The 30 Day MBA in Business Finance Colin Barrow,2023-05-03 From business reports and capital structures to risk management and mergers, The 30 Day MBA in Business Finance offers comprehensive insights from the world's leading finance courses. Fill the gaps in your knowledge and develop your analytical and decision-making skills through this holistic guide to the finance sector, covering all of the modules you would find at a top business school. It also features an array of fascinating case studies from some of the world's most successful businesses, clarifying how these skills drive success. With its comprehensive insights and accessible guidance, The 30 Day MBA in Business Finance is essential reading whether you are a professional looking to accelerate your career or a student interested in expanding your knowledge. About the 30 Day MBA Series... MBAs are expensive, demanding and time-consuming. Covering marketing, finance and international business, this internationally bestselling series offers you the same world-class insights and guidance without the costly investment.

The 30 Day MBA Colin Barrow,2019-01-03 If you want to accelerate your career development and transform your skillset, but without the price tag and two-year commitment of the MBA, this is the book for you. The 30 Day MBA covers the 12 core disciplines of business: accounting, finance, marketing, organizational behaviour, business history, business law, economics, entrepreneurship, ethics and social responsibility, operations management, research and analysis and strategy. It provides the tools and techniques you need to seize business opportunities and implement strategies successfully. Complex concepts are explained in simple and practical terms, helping you to apply high level concepts to the real-life world of business. The 30 Day MBA also contains insightful case studies from leading organizations including IKEA, Cisco, Cobra Beer, Heinz, Shell, Hotel Chocolat and Chilango, to help keep you right up-to-the-minute with current trends and inspire you to explore new concepts. This book equips you with essential hard knowledge, but also helps you understand how business and current thinking is shifting in today's turbulent global markets, and broadens your mind with the knowledge and confidence to excel in a competitive career.

The 30 Day MBA in International Business Colin Barrow,2016-01-03 As business becomes increasingly reliant on succeeding in export markets, the need for specialist knowledge in international trade is at its highest. With

thorough explanations to describe the current international business environment as well as international case studies which include IKEA, Shell, Innocent Drinks, Ford, Match.com and Ryanair, The 30 Day MBA in International Business will boost your knowledge and help you play a more rounded role in shaping the direction of your organization. The 30 Day MBA in International Business covers all the essential elements of international trade and business, including international marketing strategy, managing international organizations and selecting global strategic partners as well as finance, accounting and human resource management. The 30 Day MBA in International Business is packed with links to free resources from the top business schools as well as an online list of sources to keep you informed on all the key business issues. Online supporting resources for this book include a bonus chapter on business communication, self-test question and answers and appendices.

The MBA Compass Bodo B. Schlegelmilch, George D. Iliev, 2023-12-12 Looking to pursue an MBA? The journey can be daunting, but fear not - this book is here to guide you every step of the way. With so many business schools and programs to choose from, it's important to know what you're looking for. That's where this book comes in. The authors help you understand the differences between full-time, modular, online, and executive MBAs, and provide expert advice on selecting the right program for your unique needs. But that's not all – the book also shows you how to make the most of your MBA experience, helping you to develop knowledge, skills, and personal growth. It explores the benefits of alumni associations and shows you how an MBA can be a game-changer for your career. And here's the best part - you don't need to spend a fortune on a Harvard or Stanford MBA to achieve your goals. The book introduces you to a range of high-quality MBA programs across the globe, from Europe to China, India to Latin America, that offer top-notch alternatives that won't break the bank. Whether you're a senior manager, entrepreneur, or fresh out of college, this book is the ultimate resource for anyone seeking to unlock their full potential with an MBA.

The 30 Day MBA in International Business Colin Barrow, 2023-05-03 From supply chain management to entrepreneurship and social responsibility, The 30 Day MBA in International Business provides a comprehensive insight into this fascinating sector. It is difficult to understand the complexities and nuances of international business without comprehensive and expert teachings on its many sectors. This book demystifies the complexities of this growing industry, as it draws upon the insights from the MBA courses from the top business schools. These teachings are supported by fascinating case studies from some of the world's leading organizations. With its comprehensive insights and accessible guidance, The 30 Day MBA in International Business is essential reading whether you are a professional looking to accelerate your career or a student interested in expanding your knowledge. About the 30 Day MBA Series... MBAs are expensive, demanding and time-consuming. Covering marketing, finance and international business, this internationally bestselling series offers you the same world-class insights and guidance without the costly investment.

