

# Barricade

Stephen Eric Bronner

The Insurgent Barricade Mark Traugott, 2010 A case study in how techniques of protest originate and evolve this book tells how the French perfected a repertoire of revolution over three centuries, and how students, exiles, and itinerant workers helped it spread across Europe.

**A History of the Barricade** Eric Hazan, 2016-02-16 How the French invented the barricade, and its symbolic impact on popular protests throughout history In the history of European revolutions, the barricade stands as a glorious emblem. Its symbolic importance arises principally from the barricades of Eric Hazan's native Paris, where they were instrumental in the revolts of the nineteenth century, helping to shape the political life of a continent. The barricade was always a makeshift construction (the word derives from *barrique* or *barrel*), and in working-class districts these ersatz fortifications could spread like wildfire. They doubled as a stage, from which insurgents could harangue soldiers and subvert their allegiance. Their symbolic power persisted into May 1968 and, more recently, the Occupy movements. Hazan traces the many stages in the barricade's evolution, from the Wars of Religion through to the Paris Commune, drawing on the work of thinkers throughout the periods examined to illustrate and bring to life the violent practicalities of revolutionary uprising.

*Two Sides of a Barricade* Christian Scholl, 2012-01-01 *Two Sides of a Barricade* argues that to construct global democracy, conflict and dissent must be taken seriously. Christian Scholl explores the political significance of the confrontations within four sites of interaction: bodies, space, communication, and law. Each site of struggle provides a different entry point to understand the influence of protester and police tactics on each other. At the same time, the four sites of struggle allow a comprehensive analysis of how the contestation of global hegemonic forces during summit protests trigger a preemptive shift in social control through increased deployment of biopolitical forms of power.

**At Some Disputed Barricade** Anne Perry, 2008-03-25 Anne Perry's gift for illuminating the heart's deepest secrets shines through in her bestselling series of World War I novels. With compelling immediacy, she depicts the struggles of men and women torn by their convictions and challenged by the perils of war. July 1917. Joseph Reavley, a chaplain, and his sister, Judith, an ambulance driver, are bone-weary as they approach the fourth year of the conflict; the peace of the English countryside seems a world away. On the Western Front, the Battle of Passchendaele has begun, and among the many fatalities from Joseph's regiment is the trusted commanding officer, who is replaced by a young major whose pompous incompetence virtually guarantees that many good soldiers will die needlessly. But soon he, too, is dead—killed by his own men. Although Joseph would like to turn a blind eye, he knows that he must not. Judith, however, anguished at the prospect of courts-martial and executions for the twelve men arrested for the crime, has no such inhibitions and, risking of her own life, helps all but one of the prisoners to escape. Back in England, Joseph and Judith's brother, Matthew, continues his desperate pursuit to unmask the sinister figure known as the Peacemaker—an obsessed genius who has committed murder and treason in an attempt to stop Britain from winning the war. As Matthew trails the Peacemaker, Joseph tracks his comrades through Switzerland and into enemy territory. His search will lead to a reckoning pitting courage and honor against the blind machinery of

military justice. At Some Disputed Barricade is an Anne Perry masterpiece—brilliant, surprising, and unforgettable.

**Taxonomy of the Barricade. Image Acts of Political Authority in Paris, May 1968. Ediz. Illustrata** Wolfgang Scheppe,2021

Barricade Paul Bourget,1980

**American Barricade** Danniel Schoonebeek,2014 Poetry. The debut of a fierce talent and vision.--Maggie Nelson With its limitless invention, emotional force, and profound social relevance, American Barricade is a groundbreaking first book and stands to influence the aesthetic disposition of its author's generation.--Boston Review Explosively and assiduously crafted.--C.D. Wright A bold, ambitious, unforgettable debut from one of our most exciting young poets.--Timothy Donnelly

**Breakaway Barricades** Jerry L. Hall,1975 This report details the design, construction and testing of a type III barricade constructed of three inch polyvinyl chloride conduit.

*A Barricade in Hell* Jaime Lee Moyer,2014-06-03 In Jaime Lee Moyer's A Barricade in Hell, Delia Martin has been gifted (or some would say cursed) with the ability to peer across to the other side. Since childhood, her constant companions have been ghosts. She used her powers and the help of those ghosts to defeat a twisted serial killer terrorizing her beloved San Francisco. Now it's 1917—the threshold of a modern age—and Delia lives a peaceful life with Police Captain Gabe Ryan. That peace shatters when a strange young girl starts haunting their lives and threatens Gabe. Delia tries to discover what this ghost wants as she becomes entangled in the mystery surrounding a charismatic evangelist who preaches pacifism and an end to war. But as young people begin to disappear, and audiences display a loyalty and fervor not attributable to simple persuasion, that message of peace reveals a hidden dark side. As Delia discovers the truth, she faces a choice—take a terrible risk to save her city, or chance losing everything? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Building the Barricade* Anna Świrszczyńska,2023-09-26 Building the Barricade, is a seminal collection of poetry of witness. Building the Barricade is a lyric account of the sixty-three day Warsaw uprising. Caught between German occupation and the advancing Soviets, the Polish Resistance Home Army barricaded central Warsaw in hopes of liberating the city and gaining Polish sovereignty. Świrszczyńska joined the Polish Resistance movement as a military nurse during the Uprising. This is her first-person account of the atrocities that destroyed over 60% of the Polish capital and left over 100,000 civilians and 16,000 Polish resistance fighters dead. Świrszczyńska wrote: Life in Warsaw during the Uprising was a nightmare. The city was deprived of water, electricity, gas, and food supplies. For the most part, the sewer system did not function; the hospitals had no medicines or clean water. Day and night German bombers raged over the capital, burying the living beneath the rubble.

