Activism in the Name of God Jami L. Carlacio,2023-08-16 Contributions by Janet Allured, Lisa Pertillar Brevard, Jami L. Carlacio, Cheryl J. Fish, Angela Hornsby-Gutting, Jennifer McFarlane-Harris, Neely McLaughlin, Darcy Metcalfe, Phillip Luke Sinitiere, P. Jane Splawn, Laura L. Sullivan, and Hettie V. Williams *Activism in the Name of God: Religion and Black Feminist Public Intellectuals from the Nineteenth Century to the Present* recognizes and celebrates twelve Black feminists who have made an indelible mark not just on Black women’s intellectual history but on American intellectual history in general. The volume includes essays on Jarena Lee, Theresa Hoover, Pauli Murray, and Alexis Pauline Gumbs, to name a few. These women’s commitment to the social, political, and economic well-being of oppressed people in the United States shaped their work in the public sphere, which took the form of preaching, writing, singing, marching, presiding over religious institutions, teaching, assuming leadership roles in the civil

rights movement, and creating politically subversive print and digital art. This anthology offers readers exemplars with whose minds and spirits we can engage, from whose ideas we can learn, and upon whose social justice work we can build. The volume joins a burgeoning chorus of texts that calls attention to the creativity of Black women who galvanized their readers, listeners, and fellow activists to seek justice for the oppressed. Pushing back on centuries of institutionalized injustices that have relegated Black women to the sidelines, the work of these Black feminist public intellectuals reflects both Christian gospel ethics and non-Christian religious traditions that celebrate the wholeness of Black people.

A Kosher Christmas Joshua Eli Plaut, 2012-10-24 Christmas is not everybody's favorite holiday. Historically, Jews in America, whether participating in or refraining from recognizing Christmas, have devised a multitude of unique strategies to respond to the holiday season. Their response is a mixed one: do we participate, try to ignore the holiday entirely, or create our own traditions and make the season an enjoyable time? This book, the first on the subject of Jews and Christmas in the United States, portrays how Jews are shaping the public and private character of Christmas by transforming December into a joyous holiday season belonging to all Americans. Creative and innovative in approaching the holiday season, these responses range from

composing America's most beloved Christmas songs, transforming Hanukkah into the Jewish Christmas, creating a national Jewish tradition of patronizing Chinese restaurants and comedy shows on Christmas Eve, volunteering at shelters and soup kitchens on Christmas Day, dressing up as Santa Claus to spread good cheer, campaigning to institute Hanukkah postal stamps, and blending holiday traditions into an interfaith hybrid celebration called "Chrismukkah" or creating a secularized holiday such as Festivus. Through these venerated traditions and alternative Christmastime rituals, Jews publicly assert and proudly proclaim their Jewish and American identities to fashion a universally shared message of joy and hope for the holiday season.
