United States Naval Observatory. Nautical Almanac Office

Girl on the Run Jane Costello, 2011-04-14 From the Sunday Times bestselling author of *Bridesmaids* and *The Time of Our Lives*. Abby has been on health kicks before. They involve having one muffin for breakfast, instead of two. But since starting a business, her fitness has taken even more of a back seat than her long-neglected love life. Yet, when Abby meets the cute captain of the local running club, she is mysteriously compelled to exercise. The only downside is the discovery that handsome, motorbike-riding architect Tom, with whom she's already clashed - literally - is also a member. She's no runner. He's no pushover. Together, could they ever find their stride? The Sunday Times bestselling enemies to lovers, laugh-out-loud romcom - the perfect spring read.

Screen Media for Arab and European Children Naomi Sakr, Jeanette Steemers, 2019-10-04 This book addresses gaps in our understanding of processes that underpin the making and circulation of children's screen contents across the Arab region and Europe. Taking account of recent disruptive shifts in geopolitics that call for new thinking about how children's media policy and production should proceed after large-scale forced migration in both regions, the book asks to what extent children in Europe and the Arab World are engaging with the same content. Who is funding new content and who is making it, according to whose criteria? Whose voices are loudest when it comes to pressures for regulation of children's screen content, and what exactly do they want? The answers to these questions matter for anyone seeking insights into diverse cross-cultural collaborations and content innovations that are shaping new investment and production relationships.

Alien RPG Free League Publishing, 2019-12-10 Space is vast, dark, and not your friend. Gamma rays and neutrino bursts erupt from dying stars to cook you alive, black holes tear you apart, and the void itself boils your blood and seizes your brain. Try to scream and no one can hear you - hold your breath and you rupture your lungs. Space isn't as empty as you'd think, either - its frontiers are ever expanding. Rival governments wage a cold war of aggression while greedy corporations vie for valuable resources. Colonists reach for the stars and gamble with their lives - each new world tamed is either feast or famine. And there are things lurking in the shadows of every asteroid - things strange and different and deadly. Things alien. This is the official ALIEN tabletop roleplaying game - a universe of body horror and corporate brinkmanship, where synthetic people play god while space truckers and marines serve host to newborn ghoulish creatures. It's a harsh and unforgiving universe and you are nothing if not expendable. Stay alive if you can--Back cover.
