Sacrifice in the Bible Roger T. Beckwith,Martin J. Selman,2004-04-20 The study of the theme of sacrifice is seen by many as peripheral, not to say superfluous, to the theological task. The papers in this volume, however, given by members of the Biblical Theology study group of Tyndale Fellowship for Biblical and Theological Research, bear witness to the centrality of the idea and practice of sacrifice in biblical religion. Contributions cover the whole spectrum of the biblical treatment of the subject, as well as survey its contemporary cultural and religious contexts, whether Babylonian and Canaanite or Graeco-Roman and Jewish. The underlying goal of 'Sacrifice in the Bible' is to ascertain how far the developed idea of sacrifice, both as the pattern of human life and as the way of divine salvation in Christ, is implicit in the ceremonial practice from which it arose.

*The Word... the Truth... the Gospel...* Warren Hayden,2020-01-15 Many people are not familiar with the Dead Sea scrolls, which include copies or partial copies of most of the Old Testament books. These scrolls predate Christ by 100 -250 years, which is significant because it proves all messianic prophecies in these ancient Hebrew scrolls predate Christ. God's Old Testament contains many important messianic prophecies that Jesus taught were essential for His disciples to know and understand. In Luke 24:25 -27, Jesus said to two disciples, Foolish people, and slow of heart to believe in all that the prophets have spoken! Didn't the Christ have to suffer these things and to enter into his glory? Beginning from Moses and from all the prophets, He explained to them in all the Scriptures the things concerning himself. Jesus repeatedly warned His fellow Jews that they should search their Scriptures to understand what they revealed about Him. The author presents and discusses some important messianic prophecies that Jesus revealed to His disciples after His resurrection. A number of these prophecies can be used to prove the predictive accuracy of the Bible about Christ's birth, His ministry to reveal the New Covenant Gospel of God, the year of His death in 33 A.D., Jesus' harsh treatment and rejection by His fellow Jews, the destruction of Jerusalem and its temple, the scattering of the Jews after the death of God's Shepherd, and many more.

*Our Southern Zion* Erskine Clarke,2014-08-15 An exploration of the ways a particular religious tradition and a distinct social context have interacted over a 300-year period, including the unique story of the oldest and largest African American Calvinist community in America The South Carolina low country has long been regarded—not only in popular imagination and paperback novels but also by respected scholars—as a region dominated by what earlier historians called “a cavalier spirit” and by what later historians have simply described as “a wholehearted devotion to amusement and the neglect of religion and intellectual pursuits.” Such images of the low country have been powerful interpreters of the region because they have had some foundation in social and cultural realities. It is a thesis of this study, however, that there has been a strong Calvinist community in the Carolina low country since its establishment as a British colony and that this community (including in its membership both whites and after the 1740s significant numbers of African Americans) contradicts many of the images of the received version of the region. Rather than a devotion to amusement and a neglect of religion and intellectual interests, this community has been marked throughout most of its history by its disciplined religious life, its intellectual

pursuits, and its work ethic.
