The Night Ship Jess Kidd,2022-10-04 Based on a true story, an epic historical novel from the award-winning author of *Things in Jars* that illuminates the lives of two characters: a girl shipwrecked on an island off Western Australia and, three hundred years later, a boy finding a home with his grandfather on the very same island. 1629: A newly orphaned young girl named Mayken is bound for the Dutch East Indies on the *Batavia*, one of the greatest ships of the Dutch Golden Age. Curious and mischievous, Mayken spends the long journey going on misadventures above and below the deck, searching for a mythical monster. But the true monsters might be closer than she thinks. 1989: A lonely boy named Gil is sent to live off the coast of Western Australia among the seasonal fishing community where his late mother once resided. There, on the tiny reef-shrouded island, he discovers the story of an infamous shipwreck... With her trademark “thrilling, mysterious, twisted, but more than anything, beautifully written” (Graham Norton, *New York Times* bestselling author) storytelling, Jess Kidd weaves “a true work of magic” (V.E. Schwab, author of *The Invisible Life of Addie LaRue*) about friendship, sacrifice, brutality, and forgiveness.

The Magnolia Story (with Bonus Content) Chip Gaines,Joanna Gaines,2016-10-18 This eBook includes the full text of the book plus an exclusive additional chapter from Chip and Joanna that is not found in the hardcover. An exclusive look at America's first family of renovation! Taking you behind the scenes, Chip and Joanna Gaines share the story of how they met, the ups and downs of being an

entrepreneurial couple, and how they built a life they love. *The Magnolia Story* is the first book from dynamic husband-and-wife team Chip and Joanna Gaines, stars of HGTV's *Fixer Upper*. Offering their fans a detailed look at their life together, they share everything from the very first renovation project they ever tackled together to the project that nearly cost them everything; from the childhood memories that shaped them, to the twists and turns that led them to the life they share on the farm today. While they both attended Baylor University in Waco, their paths didn't cross until Chip checked his car into the local Firestone tire shop where Joanna worked behind the counter. Even back then Chip was a serial entrepreneur who, among other things, ran a lawn care company, sold fireworks, and flipped houses. Soon they were married and living in their first fixer upper. Four children and countless renovations later, Joanna garnered the attention of a television producer who noticed her work on a blog one day, leading to the incredible *Fixer Upper* phenomenon. In *The Magnolia Story*, fans will finally get to join the Gaines family behind the scenes and discover: The time Chip ran to the grocery store and forgot to take their new, sleeping baby Joanna's agonizing decision to close her dream business to focus on raising their children When Chip buys a houseboat, sight-unseen, and it turns out to be a leaky wreck Harrowing stories of the financial ups and downs as an entrepreneurial couple Memories and photos from Chip and Jo's wedding The significance of the word magnolia and why it permeates everything they do The way the couple pays the popularity of *Fixer Upper* forward, sharing the success with others, and bolstering the city of Waco along the way And yet there is still one lingering question for fans of the show: Is Chip really that funny? "Oh yeah," says Joanna. "He was, and still is, my first fixer upper."

The Religious Art of Pablo Picasso Jane Dillenberger, John Handley, 2014-04-17 This is the first critical examination of Pablo Picasso's use of religious imagery and the religious import of many of his works with secular subject matter. Though Picasso was an avowed atheist, his work employs spiritual themes—and, often, traditional religious iconography. In five engagingly written, accessible chapters, Jane Daggett Dillenberger and John Handley address Picasso's cryptic 1930 painting of the Crucifixion; the artist's early life in the Catholic church; elements of transcendence in *Guernica*; Picasso's later, fraught relationship with the church, which commissioned him in the 1950s to paint murals for the Temple of Peace chapel in France; and the centrality of religious themes and imagery in bullfighting, the subject of countless Picasso drawings and paintings.

