Peer Marisa

*Getting Into the Vortex* Esther Hicks, Jerry Hicks, Abraham (Spirit), 2010 Provides guided meditations to help you come into alignment with the energy of your Source, and thus become a joyful Being.

**Subliminal** Leonard Mlodinow, 2013-02-12 NATIONAL BESTSELLER • From the bestselling author of *The Drunkard's Walk*, a startling, eye-opening examination of how the unconscious mind shapes our experience of the world. "Mlodinow plunges into the realm of the unconscious mind accompanied by the latest scientific research ... [with] plenty of his trademark humor." —Los Angeles Times Over the past two decades of neurological research, it has become increasingly clear that the way we experience the world—our perception, behavior, memory, and social judgment—is largely driven by the mind's subliminal processes and not by the conscious ones, as we have long believed. In *Subliminal*, Leonard Mlodinow employs his signature concise, accessible explanations of the most obscure scientific subjects to unravel the complexities of the subliminal mind. In the process he shows the many ways it influences how we misperceive our relationships with family, friends, and business associates; how we misunderstand the reasons for our investment decisions; and how we misremember important events—along the way, changing our view of ourselves and the world around us.

**Lucky Bitch** Denise Thomas, 2018-03-20 Can you learn to be lucky? Self-made millionaire Denise Duffield-Thomas not only believes this is possible, she knows it's possible. From being broke, hating her office job and generally having a life that made her completely miserable, Denise went on to travel the world and make all of her dreams come true within the space of a few years. She attracted more than half a million dollars- worth of free travel, scholarships, prizes and bank errors in her favour, and in this book she reveals how you can do the same. Whether you're already lucky and want to attract even more into your life, or you feel like your luck is just about to run out, *Lucky Bitch* will show you how to take action in areas of your life that are lacking in magic. With her trademark humour and encouragement, Denise gives clear and effective instructions based on the principles of the Law of Attraction to get you closer to living your dream life. You'll also learn the 'Ten Lucky Bitch Commandments' and how to use them to create luck in all areas of life, including business and money. This book has already changed the lives of tens of thousands of women. Now it has the potential to change yours. If you've been asking for an answer or a miracle, this book is it!

**Self-Hypnosis and Subliminal Technology** Eldon Taylor, 2012-10-08 Everybody has some character trait he or she would like to change, and there are many techniques available to facilitate these changes. Unfortunately, many of them are either impractical or expensive—or both! Most people are somewhat familiar with hypnosis and subliminal technology but are reluctant to use them as serious self-help tools. In large part this is due to the fact that they've been mired in mystique, urban legend, and disinformation. The truth is that both self-hypnosis and subliminal communication are backed by extensive research that demonstrates their efficacy. More important, once learned, they can be customized for any situation and used almost anytime and anywhere. Join Eldon Taylor on your own self-improvement exploration using the tools in this book and on the accompanying audio download. Experience hypnosis and subliminal patterning for yourself!

**Subliminal Therapy** Edwin K Yager, 2011-10-17 Subliminal Therapy is a technique that utilizes hypnotic phenomena for therapeutic purpose without requiring a formal trance induction. The protocol is effective as a sole intervention or as an adjunct to other forms of treatment. In this volume, the reader is introduced to the concepts and applications of Subliminal Therapy and taught its protocol as well. This includes establishing identifiable communication with the unconscious domain, uncovering influences that are causing current problems, and resolving those influences. The logically applied protocol of Subliminal Therapy engages unconscious process to uncover the causes of presenting problems, whether manifesting physically, emotionally, intellectually or behaviorally, and then to resolve that influence through re-framing and re-conditioning. The causes of psychogenic problems are usually not consciously recognized; only the resultant symptom - the disability - is apparent. Subliminal Therapy provides a practical, efficient and logical way to identify the cause, as well as a practical, efficient and logical way to resolve its influence. Although Subliminal Therapy may be new concept for professionals, it has been evolving over the past thirty years into a most efficient protocol. The technique has proved especially effective in the treatment of anxiety and the effects of early abuse such as sexual dysfunction, unresolved anger and psychogenic medical problems.

**Experience Your Good Now!** Louise Hay, 2014-07-22 In this delightful book, Louise Hay discusses the power and importance of affirmations and shows you how to apply them right now! Louise explains that when you state an affirmation, you're really saying to your subconscious mind: I am taking responsibility. I am aware that there is something I can do to change. Within these pages, Louise discusses specific topics and concerns (health, fearful emotions, addictions, prosperity issues, love and intimacy, and more) and presents exercises that show you how to make beneficial changes to virtually every area of your life. On the accompanying audio download, Louise offers you helpful information about affirmations that you can also use to your benefit. She recommends that you listen to it at any time of the day or night—whenever you'd like positive thoughts and ideas to permeate your consciousness and fill you with hope and joy. It takes some time to go from a seed to a full-grown plant. And so it is with affirmations—it takes some time from the first declaration to the final demonstration. Be patient!

**Night Chills** Dean Koontz, 1986-09-15 #1 New York Times bestselling author Dean Koontz unleashes a contagion on a small Maine town—one that triggers the darkest desires of the soul. Designed by top scientists and unleashed in a monstrous conspiracy, night chills are seizing the men and women of Black River—driving them to acts of rape and murder. The nightmare is real. And death is the only cure...