*Barricade* Utpal Dutt,2022-08-05 A political play staging the Nazi takeover of Germany with an eye on India. Although Utpal Dutt is acknowledged as a trailblazer of post-Independence Indian theater, English readers have not had access to the range and wealth of his drama. Barricade is a political play that stages the Nazi takeover of Germany in 1933 with an eye on India. Today, the surge to power of far-right parties and fundamentalist fanaticism across

the world means that the co-option of democracy and civil society that led to Nazi fascism can happen again--or indeed has already happened--granting Barricade its immediate urgency. Equipped with an introduction analyzing its historical context, this translation of Barricade is also a very rare product in dramatic literature, collating both the printed original as well as a documented performance of the production directed by Dutt.

**Two Sides of a Barricade** Christian Scholl, 2013-12-28 Investigates how activists confront global powers with their street-level dissent.

**A Cost-Benefit Analysis of the Proposed Trade-Offs for the Overhaul of the Barricade** John Chu, 2014-08-05 Generation after generation, engineers have maintained the barricade, a shield that protects civilization against Turbulence, this strange force that destroys both minds and machines. As Turbulence grows ever more intense and the barricade begins to fail, can Ritter live up to the demands of his father, an engineer the equal of any hero in the Five Great Classical Novels, as they struggle to prevent this civilization from falling like every civilization has before it? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Year of the Barricades** David Caute, 1988

**Barricade** Amy Obermeyer, Adolf Alzuphar, Tuhin Bhattacharjee, Elizabeth Benninger, Ekin Erkan, Derin Ertas, Jessie Fredlund, Anastasia Garrel, Yana Makuwa, Anneke Rautenbach, Zach Rivers, Lauren Wolfe, Joseph Keady, 2021-09-06 Barricade: A Journal of Antifascism & Translation is a new print and open-access periodical dedicated to publishing translations of linguistically and temporally diverse works of antifascist and antiauthoritarian literature, including but not limited to short stories, poetry, theater, nonfiction, philosophical/theoretical writing, and excerpts of longer works. Barricade is a platform for the publication of writing against fascism and authoritarianism and other forms of domination and control. This is a special double issue representing Volume 3 and 4.

**Barricade** Jon Wallace, 2014-06-19 Kenstibec was genetically engineered to build a new world, but the apocalypse forced a career change. These days he drives a taxi instead. A fast-paced, droll and disturbing novel, BARRICADE is a savage road trip across the dystopian landscape of post-apocalypse Britain; narrated by the cold-blooded yet magnetic antihero, Kenstibec. Kenstibec is a member of the 'Ficial' race, a breed of merciless super-humans. Their war on humanity has left Britain a wasteland, where Ficials hide in barricaded cities, besieged by tribes of human survivors. Originally optimised for construction, Kenstibec earns his keep as a taxi driver, running any Ficial who will pay from one surrounded city to another. The trips are always eventful, but this will be his toughest yet. His fare is a narcissistic journalist who's touchy about her luggage. His human guide is constantly plotting to kill him. And that's just the start of his troubles. On his journey he encounters ten-foot killer rats, a mutant king with a TV fixation, a drug-crazed army, and even the creator of the Ficial race. He also finds time to uncover a terrible plot to destroy his species for good - and humanity too.

**Across the Barricades** Joan Lingard, 2016-09-27 Across the Barricades is part of Joan Lingard's ground-breaking Kevin and Sadie series, the sequel to The Twelfth Day of July. Both books are part of The Originals from Penguin - iconic, outspoken, first. Kevin and Sadie just want to be together, but it's

not that simple. Things are bad in Belfast. Soldiers walk the streets and the city is divided. No Catholic boy and Protestant girl can go out together - not without dangerous consequences . . . The Originals are the pioneers of fiction for young adults. From political awakening, war and unrequited love to addiction, teenage pregnancy and nuclear holocaust, The Originals confront big issues and articulate difficult truths. The collection includes: The Outsiders - S.E. Hinton, I Capture the Castle - Dodie Smith, Postcards from No Man's Land - Aidan Chambers, After the First Death - Robert Cormier, Dear Nobody - Berlie Doherty, The Endless Steppe - Esther Hautzig, Buddy - Nigel Hinton, Across the Barricades - Joan Lingard, The Twelfth Day of July - Joan Lingard, No Turning Back - Beverley Naidoo, Z for Zachariah - Richard C. O'Brien, The Wave - Morton Rhue, The Red Pony - John Steinbeck, The Pearl - John Steinbeck, Stone Cold - Robert Swindells.

Modernism at the Barricades Stephen Eric Bronner, 2012 Explores the history of the modernist movement--including expressionism, futurism, surrealism and revolutionary art--and reveals its legacy to the 21st century.

Beyond the Barricades Iris Tillman Hill, Alex Harris, 1989 The pictures convey more powerfully than words ever could the grief & yet the determination of [the oppressed people of South Africa].-Reverend Frank Chikane, General Secretary, South African Council of Churches

*Social Movements* Ron E. Roberts, Robert Marsh Kloss, 1979
