Nick Bontis

E-Business Essentials Nick Bontis, 2004-09-01 This special issue of QJEC marks the final instalment of the journal. The QJEC has had a long-standing history of international scholarship focused on the emerging field of electronic commerce with a broad, interdisciplinary approach. It has established the field's intellectual foundation with state-of-the-art research from business, computer science, engineering, law, psychology, and sociology. This particular issue focuses on an eclectic group of papers that are international in scope with authors from Canada, Australia, France, Germany, South Africa and Italy. The papers range in topics from valuing dot com companies, to mobile health and portals, to supply chain management.
