These Beautiful People Twila Erb,2018-08-23 “Africa’s real beauty—her greatest treasure—is her people.” — Twila Stories are powerful. Stories tear down walls that keep us from each other. Stories set us free from the prisons we live in by suffering in silence. *** These Beautiful People is a collection of life stories and lessons from the author’s travels through East and Southern Africa. Raw and poignant, these inspiring stories explore the lives of individuals who overcame overwhelming challenges to find hope and purpose. From a prisoner of war turned foster mother to a cancer survivor raising support for medical equipment, each deeply personal story connects us to our shared humanity and to universal themes of redemption and identity. These Beautiful People takes an unflinching look at the cultural, social, and spiritual landscape of Africa through a lens of hope and the saving power of Jesus.

Joy in the Journey Sue Hatch,2019-11-13 When people heard of my plan to walk forty days on the Appalachian Trail they were interested. They were curious. They humored me. I had camped but never outside a campground, never carrying a backpack and never alone. What? Alone? No! Not alone! Had I not read the reports? Had I not heard the warnings? My response initially was that there are bears and boars and snakes and rabid things and bad mouse droppings and lunatics and treacherous trails. There are terrorists; I still fly. Surely I would bring a gun or a dog or a man? And, they secretly began to hope that I would not make the hike. Corrie Ten Boom wrote in her book Hiding Place that she read Psalm 91 daily while in a German concentration camp. My friend read Psalm 91 daily while her son served in Iraq. They did this because they believed in the ever-present Emmanuel God. I adopted Psalm 91 and told the worriers to pray for feathers. I carried a feather over my shoulder attached to my pack, for protection. “He will cover you with his feathers, and under his wings you will find refuge; his faithfulness will be your shield and rampart.” (Psalm 91:4a New International Version)

Television and the Self Kathleen M. Ryan,Deborah A. Macey,2013-04-05 Media scholars attempt to assess how the media informs and shapes the way we view our lives. This book explores the multiple influences of television in a media landscape that is becoming increasingly fractured.

Spectacular Television Helen Wheatley,2016-06-20 In terms of visual impact, television has often been regarded as inferior to cinema. It has been characterised as sound-led and consumed by a distracted audience. Today, it is tempting to see the rise of HD television as ushering in a new era of spectacular television. Yet since its earliest days, the medium has been epitomised by spectacle and offered its viewers diverse forms of visual pleasure. Looking at the early promotion of television and the launch of colour broadcasting, Spectacular Television traces a history of television as spectacular attraction, from its launch to the contemporary age of surround sound, digital effects and HD screens. In focusing on the spectacle of nature, landscape, and even our own bodies on television via explorations of popular television dramas, documentary series and factual entertainment, and ambitious natural history television, Helen Wheatley answers the questions: what is televisual pleasure, and how has television defined its own brand of spectacular aesthetics?
