**The Bed and Breakfast Chronicles** David Dom-Estos,2010-05-18 This book has been based on the memories of happenings associated with the day to day running of our 2 Bed and Breakfast's. The first B&B,( 1) started 7 years ago and the second B&B,( 2) some 3 years later. The two run separately but are linked as the author and fiancée have a close partnership. We jointly have regular guests staying and as written some move between 1 & 2. Our experiences have us talking at great length to ascertain if any credibility can be reasoned to the antics of some guests. I have only found out since running the B&B that people are the strangest beings on the planet. They say animals and children are unpredictable but adults take the biscuit! I have lived and worked with loads of people with similar views, aims and values as myself but when a complete stranger(a new guest), comes to stay just wait and see another world unfold, 'their world'! It has been fascinating as we do not know what is going to happen tomorrow. I hope we can keep going for a few more years and try to note any out of the ordinary or memorable occurrences so I can pen them in The B&B Chronicles 2. You might have to wait a bit?