**In the Mind's Eye** National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Committee on Techniques for the Enhancement of Human Performance, 1992-02-01 The archer stands and pulls back the bow, visualizing the path of the arrow to the target. Does this mental exercise enhance performance? Can we all use such techniques to improve performance in our daily lives? In the Mind's Eye addresses these and other intriguing questions. This volume considers basic issues of performance, exploring how techniques for quick learning affect long-term retention, whether an expert's behavior can serve as a model for beginners, if team performance is the sum of individual members' performances, and whether subliminal learning has a basis in science. The book also considers meditation and some other pain control techniques. Deceit and the ability to detect deception are explored in detail. In the area of self-assessment techniques for career development, the volume evaluates the widely used Myers-Briggs Type Indicator.

**Meditations & Affirmations** Dr. Joseph Murphy, 2019-10-22 You have the incredible potential to be, do, and receive whatever you desire, imagine, and truly believe. Unfortunately, only a small number of people achieve their full human potential, because they fail to recognize and harness the infinite power of the subconscious mind—the divinity within them and around them. Meditations & Affirmations will show you how to create your own new reality through desire, imagination, and belief.

**The Power of Your Subconscious Mind** Joseph Murphy, 2024-02-18 The Power of Your Subconscious Mind has been a bestseller since its first publication in 1963, selling many millions of copies since its original publication. It is one of the most brilliant and beloved spiritual self-help works of all time which can help you heal yourself, banish your fears, sleep better, enjoy better relationships and just feel happier. The techniques are simple and results come quickly. You can improve your relationships, your finances, your physical well-being. Dr. Joseph Murphy explains that life events are actually the result of the workings of your conscious and subconscious minds. He suggests practical techniques through which one can change one's destiny, principally by focusing and redirecting this miraculous energy. Years of research studying the world's major religions convinced him that some Great Power lay behind all spiritual life and that this power is within each of us. The Power of Your Subconscious Mind will open a world of success, happiness, prosperity, and peace for you.

**Subliminal Communication** Eldon Taylor, 1990

**Subliminal Seduction** Wilson Bryan Key, 1981-01 Explains the ways in which the media uses sex and violence to manipulate human behavior, citing specific examples from Playboy, Vogue, and Cosmopolitan magazines

**Subliminal Perception** Norman F. Dixon, 1971

**I Can Do It** Louise Hay, 2021-08-17 In this concise yet information-packed book—which you can listen to on the included audio download or read at your leisure—bestselling author LOUISE HAY shows you that you can do it—that is, change and improve virtually every aspect of your life—by understanding and using affirmations correctly. Louise explains that every thought you think and every word you speak is an affirmation. Even your self-talk, your internal dialogue, is a stream of affirmations. You're affirming and creating your life experiences with every word and thought. Your beliefs are merely habitual thinking patterns that you learned as a child, and many of them work very well for you. But other beliefs may be limiting your ability to create the very things you say you want. You need to pay attention to your thoughts so that you can begin to eliminate the ones creating experiences that you don't want. As Louise discusses topics such as health, forgiveness, prosperity, creativity, relationships, job success, and self-esteem, you'll see that affirmations are solutions that will replace whatever problem you might have in a particular area. By the end of this book, you'll be able to say I can do it with confidence, knowing that you're on your way to the wonderful, joy-filled life you deserve.

**The Miracle Morning (Updated and Expanded Edition)** Hal Elrod, 2024-01-09 Start waking up to your full potential every single day with the updated and expanded edition of the groundbreaking book that has sold more than two million copies. "So much more than a book. **Reality Transurfing** Vadim Zeland, 2011-09 Transurfing Reality was one of the top non-fiction bestsellers in the world in 2005 and 2006. Unknown till now in the West, the series has sold over 1,300,000 copies in Russia in three years. This translation (by Natasha Micharina) describes a new way of looking at reality, indeed of creating it. It provides a scientific explanation of the laws that help you do this, building up a scientific model, speaking in detail about particular rules to follow and giving important how-to tips, illustrated with examples. The author introduces a system of specific terms, notions, and metaphors, which together make a truly convincing, thought-provoking theory of creating your own life. "You are ruled by circumstances and it will always be like that until you learn how to manage your reality," says the author. Bringing together the cutting edge of modern science and philosophical teaching, the book's style is popular-scientific, metaphorical and conversational. Books in the series: Reality Transurfing 1: The Space of Variations; Reality Transurfing 2: A Rustle of Morning Stars; Reality Transurfing 3: Forward to the Past; Reality Transurfing 4: Ruling Reality; Reality Transurfing 5: Apples Fall to the Sky

**Subliminal Ad-ventures in Erotic Art** Wilson Bryan Key, 1992 Less likely a hoax, more likely an hallucination, but Key has amazing stories to tell in this revised edition of The clam-plate orgy (1980). Annotation copyright Book News, Inc. Portland, Or.

**Power Thoughts** Louise Hay, 2023-06-06 Choose positive affirmations and take the first step to creating a new and fulfilling life with the trusted guidance of Louise Hay. Every thought you think and every word you speak is an affirmation. An affirmation is like planting a seed. You're always in the process of tending to your garden, and if you do so with care, you'll find that each day becomes more joyous than the one before it. This newly repackaged edition of Power Thoughts includes 365 daily affirmations, with topics including health, prosperity, friendship, love, forgiveness, self-esteem and many more. 'By reading these affirmation – one a day, several at a time or just by opening the book at random – you're taking the first step toward building a more rewarding life...
