Redeeming Productivity Reagan Rose, 2022-10-04 Feeling overwhelmed and unproductive? The answer isn't to do more. What image forms in your mind when you think of productivity? An assembly line? Spreadsheets? Business suits or workplace uniforms? In the ancient world, productivity didn't conjure images like these. Instead, it referred to crop yield and fruit bearing. This agrarian imagery helps us understand productivity through a biblical lens. Jesus taught, By this my Father is glorified, that you bear much fruit (John 15:8). Who doesn't want to have a truly productive life—to bear much fruit? But how does this happen in the places we hold dear—the home, workplace, and in our communities? We often feel overworked and overrun, defeated and discouraged. The world says be productive so that you can get all you can out of this life. The Bible says be productive so you can gain more of the next life. In Redeeming Productivity, author Reagan Rose explores how God's glory is the purpose for which He planted us. And he shows how productivity must be firmly rooted in the gospel. Only through our connection to Christ—the True Vine—are we empowered to produce good fruit. This book shows how we can maintain the vitality of that connection through simple, life-giving disciplines. Readers will discover manageable applications like giving God the first fruits of our days. Additionally, Reagan discusses how our perspective on suffering is transformed as we see trials as God's pruning for greater productivity.

12 Rules for Life Jordan B. Peterson, 2018-01-23 #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. 12 Rules for Life shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.
