Alice Adams Carol Sklenicka,2019-12-03 The first full-scale biography of prolific writer Alice Adams, whose celebrated stories and bestselling novels traced women’s lives and illuminated “an era characterized both by drastic cultural changes and by the persistence of old expectations, conventions, and biases” (The New Yorker). “Nobody writes better about falling in love than Alice Adams,” a New York Times critic said of the prolific writer. Born in 1926, Alice Adams grew up in Chapel Hill, North Carolina, during the Great Depression and came of age during World War II. After college at Radcliffe and a year in Paris, she moved to San Francisco. Always a rebel in good-girl’s clothing, Adams used her education, sexual and emotional curiosity, and uncompromising artistic ambition to break the strictures that bound women in midcentury America. Divorced with a child to raise, she worked at secretarial jobs for two decades before she could earn a living as a writer. One of only four winners of the O. Henry Special Award for Continuing Achievement, Adams wove her life into her fiction and used her writing to understand the changing tides of the 20th century. Her work portrays vibrant characters both young and old who live on the edge of their emotions, absorbed by love affairs yet always determined to be independent and to fulfill their personal destinies. Carol Sklenicka interweaves Adams’s deeply felt, elegantly fierce life with a cascade of events—the civil rights and women’s rights movements, the sixties counterculture, and sexual freedom. Her biography’s revealing analyses of Adams’s stories and novels from *Careless Love* to *Superior Women* to *The Last Lovely City*, and her extensive interviews with Adams’s family and friends, among them Mary Gaitskill, Diane Johnson, Anne Lamott, and Alison Lurie, give us the definitive story of a writer often dubbed “America’s Colette.” *Alice Adams: Portrait of a Writer* captures not just a beloved woman’s life in full, but a crucial span of American history.

Sam Henry's Songs of the People Gale Huntington,Lani Herrmann,2010-06-01 The story of Ireland—its graces and shortcomings, triumphs and sorrows—is told by ballads, dirges, and humorous songs of its common people. Music is a direct and powerful expression of Irish folk culture and an aspect of Irish life beloved throughout the rest of the world. Incredibly, the largest single gathering of Irish folk songs had been almost inaccessible because, originally newspaper based, it was available in only three libraries, in Belfast, Dublin, and Washington D.C. Sam Henry's “Songs of the People” makes the music available to a wider audience than the collector ever imagined. Comprising nearly 690 selections, this thoroughly annotated and indexed collection is a treasure for anyone who performs, composes, studies, collects, or simply enjoys folk music. It is valuable as an outstanding record of Irish folk songs before World War II, demonstrating the historical ties between Irish and Southern folk culture and the tremendous Irish influence on American folk music. In addition to the songs themselves and their original commentary, Sam Henry's “Songs of the People” includes a glossary, bibliography, discography, index of titles and first lines, melodic index, index of the original sources of the songs and information about them, geographical index of sources, and three appendixes related to the original song series in the Northern Constitution.

The Kennedy Women Laurence Leamer,1996-09-29 A FRESH AND UNVARNISHED PORTRAIT OF A FASCINATING, TALENTED, AND DEEPLY FLAWED FAMILY. —Boston Herald Laurence Leamer was granted unheralded access to private Kennedy papers, and he interviewed family and old friends, many of whom had never been interviewed before, for this incredible portrait of the women in America’s royal family. From Bridget Murphy, the foremother who touched shore at East Boston in 1849, to the intelligent, independent Kennedy women of today, Laurence Leamer tells their unforgettable stories. Here are the private thoughts of Kathleen, the flirtatious debutante in prewar England . . . the truth behind Joe Kennedy’s insistence that his mildly retarded daughter, Rosemary, be lobotomized . . . the real story behind Joan and Ted’s whirlwind romance . . . Jackie’s desire for a divorce from JFK in the 1950s . . . Pat Lawford’s disastrous Hollywood marriage . . . how Caroline discovered her cousin David’s death by overdose, and more. Tough enough to withstand the unimaginable, these Kennedy women soldier on in the name of their extraordinary family and what they believe is right. MASTERFUL . . . AN ENDLESSLY FASCINATING READ . . . A wealth of beautifully rendered social detail, at times reading like a realist novel by Edith Wharton . . . [A] page-turner from start to finish. —The Dallas Morning News

New York Magazine ,1989-02-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