The Things That Matter Nate Berkus, 2012-10-16 Does your home tell the story of who you are? In *The Things That Matter*, Nate Berkus shares intimate stories from his life, introduces us to people who influenced him and helped him forge his sense of style, and opens up about the remarkable experiences that have left him forever changed, all of which find expression in how he lives today. From his most cherished flea market finds, to his beloved books and photos, to the many extraordinary mementos he's collected in his travels, every piece defines who he's become and what endures in his world. Berkus invites readers into his own home as well as into twelve others, including a sleek steel-and-glass high-rise that soars above Chicago, a rustic cottage in the Hudson Valley, an ultra-chic atelier that maximizes every inch of space, a Greenwich Village townhouse that holds multiple art collections, and a study in meaningful minimalism in Marfa, Texas. The distinctive interiors beautifully displayed in this book offer revealing portraits of their owners' lives and the inspiring choices that have made them who they are today. *The Things That Matter* convincingly lays out Nate Berkus's philosophy

that things do matter. Our homes tell our stories, they reflect the places we've been and the people we've loved along the way—and there can be no more beautiful design for living than that. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE SEATTLE TIMES

Welcome to the Club Raquel D'Apice, 2016-09-20 From an Emmy Award-winning comedy writer: “An absolute must for every parent who needs to laugh so they don't cry.” —Bunmi Laditan, author of *Confessions of a Domestic Failure* From the comedian behind the popular parenting blog *The Ugly Volvo* comes a refreshing spin on the baby milestone book. Instead of a place to lovingly capture the first time baby sleeps through the night, this book commemorates baby's first poop explosion; first time baby says a word you didn't want her to say; and first time you forget the details of childbirth enough to consider having a second kid. Accompanied by distinctive illustrations, these one hundred rarely documented but all-too-realistic milestones provide comfort, solidarity, and comic relief for exhausted and terrified new parents.

Easy Home Organizer Vicki Payne, 2007 Are things at home out of hand? Is the thought of putting things in order just...overwhelming? With these simple, quickly implemented solutions, life can become less stressful--and the messy habits of a lifetime will disappear along with the chaos. The focus is on the little things that make a big difference--like not having to search for the car keys at the last minute--and the book is as organized as the house will be when you're through: it begins with advice on assessing the accumulated junk and eliminating the excess, and moves on to shopping for containers, applying clutter strategies, labeling jars and boxes, and creating a proper place for everything, room by room. Maldoror and Poems Lautreamont, 1978 Insolent and defiant, the Chants de Maldoror, by the self-styled Comte de Lautréamont (1846-70), depicts a sinister and sadistic world of unrestrained savagery and brutality. One of the earliest and most astonishing examples of surrealist writing, it follows the experiences of Maldoror, a master of disguises pursued by the police as the incarnation of evil, as he makes his way through a nightmarish realm of angels and gravediggers, hermaphrodites and prostitutes, lunatics and strange children. Delirious, erotic, blasphemous and grandiose by turns, this hallucinatory novel captured the imagination of artists and writers as diverse as Modigliani, Verlaine, André Gide and André Breton; it was hailed by the twentieth-century Surrealist movement as a formative and revelatory masterpiece.

End Time Delusions Steve Wohlberg, 2005-01-28 Will Christians vanish in a rapture? Will seven years of apocalyptic terror overtake those left behind? Will one future Mr. Diabolical—the antichrist—rise to control the world? Will he enter a rebuilt Jewish temple, claiming to be God? Will Earth's nations attack Israel at Armageddon? Best-selling books like *Left Behind* and popular apocalyptic movies predict such things. Are they correct? No area of Christianity has been subject to more misguided interpretation than end time prophecy. Millions of Christians sense we are nearing Jesus Christ's return. Yet when it comes to what the majority thinks will happen during Earth's last days, and what the Bible actually says will occur, the difference is seismic. With clarity and biblical accuracy, *End Time Delusions* exposes massive errors now flooding through media and in much of today's sensational prophecy writing. This book closely examines tightly meshed yet speculative theories about the rapture, seven-year tribulation, antichrist, and the modern Jewish state. This book is no novelty. Buttressed with solid teachings from many of Christianity's most illustrious scholars, it lets the Bible speak for itself about the past, present, and future.