Strategy Tools as Symbolic Objects in Managerial Language Games Dragan Djurić, 2015-04-22 Dragan Djurić looks at strategy tools from a process-ontological worldview as proposed by the Process Organization Studies discourse. Building on Wittgenstein's later philosophy he understands science and management as language games thereby developing a view of strategy tools as objects with both an ontological and a symbolic function. This perspective is contrasted with the traditional understanding of strategy tools as 'technologies of rationality' as well as with the practice-based view of strategy tools as 'boundary objects'.

Principles of Marketology, Volume 1 H. Aghazadeh, 2016-04-29 In *Principles of Marketology, Volume 1: Theory*, Aghazadeh explores the definition, origins and framework of a new methodology for helping organizations better understand their market and competition.

The Complete MBA Companion IMD International (Institute), Wharton School, 1997 The latest in management thinking from the world's leading business schools.

The Mobile MBA Jo Owen, 2011-09-21

The Imagination Machine Martin Reeves, Jack Fuller, 2021-06-08 A guide for mining the imagination to find powerful new ways to succeed. We need imagination now more than ever—to find new opportunities, rethink our

businesses, and discover paths to growth. Yet too many companies have lost their ability to imagine. What is this mysterious capacity? How does imagination work? And how can organizations keep it alive and harness it in a systematic way? The Imagination Machine answers these questions and more. Drawing on the experience and insights of CEOs across several industries, as well as lessons from neuroscience, computer science, psychology, and philosophy, Martin Reeves of Boston Consulting Group's Henderson Institute and Jack Fuller, an expert in neuroscience, provide a fascinating look into the mechanics of imagination and lay out a process for creating ideas and bringing them to life: The Seduction: How to open yourself up to surprises The Idea: How to generate new ideas The Collision: How to rethink your idea based on real-world feedback The Epidemic: How to spread an evolving idea to others The New Ordinary: How to turn your novel idea into an accepted reality The Encore: How to repeat the process—again and again. Imagination is one of the least understood but most crucial ingredients of success. It's what makes the difference between an incremental change and the kinds of pivots and paradigm shifts that are essential to transformation—especially during a crisis. The Imagination Machine is the guide you need to demystify and operationalize this powerful human capacity, to inject new life into your company, and to head into unknown territory with the right tools at your disposal.

Strategy Safari Henry Mintzberg, Bruce Ahlstrand, Joseph B. Lampel, 2020-07-10
Strategic Management of Health Care Organizations Linda E. Swayne, W. Jack Duncan, Peter M. Ginter, 2012-07-10 The 6th edition of this established text is streamlined to a more manageable format, with the Appendices moved to the web-site and a significant shortening of the main text. There is a greater focus on the global analysis of industry and competition; and analysis of the internal environment. In consultation with feedback from their adopters, the authors have concentrated on the fundamentals of strategy analysis and the underlying sources of profit. This reflects waning interest among senior executives in the pursuit of short-term shareholder value. As ever students are provided with the guidance they need to strategic planning, analysis of the health services environment (internal and external) and lessons on implementation; with additional discussion of organizational capability, deeper treatment of sustainability and corporate social responsibility and more coverage of the sources of organizational inertia and competency traps. This edition is rich in new examples from real-world health care organizations. Chapters are brought to life by the 'Introductory Incidents', 'Learning Objectives', 'Perspectives', 'Strategy Capsules', useful chapter summaries; and questions for class discussion. All cases and examples have been updated or replaced. In this edition the teaching materials and web supplements have been greatly enhanced, with power-point slides, to give lecturers a unique resource.

Own the Future Richard Lesser, Michael S. Deimler, David Rhodes, Janmejaya Sinha, 2013-04-16 The world faces social, political, and economic turmoil on an unprecedented scale—along with unsettling levels of turbulence and volatility. Market leadership today is less of a predictor of leadership tomorrow. Therefore, senior executives today must strive to own the future. In *Own the Future*, The Boston Consulting Group, one of the world's most prestigious and innovative management consulting firms, offers a roadmap. Drawing on the firm's experience advising organizations on how to achieve and

sustain competitive advantage, this book offers 50 ideas to help readers chart their organization's path to future leadership. The articles are organized along ten attributes critical to success in the current environment—adaptive, global, connected, sustainable, customer-first, fit to win, value-driven, trusted, bold, and inspiring. The future may be unknowable, but The Boston Consulting Group offers insights from its 50 years of practice on how readers can position their organization to win—to change the game and to own the future.
