Spa Resorts Mandy Li,2014-09-15 Taking Spa as its centre, the architecture design and interior design of a spa resort aims at creating a relaxed, happy and healthy atmosphere for the guests. This book collects 40 spa resorts of Asia, Africa, Europe, America and Oceania, showing the unique design style of different spa resorts through detailed words and beautiful photos. These spa resorts included in this book are of different types and styles. There are tropical seaside resorts and scenic mountain resorts; modern luxury resorts and European classic resorts; spectacular large resorts and exquisite small resorts, all of which show the unique charm and design of spa resorts. With spa as its lightspot, each project is exhibited comprehensively and logically from its surroundings, landscapes, to the hotel architectures and interior designs. This book, which has great reference value, will bring inspiration to the relevant interior designers and architects.

California and Nevada on Wheels David Prebenna,On Wheels Staff,On Wheels,1995 This season Frommer's America on Wheels takes you across the country with complete coverage of 35 states, including reliable

ratings and reviews of more than 10,000 new lodgings and restaurants. The five new titles complete the nine-book series, which now covers virtually the entire country. As always, every hotel, motel, resort, lodge, and inn has been fully inspected and rated from one to five flags according to America on Wheels' benchmark rating system, with our special Ultra award reserved for the best of the best. Restaurants, too, have undergone the scrutiny of our tireless experts, who have highlighted local favorites, exceptional values, and those restaurants that are worth a splurge. Our hard-nosed, experienced travel professionals gain the trust of readers by providing them with the unvarnished truth about a property's weaknesses as well as its strong points: Shoe-horned into a tiny spot just a corner too far from the shops, but the curved driveway with fountains and flowers makes an appropriately posh entrance, Recent rehab has brightened the decor, but deep-pile wall-to-wall carpeting conjures up memories of early Howard Johnsons, All the usual...refinements, including Italian marble bathrooms; but even in a climate where temperatures climb over 100degrees F, many guests might prefer windows that can be opened.. More than just lists of data, our reviews give readers the know-how of travel professionals. New this season: -- Reliable ratings and reviews of more than 10,000 properties -- Expanded major city coverage, with lodgings and restaurants keyed to neighborhood maps -- 24 pages of 4-color maps -- \$500 in money-saving coupons -- Increasedattention to the needs of today's traveler, from dataports to low-fat menus In addition, coverage of each state includes: -- Hundreds of lodging and restaurant listings, featuring super-clear icons that make it easy for readers to find what they're looking for at a glance -- from golf courses to kid-friendly restaurants -- An in-depth introduction, including essential trip-planning information and background highlighted by fun facts about each state Graceland is the second most-visited house in America (only the White House has more visitors) Seattleites buy more sunglasses per capita than the people of any other city Portland is the only city in America with an extinct volcano within its city limits -- Mount Tabor -- Our Best of the State section, featuring highlights of what to see and do, information on events and festivals, and everything enthusiasts need to know about outdoor recreation and spectator sports -- Scenic driving tours ranging from afternoon outings to longer trips, with all tours keyed to maps. -- Hundreds of sights and attractions that are worth a detour, including historic sites and homes, national parks and monuments, natural wonders, museums, amusement parks, battlefields, and zoos America on Wheels is your indispensable trip-planning tool for every type of travel -- from romantic weekend escapes to family vacations and cross-country tours.
