**Hype** Gabrielle Bluestone,2021-04-06 Hype is the best kind of nonfiction: juicy, sharp, savage and wildly entertaining, with a celebrity behaving badly on every page. What more could you want?" -Cat Marnell, New York Times-bestselling author of How to Murder Your Life From former Vice journalist and executive producer of hit Netflix documentary Fyre comes an eye-opening look at the con artists, grifters and snake oil salesmen of the digital age—and why we can't stop falling for them. We live in an age where scams are the new normal. A charismatic entrepreneur sells thousands of tickets to a festival that never happened. Respected investors pour millions into a start-up centered around fake blood tests. Reviewers and celebrities flock to London's top-rated restaurant that's little more than a backyard shed. These unsettling stories of today's viral grifters have risen to fame and hit the front-page headlines, yet the curious conundrum remains: Why do these scams happen? Drawing from scientific research, marketing campaigns, and exclusive documents and interviews, former Vice reporter Gabrielle Bluestone delves into the irresistible hype that fuels our social media ecosystem, whether it's from the trusted influencers that peddled Fyre or the consumer reviews that sold Juicero. A cultural examination that is as revelatory as it is relevant, Hype pulls back the curtain on the manipulation game behind the never-ending scam season—and how we as consumers can stop getting played.

**The Other People** C. J. Tudor,2020-01-28 A gripping thriller about a man's quest for the daughter no one else believes is still alive, from the acclaimed author of The Chalk Man and The Hiding Place. An ID Book Club Selection • "C. J. Tudor is terrific. I can't wait to see what she does next."—Harlan Coben, #1 New York Times bestselling author Q: Why are you called the Other People? A: We are people just like you. People to whom terrible things have happened. We've found solace not in forgiveness or forgetting. But in helping each other find justice. Driving home one night, stuck behind a rusty old car, Gabe sees a little girl's face appear in its rear window. She mouths one word: Daddy. It's his five-year-old daughter, Izzy. He never sees her again. Three years later, Gabe spends his days and nights traveling up and down the highway, searching for the car that took his daughter, refusing to give up hope, even though most people believe she's dead. When the car that he saw escape with his little girl is found abandoned with a body inside, Gabe must confront not just the day Izzy disappeared but the painful events from his past now dredged to the surface. Q: What sort of justice? A: That depends on the individual. But our ethos is a punishment that fits the crime. Fran and her daughter, Alice, also put in a lot of miles on the road. Not searching. Running. Because Fran knows what really happened to Gabe's daughter. She knows who is responsible. And she knows what they will do if they ever catch up to her and Alice. Q: Can I request to have someone killed? A: If your Request is acceptable, and unless there are exceptional circumstances, we fulfill all Requests.

Bong Joon Ho Karen Han, 2022-11-22 Brilliantly illustrated and designed by the London-based film magazine *Little White Lies*, *Bong Joon Ho: Dissident Cinema* examines the career of the South Korean writer/director, who has been making critically acclaimed feature films for more than two decades. First breaking out into the international scene with festival-favorite *Barking Dogs Never Bite* (2000), Bong then set his sights on the story of a real-life serial killer in 2003's *Memories of Murder* and once again won strong international critical attention. But it was 2006's *The Host* that proved to be a huge breakout moment both for Bong and the Korean film industry. The monster movie, set in Seoul, premiered at Cannes and became an instant hit—South Korea's widest release ever, setting new box office records and selling remake rights in the US to Universal. Bong's next feature, *Mother* (2009) also premiered at Cannes, once again earning critical acclaim and appearing on many “best-of” lists for 2009/2010. Bong's first English-language film, *Snowpiercer* (2013)—set on a postapocalyptic train where class divisions erupt into class warfare—followed on its heels, bringing his work outside of the South Korean and film festival markets and onto the stage of global commercial cinema. With 2017's *Okja*, Bong became even more of an internationally known name, with the *New York Times*' A. O. Scott calling the film “a miracle of imagination and technique.” Bong's next film, the 2019 black comedy/thriller *Parasite*, simultaneously scaled back—the film is mostly set in just two locations, with two Korean families taking center stage—and took his career to new heights, winning the Palme d'Or with a unanimous vote, as well as history-making Academy Awards for Best Picture, Best Director, Best Original Screenplay, and Best International Feature Film. *Parasite*'s jarring shifts in tone—encompassing darkness, drama, slapstick, and black humor—and its critiques of late capitalism and American imperialism are in conversation with Bong's entire body of work, and this mid-career monograph will survey the entirety of that work, including his short films and music videos, to flesh out the stories behind the films with supporting analytical text and interviews with Bong's key collaborators. The book also explores Bong's rise in the cultural eye of the West, catching up readers with his career before his next masterpiece arrives.

