Welcome to the Club Raquel D'Apice, 2016-09-20 From an Emmy Award-winning comedy writer: "An absolute must for every parent who needs to laugh so they don't cry." —Bunmi Laditan, author of *Confessions of a Domestic Failure* From the comedian behind the popular parenting blog *The Ugly Volvo* comes a refreshing spin on the baby milestone book. Instead of a place to lovingly capture the first time baby sleeps through the night, this book commemorates baby's first poop explosion; first time baby says a word you didn't want her to say; and first time you forget the details of childbirth enough to consider having a second kid. Accompanied by distinctive illustrations, these one hundred rarely documented but all-too-realistic milestones

provide comfort, solidarity, and comic relief for exhausted and terrified new parents.

Intimations Zadie Smith, 2020-07-28 “[Smith’s] slim collection of essays captures this peculiar moment with startling clarity. . . . The personal and

political intermingle for a powerful indictment of America's social systems.” —TIME, The 100 Must-Read Books of 2020 “While quarantined amid the Covid-19 pandemic, Smith penned six dazzling, trenchant essays burrowing deep into our contemporary culture of disease and upheaval and reflecting on what was ‘once necessary’ that now ‘appears inessential . . .’” —O, The Oprah Magazine, Best Books of 2020 “Smith does more than illuminate what we're going through right now. She offers a model of how to think ourselves through a fraught historical moment without getting hysterical or sanctimonious, without losing our compassion or our appreciation for what's good in other people. She teaches us how to be better at being human.” —John Powers, *Fresh Air* A New York Times Bestseller Deeply personal and powerfully moving, a short and timely series of reflective essays by one of the most clear-sighted and essential writers of our time. Written during the early months of lockdown, *Intimations* explores ideas and questions prompted by an unprecedented situation. What does it mean to submit to a new reality--or to resist it? How do we compare relative sufferings? What is the relationship between time and work? In our isolation, what do other people mean to us? How do we think about them? What is the ratio of contempt to compassion in a crisis? When an unfamiliar world arrives, what does it reveal about the world that came before it? Suffused with a profound intimacy and tenderness in response to these extraordinary times, *Intimations* is a slim, suggestive volume with a wide scope, in which Zadie Smith clears a generous space for thought, open enough for each reader to reflect on what has happened--and what should come next. The author will donate her royalties from the sale of *Intimations* to charity.

In addition to bedrooms, children's spaces devoted specifically to work or play areas illustrate clever solutions to typical design problems. With stunning photography

by top interior photographers, such as Pieter Estersohn, Paul Costello, William Abranowicz, and Melanie Avecedo, Room for Children proves that children's rooms are a new frontier in design and is sure to appeal to designers as well as kids and their parents.
