The Beach Babes Judith Keim,2022-06-07 Old friends are the best... Catherine "Cate" Tibbs, Brooke Ridley, and Amber Anderson, friends since they were awkward thirteen-year-olds who named themselves "The Beach Babes," are about to face their 40th birthdays. Because they haven't been able to get together for some time, Cate arranges for them to rent a house along the Gulf Coast of Florida for a long weekend. She hopes it will give them the opportunity to celebrate and re-ignite their friendship. Cate, an author trying to finish a book, doesn't know that Amber, a model, and Brooke, the mother of a boy in college and younger twin girls, are as worried about their own futures as she. Together, the three women support one another as they each face a crisis in her life, proving once again the strength of women's friendships. Another of Judith Keim's series books celebrating love and families, strong women meeting challenges, and clean women's fiction with a touch of romance—beach reads for all ages with a touch of humor, satisfying twists, and happy endings. Beach Babe Billionaire Marika Ray, 2018-05-18 I may be worth billions, but I'm ready to get down and dirty with the local lifeguard. Sage I'm a free spirit trapped in an "old money" conservative family. Right before my thirtieth birthday, my father, sick of my bohemian lifestyle, gives me an ultimatum: tear down The Surf Shack in Huntington Beach and build a five-star restaurant. Or lose my trust fund AND his multi-billion dollar company. Jax As the owner of The Surf Shack, I've promised to keep my late father's shop running while juggling my full-time job as a beach lifeguard. Even if the hot little thing in a business suit tempts me with her conflicting personalities. Is she a business shark in a designer suit? Or a Mother Earth loving hippie who wants to get dirty with me? Ultimately, we have to decide what's worth fighting for: love or fortune. Beach Babe Billionaire is the fourth book in a series of small town romance novels with a splash of humor from a USA Today Bestselling author. If you like strong, sassy heroines, witty banter, and happily ever afters set at the beach, then you'll love Marika Ray's Beach Squad series.

Tamika's Reawakening Suzie McLean, 2016-02-18 Seven years ago, Tamika's life was shattered when Logan's parents divorced, and his mother dragged him off to Europe against his will. Now he's back?and even the thought of seeing him again can reduce her to a mindless panic. She knows she has to face her fears, and tell him about the child she miscarried right after he left?but not yet. Not today! She just isn't ready! Then, without warning, he appears at the carwash?and everything blows up in her face! ~~~~~ Excerpt ~~~~~ ?You won't see Logan today.? Tami whispered the words aloud to give herself courage. ?You won't! He won't be there?and even if he is, you'll be far away.? Nepal was looking pretty good, or the Siberian wastelands. The further away, the better! Firmly she tried to turn her wayward thoughts away from the agonizing past, and toward their new business's grand opening, which was only thirteen days away. Yes, it was safer to concentrate on that. In just thirteen short days, she and her sorority sisters would be opening the gates of their newly-remodeled carwash, and splashing each other with hoses and soapsuds while they pranced around in skintight bikinis, washing a long line of cars and vans. She'd already planned what to wear that first day?a satiny snow-white G-string that would showcase her generous curves and dusky skin to perfection. Her long, shiny hair would be pulled back in a graduated series of ponytail loops. She'd be wearing gem-sparkled sandals that would catch the bright sunlight and throw out fiery prisms every time she moved her feet. She'd have lots of fun dancing and waving her ?Grand Opening? sign along with Phoebe and Selena? What if Logan saw them, and stopped to have his car washed? In an instant, all her hard-won serenity vanished, and she was back in a deep, bottomless pit of despair. Enough! The past was gone! Over! Finished! And no matter how much she might wish to change things, there wasn't a single thing she could do to alter the tragic events that had nearly destroyed her. If Logan hadn't even cared enough to write her from Europe, or call her when he'd come back, then she owed him nothing. And nothing was exactly what he'd get if their paths ever did happen to cross again. No happiness, no anger, no emotion of any kind. She'd be calm, cool, collected?and if her nerves quivered with desperate longing when she watched him walk away again, no one but she would ever know. Yes, that was how she'd handle it. Like a confident, mature adult. But oh, God, please?not today!~

Bikini Babes' Carwash Suzie McLean, The BetaZed sorority sisters were gorgeous, stacked...and out of work. Then Phoebe hit on the absolutely insane idea of starting their own bikini babes' carwash. Little did they know how their lives were about to change as, one by one, they met the men of their sexiest dreams while they tried to solve the mystery of a 20-year old jewelry heist! ?Phoebe? Phoebe was confident that her carwash would be a success. But Riley Thompson was a clever businessman. And if the girls couldn't afford to lease his prime location, he knew other ways to make a tidy profit. Besides, he lusted after Phoebe, and longed to teach her that an experienced man could be an even better lover than a lusty football jock! ?Antonia? Toni had more worries on her plate than she cared to count. The battered old carwash they'd leased was in even worse shape than they'd thought. Phoebe had been alarmingly withdrawn for weeks. And why did their sexy new building inspector keep coming back to pester her? If only he wasn't so gorgeous! ?Muriel? The rugged day laborer who'd joined their small crew seemed disturbingly familiar. And even though Muriel ached to feel his hands gliding all over her body, something about him was making her keen senses hum with alarm. Who was he?and why was he lurking around their sorority house every night? ?Andrea? She'd adored Mac forever?but he barely even knew that she was alive. Or that's what Andi thought, anyway, until she was nearly killed in a freak swimming accident, and Mac had to use every bit of his unorthodox skill to keep her alive. Now that she knew differently?would he be the one to teach her the glorious delights of making love? ?Astra? Their exciting grand opening was only 2 weeks away, and Astra was working hard to remodel the damaged bay that would become her luxurious 'massage parlor.' She didn't need sexy Jared Montrose sniffing around, trying to cozy up to her, just so that she'd hire him! Or was a job the only thing he wanted? Just how far could she trust him...with their new business, or her vulnerable heart? ?Tamika? Seven years ago, Tamika's life was shattered when Logan's parents divorced, and his mother dragged him off to Europe against his will. Now he was back--and even the thought of seeing him again reduced her to a mindless panic. She knew she had to face her fears...but not yet. She wasn't just ready! Then, without warning, he appeared at the carwash--and everything blew up in her face! ?Selena? Jared's twin brother, Jory, was tall and devastatingly handsome?but everything about him made Selena want to run away screaming in panic! She'd known Riley's nephew, Brad, for years, but never thought of him as a possible lover. So why were her nerves suddenly humming with eager anticipation every time he touched her hand? And since she knew that he felt it, too?why wouldn't he make love to her? ?Elle? Jory had been a thorn in Elle's side ever since he'd arrived in town. He had no scruples about using his raw male beauty to charm...and exploit. If only he didn't make her pulse race with breathless excitement every time he turned those gorgeous brown eyes in her direction! But Jory was about to realize that he'd just met his match in sweet, soft-spoken Elle Sutherland! ?Nina? Nina and Muriel had been best friends forever! So why hadn't she ever really taken a serious look at Muriel's older brother, Asher, and realized how incredibly sexy he was? And now that she had finally noticed?and couldn't think about anything else?how could

she manage to cross the slippery line between friend and lover without destroying the deep bond they'd always shared? Epilogue Ben finally solves the mystery of the stolen money?and must learn to live with the tragic knowledge that one of his closest friends was not what he claimed to be.