**The Magnolia Story (with Bonus Content)** Chip Gaines, Joanna Gaines, 2016-10-18 This eBook includes the full text of the book plus an exclusive additional chapter from Chip and Joanna that is not found in the hardcover. An exclusive look at America's first family of renovation! Taking you behind the scenes, Chip and Joanna Gaines share the story of how they met, the ups and downs of being an entrepreneurial couple, and how they built a life they love. *The Magnolia Story* is the first book from dynamic husband-and-wife team Chip and Joanna Gaines, stars of HGTV's *Fixer Upper*. Offering their fans a detailed look at their life together, they share everything from the very first renovation project they ever tackled together to the project that nearly cost them everything; from the childhood memories that shaped them, to the twists and turns that led them to the life they share on the farm today. While they both attended Baylor University in Waco, their paths didn't cross until Chip checked his car into the local Firestone tire shop where Joanna worked behind the counter. Even back then Chip was a serial entrepreneur who, among other things, ran a lawn care company, sold fireworks, and flipped houses. Soon they were married and living in their first fixer upper. Four children and countless renovations later, Joanna garnered the attention of a television producer who noticed her work on a blog one day, leading to the incredible *Fixer Upper* phenomenon. In *The Magnolia Story*, fans will finally get to join the Gaines family behind the scenes and discover: The time Chip ran to the grocery store and forgot to take their new, sleeping baby Joanna's agonizing decision to close her dream business to focus on raising their children When Chip buys a houseboat, sight-unseen, and it turns out to be a leaky wreck Harrowing stories of the financial ups and downs as an entrepreneurial couple Memories and photos from Chip and Jo's wedding The significance of the word magnolia and why it permeates everything they do The way the couple pays the popularity of *Fixer Upper* forward, sharing the success with others, and bolstering the city of Waco along the way And yet there is still one lingering question for fans of the show: Is Chip really that funny? “Oh yeah,” says Joanna. “He was, and still is, my first fixer upper.”

**A Sliver of Darkness** C. J. Tudor, 2022-11-08 The debut short-story collection from the acclaimed author of *The Chalk Man*, hailed as “Britain's female Stephen King” (*Daily Mail*), featuring eleven bone-chilling and mind-bending tales “All hail the queen of scream. *A Sliver of Darkness* is C. J. Tudor at her spine-tingling, nightmare-inducing best. Read it if you dare.”—Chris Whitaker, *New York Times* bestselling author of *We Begin at the End* Time slips. Doomsday scenarios. Killer butterflies. C. J. Tudor's novels are widely acclaimed for their dark, twisty suspense plots, but with *A Sliver of Darkness*, she pulls us even further into her dizzying imagination. In “*The Lion at the Gate*,” a strange piece of graffiti leads to a terrifying encounter for four school friends. In “*Final Course*,” the world has descended into darkness, but a group of old friends make time for one last dinner party. In “*Runaway Blues*,” thwarted love, revenge, and something very nasty stowed in a hat box converge. In “*Gloria*,” a strange girl at a service station endears herself to a coldhearted killer, but can a leopard really change its spots? And in “*I'm Not Ted*,” a case of mistaken identity has unforeseen fatal consequences. Riveting, macabre, and explosively original, *A Sliver of Darkness* is C. J. Tudor at her most wicked and uninhibited.

**Minimalista** Shira Gill,2021-11-02 Elevate your personal style, trim your belongings, and transform your life, one room at a time, with this visionary lifestyle and home organization book from professional organizing expert, Shira Gill. “Warm, funny, and direct, Shira builds you up while helping you edit down to the best version of yourself.”—Stacy London, New York Times bestselling author of The Truth About Style As a professional home organizer with clients ranging from students to multi-millionaires, Shira Gill observed that clutter is a universal stress trigger. Over the years she created a signature decluttering and organization process that promotes sustainability, achieves lasting results, and can be applied to anyone, regardless of their space or lifestyle. Rather than imposing strict rules and limitations, Shira redefines minimalism as having the perfect amount of everything—for you—based on your personal values and the limitations of your space. Now, in Minimalista, Shira shares her complete toolkit for the first time, built around five key steps: Clarify, Edit, Organize, Elevate, and Maintain. Once you learn the methodology you'll dive into the hands-on work, choose-your-own-adventure style: knock out a room, or even a single drawer; style a bookshelf; donate a sweater. Shira teaches that the most important thing you can do is start, and that small victories, achieved one at a time, will snowball into massive transformation. Broken into small, bite-sized chunks, Minimalista makes it clear that if the process is fun and easy to follow, anyone can learn the principles of editing and organization.

**The Scandinavian Home** Niki Brantmark,2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader’s reach.
