**Black Barty Aubrey Burl**,2006-01-19 Black Bart went to sea at a young age and took to pirate life well. After his ship was taken by pirates, and he was made to join their ranks, Roberts proved himself and was elected captain in 1719. Two years after Roberts was made captain he had accumulated over 51 million pounds worth of treasure and had taken close to 400 ships throughout the Americas, Africa and Europe. He was fearless in battle but good to his prisoners and fair to his crew. He drank a lot of tea instead of alcohol, was well-mannered and clean shaven, and discouraged drinking and gambling among his crew. He is believed to be the first pirate to fly the skull and crossbones. Despite his brief career, Roberts created a reputation that can never be surpassed. Along with his success and bloodthirstiness, he was said to have been an unusual character for this age, described as tall, good-looking, teetotal, and always well dressed. He possessed a ruthless skill in the piratical arts of intimidation and seamanship, and was highly regarded by his crew.

*The Lion Tracker's Guide To Life* Boyd Varty,2019-10-22 Somewhere deep inside, you know what your gift, purpose, and mission are. Boyd Varty, a lion tracker and life coach, reveals how the wisdom from the ancient art of tracking can teach you how to recognize these essential ingredients in a meaningful life. Know how to navigate, don't worry about the destination, and stay alert. These are just a few of the strategies that contribute to both successful lion tracking and a life of fulfillment. When we join Boyd Varty and his two friends tracking lions, we are immersed in the South African bush, and, although we learn some of the skills required for actual tracking, the takeaways are the strategies that can be applied to our everyday lives. Trackers learn how to use all of their senses to read the environment and enter into a state of "greater aliveness." When we learn to find and follow our inner

tracks, we learn to see what is deeply important to us. In the same way the trip in the classic *Zen and the Art of Motorcycle Maintenance* was a vehicle to examine how to live out our values, the story of this one-day adventure—with danger and suspense along the way—uses the ancient art of tracking to convey profound lessons on how to live a purposeful, meaningful life of greater harmony.

George Cole - The World Was My Lobster: The Autobiography George Cole,2013-10-17 The World was my Lobster tells the story of George Cole's more than 70 years in the acting profession that began with a walk-on part at the age of 14 in the stage musical *The White Horse Inn* in 1939, and continues today having included such roles as David Bliss in the radio and television versions of *A Life of Bliss*, Flash Harry in the St. Trinian's films, and Arthur Daley in television's *Minder*. Adopted when he was only 10 days old, George Cole grew up in south London in the 1920s. On the day he left school he saw a newspaper advertisement seeking a small boy to join the cast of *The White Horse Inn* and was selected the following day. A year later, he found himself in the West End play *Cottage to Let* playing a cheeky wartime evacuee. Here he met legendary comic actor Alastair Sim who, with his wife, took him as an evacuee in their country house and coached him in the finer skills of acting. A flurry of films and theatre performances in the late 1940s, after his RAF service, culminated in a memorable role as a young Ebenezer Scrooge in the classic 1951 film *Scrooge* alongside Sim. *Henry V*, *Cleopatra* (with Elizabeth Taylor), *Don't Forget to Write*, *Blott on the Landscape*, *Henry Root*, and *Dad* are among other titles for which he is well known. But it was in 1979 that he landed the role that would elevate him to international recognition when he was offered the role of Arthur Daley in Thames Television's new series *Minder* alongside Dennis Waterman. In *The World was my Lobster*, a title taken from a classic line in a *Minder* episode, George Cole talks candidly, humorously and sensitively about his adoption, his life, his roles and many of the people he has worked with throughout his long career.

**There's an Owl in the Shower** Jean Craighead George, 1997-03-14 Borden's father, Leon, was a logger in the old-growth forests of California. That is, until the spotted-owl lovers interfered. One day, frustrated by his father's unemployment, Borden sets out on a mission of revenge against the spotted owl but returns home with a half-starved owlet instead. The family soon discovers that the owlet, whom Borden names Bardy, loves to take showers and watch late-night TV. Only after the whole family has fallen in love with Bardy do they realize that the conflict between nature and human industry is not so easily resolved. Award-winning nature writer Jean Craighead George tells a heartwarming story about a family and their love affair with a special little owl.
