By Honor Bound Nancy Shields Kollmann,2016-11-01 In the sixteenth and seventeenth centuries, Russians from all ranks of society were bound together by a culture of honor. Here one of the foremost scholars of early modern Russia explores the intricate and highly stylized codes that made up this culture. Nancy Shields Kollmann describes how these codes were manipulated to construct identity and enforce social norms—and also to defend against insults, to pursue vendettas, and to unsettle communities. She offers evidence for a new view of the relationship of state and society in the Russian empire, and her richly comparative approach enhances knowledge of statebuilding in premodern Europe. By presenting Muscovite state and society in the context of medieval and early modern Europe, she exposes similarities that blur long-standing distinctions between Russian and European history. Through the prism of honor, Kollmann examines the interaction of the Russian state and its people in regulating social relations and defining an individual's rank. She finds vital information in a collection of transcripts of legal suits brought by elites and peasants alike to avenge insult to honor. The cases make clear the conservative role honor played in society as well as the ability of men and women to employ this body of ideas to address their relations with one another and with the state. Kollmann demonstrates that the grand princes—and later the tsars—tolerated a surprising degree of local autonomy throughout their rapidly expanding realm. Her work marks a stark contrast with traditional Russian historiography, which exaggerates the power of the state and downplays the volition of society.

Twentieth-Century Higher Education Martin Trow,2010-06-28 Abstract:

Chasing a Mirage Tarek Fatah,2008-05-09 In *Chasing a Mirage*, Tarek Fatah Writes: Islamists argue that the period following the passing away of Muhammad was Islam's golden era and that we Muslims need to re-create that caliphate to emulate that political system in today's world. I wish to demonstrate that when Muslims buried the Prophet, they also buried with him many of the universal values of Islam that he had preached. The history of Islam can be described essentially as the history of an unending power struggle, where men have killed each other to claim the mantle of Muhammad. This strife is a painful story that started within hours of the Prophet closing his eyes forever, and needs to be told. I firmly believe the message of the Quran is strong enough to withstand the facts of history. It is my conviction that Muslims are mature and secure in their identities to face the truth. This is that story. Advance Praise for *Chasing a Mirage* Tarek Fatah has written a provocative and challenging book which is a must read for anyone who cares about these issues. —Janice Gross Stein *Chasing a Mirage* is an extremely valuable contributing to the fight by progressive Muslims against Islamist fascism. This book should be required reading for the Left in the West who have mistakenly started believing that Islamists represent some sort of anti-imperialism. —Farooq Tariq Fatah argues passionately for universalism instead of exclusivism, integration instead

of ghettoism, and makes a powerful appeal for the silent majority of Muslims to speak out before it is too late. This work of courage and daring needs to be read widely. – Pervez Hoodbhoy This fascinating work by brave and brilliant Tarek Fatah is simultaneously thought-provoking, instructive and enlightening for laymen and scholars, Muslims and non-Muslim...an invaluable and rare addition to the corpus of Islamic literature in the post-9/11 world, a bold step towards Islamic Reformation and Enlightenment. –Taj Hashmi Tarek Fatah's is a voice that needs to be heard. Canada needs a healthy, reasoned debate about the issues he is raising, and indeed so does the world. –Bob Rae This fascinating work by brave and brilliant Tarek Fatah is simultaneously thought-provoking, instructive and enlightening for laymen and scholars, Muslim and non-Muslim... an invaluable and rare addition to the corpus of Islamic literature in the post-9/11 world, a bold step towards Islamic Reformation and Enlightenment. –Taj Hashmi Tarek Fatah's is a voice that needs to be heard. Fall From India Place Samantha Young, 2014-06-03 The New York Times bestselling author of *On Dublin Street*, *Down London Road*, and *Before Jamaica Lane* returns with a story about letting go of the past and learning to trust in the future.... When Hannah Nichols last saw Marco D'Alessandro five long years ago, he broke her heart. The bad boy with a hidden sweet side was the only guy Hannah ever loved—and the only man she's ever been with. After one intense night of giving in to temptation, Marco took off, leaving Scotland and Hannah behind. Shattered by the consequences of their night together, Hannah has never truly moved on. Leaving Hannah was the biggest mistake of Marco's life—something he has deeply regretted for years. So when fate reunites them, he refuses to let her go without a fight. Determined to make her his, Marco pursues Hannah, reminding her of all the reasons they're meant to be together.... But just when Marco thinks they're committed to a future together, Hannah makes a discovery that unearths the secret pain she's been hiding from him—a secret that could tear them apart before they have a real chance to start over again....

Community Justice Todd R Clear, John R Hamilton, Jr., Eric Cadora, 2010-12-08 Community Justice discusses concepts of community within the context of justice policy and programs, and addresses the important relationship between the criminal justice system and the community in the USA. Taking a bold stance in the criminal justice debate, this book argues that crime management is more effective through the use of informal (as opposed to formal) social control. It demonstrates how an increasing number of criminal justice elements are beginning to understand that the development of partnerships within the community that enhance informal social control will lead to a stabilization and possibly a decline in crime, especially violent crime, and make communities more liveable. Borrowing from an eclectic toolbox of ideas and strategies - community organizing, environmental crime prevention, private-public partnerships, justice initiatives - Community Justice puts forward a new approach to establishing safe communities, and highlights the failure of the current American justice system in its lack of vision and misuse of resources. Providing detailed information about how community justice fits within each area of the criminal justice system, and including relevant case studies to exemplify this philosophy in action, this book is essential reading for undergraduate and postgraduate students of subjects such as criminology, law and sociology.

State V. Dawson American Mock Trial Association, 2016-04-11 On September 24, YR-2, Vanessa Sullivan, daughter of Nita's most prominent prosecutor, celebrated her twenty-first birthday with two friends, Taylor Hopson and Danny Dawson, at Chuggie's Sports Bar. After several hours of celebration at the bar, the three left in a car driven by Dawson. On the way home Dawson lost control of the car, resulting in a crash in which Sullivan was killed. A special prosecutor was appointed because of the conflict of interest in having the victim's parent's office prosecute the case. A grand jury has returned a multi-count indictment charging the defendant, Danny Dawson, with murder and driving under the influence. There are four witnesses for the prosecution, four for the defense, and

three that can be called by either party. Witnesses include an accident reconstruction expert and a medical expert. The exhibits include an audio recording of the voicemail left by Vanessa Sullivan immediately before the crash.

Global Report on Trafficking in Persons 2016 United Nations Office on Drugs and Crime,2017-01-11 The UNODC Global Report on Trafficking in Persons 2016 is the third of its kind mandated by the United Nations General Assembly. In July 2010, the UNGA adopted the Global Plan of Action to Combat Trafficking in Persons. The Report covers and provides an overview of patterns and flows of trafficking in persons at the global, regional and national levels, based on trafficking cases detected mainly between 2012 and 2014. It looks at links between trafficking in persons, migration and conflict, and how refugees may be particularly vulnerable to being trafficked. The worldwide response to trafficking in persons, particularly in terms of criminalization and prosecution of trafficking crimes, is also a focus of this edition of the Global Report. Also included are the Country Profiles.
