War of the Spark: Forsaken (Magic: The Gathering) Greg Weisman, 2019-11-12 Return to the multiverse of Magic: The Gathering as the hunt for Liliana Vess is on in the aftermath of the War of the Spark. The Planeswalkers have defeated Nicol Bolas and saved the Multiverse—though at grave cost. The living have been left to pick up the pieces and mourn the dead. But one loss is almost too great to bear: Gideon Jura, champion of justice and shield of the Gatewatch, is gone. As his former comrades Jace and Chandra struggle to rebuild from this tragedy, their future, like the future of the Gatewatch, remains uncertain. As the Gatewatch's newest member, Kaya aims to help write that future. In joining, she pledged an oath to protect the living and the dead, but now that oath will be tested. The grieving guild masters of Ravnica have tasked her with a grave mission suited to her talents as a hunter and assassin—a mission she is ordered to keep secret from the Gatewatch. She must track down and exact retribution on the traitor Liliana Vess. But Liliana Vess has no interest in being found. Forsaken by her friends, she fled Ravnica after the defeat of Bolas. She was hostage to his wicked will, forced to assist in his terrible atrocities on pain of death—until Gideon, the last one who believed in her goodness, died in her place. Haunted by Gideon's final gift, and hunted by former allies, Liliana now returns to a place she'd thought she'd never see again, the only place she has left: home.

The Best of Friends Mariana Pasternak, 2011-04-12 For more than two decades, Mariana Pasternak and Martha Stewart were nearly inseparable. They first met over a garden gate in Westport, Connecticut—two suburban wives wedded to successful men but with grand aspirations of their own. Their friendship only deepened after their marriages ended in divorce. Drawn into a seductive world of privilege and adventure, Pasternak, who struggled as a working single mother, watched with admiration as Martha built an empire that would make her one of the richest women in America. The two women enjoyed amazing experiences, traveled the world together, and talked on a daily basis, sharing thoughts and feelings, plans and dreams. But as time passed, money, men, and the arrogance of wealth frayed the bonds of their friendship—until the final break came when Pasternak was called as a witness in the high-profile trial that ultimately brought about Stewart's conviction and prison sentence. *The Best of Friends: Martha and Me* tells the story of an extraordinary friendship and its devastating aftermath with breathtaking candor. Every woman who has had a best female friend will see herself in this deeply personal memoir.
