Beauty Salon Mario Bellatin, 2021-10-19 Mario Bellatin's complex dreamscape, offered here in a brand-new translation, presents a timely allegorical portrait of the body and society in decay, victim to inscrutable pandemic. In a large, unnamed city, a strange, highly infectious disease begins to spread, afflicting its victims with an excruciating descent toward death, particularly unsparing in its assault of those on society's margins. Spurned by their loved ones and denied treatment by hospitals, the sick are left to die on the streets until a beauty salon owner, whose previous caretaking experience extended only to the exotic fish tanks scattered among his workstations, opens his doors as a refuge. In the ramshackle Morgue, victim to persecution and violence, he accompanies his male guests as they suffer through the lifeless anticipation of certain death, eventually leaving the wistful narrator in complete, ill-fated isolation.

Beauty Reinvented Nikol Johnson, 2018-11-07 Going gray in your thirties is not easy. It's not what society says is right or OK. I wanted to share my journey with women all over the world and let you know by example that it's OK to be your authentic self no matter what society says. It's time to break the beauty rules Ladies and embrace your authentic self. It's time that we stop making excuses, stop being insecure and buying into the advertisements, glossy magazines, and commercials that only show women with colored hair. You will be one strong, fierce, bold woman ready to welcome your gorgeous gray once you finish this book. Beauty at Home Aerin Lauder,2013-10-29 Style icon Aerin Lauder reveals what it means to live beautifully Extravagant and fun to be around, Estée Lauder, Aerin's grandmother, loved jewelry and chocolate-covered marshmallows. She adored flowers and rooms full of exuberant patterns. When Aerin was a child, weekend visits with Estée meant ice-cream-and-late-night-TV adventures and spending time together at her grandmother's dressing-room table with its intriguing lipsticks and creams. From an early age, Aerin understood that Estée's passion for family was equal to her love of beauty. Now, Aerin has made this legacy her own. For the first time, she shares memories of the family celebrations and world travel that formed her sense of style. Aerin opens the doors to her New York apartment, where on any given night she might host a relaxed dinner with friends under a vintage French chandelier or, just as often, an impromptu get-together for her sons. Aerin also reveals how she preserved Estée's heritage in her former Hamptons home while adding her own twists. The traditions Aerin has created in her own family--from pool parties with her sons to walks along the beach collecting sea glass to breezy summer lunches--blend elegance and fun in equal measure. Throughout this book, evocative photographs by Simon Upton show Aerin's world in inspiring detail and enhance Aerin's insights into surrounding oneself with beauty and family in every aspect of life.
