything* is the complete package.

Wild Interiors Hilton Carter,2020-04-14 We work with Hilton because he's both a plant stylist and an incredible plant-care wizard. Hilton doesn't just teach you how to get your plants to thrive – he teaches you how to bond with them. - Apartment Therapy Bestselling author Hilton Carter brings his unique eye and love of plants to show you how to create luscious interiors that not only look amazing but are good for your well-being, too. Hilton first guides you through his own plant journey, his inspirations, and his top ten favourite house plants. He then takes you on a Journey in Greenery where he showcases the homes of 12 inspiring plant parents that demonstrate the versatility of decorating with plants. From a tiny house in Venice, California and a light-filled loft in New York City, to a Berlin apartment decorated with vintage finds, and the Barcelona home of a ceramic artist, there

are ideas for all types of spaces and budgets. Hilton then sets you off on your very own plant journey, taking you room by room, profiling the plants that are most suited to each: those that thrive in the tropical humidity of bathrooms, the erratic heat changes of kitchens and plants that can live happily in the indirect light of an entryway or bedroom. Packed full of interior design advice such as using 'statement plants' like Fiddle-leaf figs to create a focal point, how to layer your greenery by using hanging baskets, and how to assemble the perfect plant shelf, Hilton shows you how bringing houseplants into your home creates instant impact. Be inspired to create your own Wild Interiors with Hilton's expert styling advice, plus his hints and tips on plant care that take the mystery out of looking after your green friends.
