Searching for Spring Christine Hoover,2018-03-06 The Bible says that God makes all things beautiful in their time, but when we look around today we see a broken and marred world. Our reality is so often the not beautiful that it's hard to trust that God can make our mess into something good. So how do we live with hope for a future redemption of all things? In *Searching for Spring*, Christine Hoover takes readers on a treasure hunt for beauty in both familiar and unexpected places. Framed by the changing seasons, this journey will heighten readers' senses and awaken their affections for the creator of it all. For all who are in the midst of suffering, who find their faith withering, who are questioning whether God is at work--or even present--as they wait for something in their lives to become beautiful, this book will be a welcome reminder that God never stops his redemptive work and that there is a time for everything under heaven.
