What's in a name? A lot. For generations, they've indicated a lot about a person: their family history, personality traits, and qualities—and let's not forget about nicknames, both good and bad. But while a name may have special significance to the parents who choose it, when you stop and think about it, there's little else it can reveal about a baby, or the adult that child grows into. Try to accurately imagine what a kid named Frankie looks like...he could be a preschool boy who loves to paint or a teenage girl who is the star of her track team. This one-of-a-kind book compiles the best gender-neutral baby names for your child, along with fun "Top 5 Lists that Make Unique Baby Names" sprinkled throughout (including foods, mythological places, surnames, and more).
