MOJO: The Mobile Journalism Handbook Ivo Burum, Stephen Quinn, 2015-07-16

MOJO: The Mobile Journalism Handbook is the first book devoted specifically to training citizens, journalism students and media professionals to produce professional-quality videos with only a mobile device. As journalism becomes increasingly competitive, students and emerging professionals need a broader skillset to make themselves more employable, whether as mainstream or entrepreneurial journalists. This book by Dr. Ivo Burum and Dr. Stephen Quinn, world experts in mobile journalism, provides comprehensive coverage of all the skills and practices needed to be a mobile journalist. Key features: Burum and Quinn underline the importance of story and storytelling, the crucial context journalists always need to keep in mind. Other books and tutorials merely offer step-by-step guidance to mobile technology and apps. The book synthesizes the knowledge and more than 70 years of combined expertise of two of the world's leading mobile journalism practitioners, offering sage advice and tips from people who have trained mojos in more than 20 countries. Companion Website: How-to videos on the companion website offer powerful ways for learners to absorb the content easily, walking them through the key mojo components of research, shooting, scripting, voice-over, editing and post-production. www.routledge.com/cw/burum

Ivo Burum is an award-winning writer, director and television executive producer. He has more than 30 years' experience working across genres including frontline international current affairs. A pioneer in UGS creation, Dr. Burum lectures in multimedia journalism. This is his second book about mojo. He runs Burum Media, a mojo and web TV consultancy that provides training for journalists, educators and remote communities internationally. Stephen Quinn was a journalist for 20 years before he became a university professor in 1996. Dr. Quinn taught journalism in five countries until he returned to journalism in 2011 in Hong Kong. His UK-based

company MOJO Media Insights trains mobile journalists around the world. This is his twenty-first print book. He has also produced 5 iBooks. He co-writes a weekly column syndicated to seven countries.

Pediatric Cardiology Walter H. Johnson,James H.

Moller,2014-02-03 Caring for children with heart disease is extremely complex, requiring a different and often tailor-made approach compared with adults with similar cardiac problems. Built on the success of previous editions and brought to you by a stellar author team, *Pediatric Cardiology: The Essential Pocket Guide* provides a unique, concise and extremely practical overview of heart disease in children. From history-taking, physical examination, ECG, and chest X-ray – the basics that enable clinicians to uncover possible problems and eliminate areas of false concern – it goes on to examine the range of more complex topics in the diagnosis and treatment/management of childhood cardiovascular disease. New to this edition you'll find: An enhanced section on imaging including recent advances in cardiac MRI and fetal echocardiography. New techniques in genetic testing for heart disease in special populations. Much more emphasis on the importance of echocardiography in understanding the pathophysiology of congenital cardiac malformations. Expanded section on cardiac conditions in the neonate, specifically on prenatal diagnosis and management, neonatal screening for congenital heart disease, and hypoplastic left heart syndrome. Expanded and updated congestive cardiac failure section,

including the latest in genetic and metabolic causes of heart failure, and medical/surgical treatment options; discussion of bridging therapies; essentials of transplantation, including common drug treatment regimens, clinical recognition of treatment complications and rejection, outcomes, morbidity and survival. In addition, every chapter is fully updated with the very latest clinical guidelines and management options from the AHA, ACC and ESC. *Pediatric Cardiology: The Essential Pocket Guide*, 3rd edition, is quite simply a must-have guide for all members of the multidisciplinary team managing children suffering from heart disease.

The Everything Guide to Remote Work Jill Duffy, 2022-02-08
Discover the secret to being productive and successful no matter where you are with this essential guide to remote work. During COVID-19, working from home became the new normal. Now, both employers and employees find that the remote work they were forced to adjust to may be, well, better—financially, sustainably, and even in terms of overall morale and productivity. But working from home is not without its challenges. It can be difficult to eliminate distractions, strike a solid work/life balance, and maintain social connections that are crucial in the workplace. Whether you're trying to find and land a job from the comfort of your home, learning to manage a virtual team, or dream of living a digital nomad lifestyle, *The Everything Guide to Remote Work* has everything you need to be successful. You'll learn to optimize your own workplace culture, whether it's in your home office or a constantly changing backdrop. So whether your company continues to work remotely full time or you only have to go to the office a few days a week, you'll be armed with all the tools you'll need to make the most out of this new lifestyle.

Master Music Licensing Michael Elsner, 2019-05-17
Want to get your music heard by millions of people world-wide, and make a great living in the process? The traditional music industry has

been in a rapid decline since the early 2000's, and these days, listeners expect your music to be free. So, as creative individuals, how can we share our gifts with the world, without struggling to pay the rent. The answer is through Sync Licensing. Successfully licensing your songs to TV Shows, Films and Commercials is a MUST if you want to survive in the Modern Music Industry. But there's a process that must be followed to not only get your songs placed. This book details the 4 Steps that will allow you to generate consistent placements of your music. It's not about 1 or 2 random placements here and there... it's about strategically getting 10, then 100, then 1000.

Backing Up Your Mac Joe Kissell,2016-06-24 The Definitive Guide to Mac Backups Your Mac contains valuable and sometimes

irreplaceable files—family photos and videos, business documents, your unfinished novel... not to mention personal data such as email, contacts, and calendars. Without great backups, all of that data could disappear in an instant. We don't like to think about theft, fire, and natural disasters, but these things happen. So do hard drive crashes and other malfunctions (not to mention user error). Your best insurance against losing data forever is a thorough, carefully designed backup plan. You don't have to spend a ton of money or be a technical whiz to back up your Mac. This book helps you design a sensible backup strategy, choose and configure the best backup hardware and software for your needs, and understand how to make your backups as painless as possible. Learn Joe's simple, three-prong strategy for bulletproof Mac backups. Decide whether Time Machine is right for you—and if so, learn how to use it for backing up and restoring data. Discover alternatives to Time Machine for storing multiple versions of your files. Find out why and how to create a bootable duplicate (or clone) of your Mac's startup volume. Choose the best hardware for backing up your data. Learn about offsite storage, including cloud backup services. Know exactly what you'll need to do if disaster strikes. Deal with special backup needs, such as large video files, backups while on the road, and backing up a small network.

Take Control of Scrivener 3 Kirk McElhearn, 2021-06-04

Create and organize writing projects with ease using Scrivener 3! Version 1.1.1, updated June 4, 2021 Compose a masterpiece with Literature & Latte's Scrivener. Whether you're writing science fiction, a historical novel, or a zombie travelogue, learn how Scrivener's powerful tools can take your work to the next level. Kirk McElhearn shows you how to collect notes, organize your work, arrange and rearrange sections, and more. Covers Mac, Windows, and iOS/iPadOS versions! Scrivener is a powerful tool for managing long-form writing projects—like novels and

screenplays—and Take Control of Scrivener 3 gives you all the details you need to know to harness its potential. In this book, best-selling author Kirk McElhearn walks you through setting up, organizing, writing, formatting, revising, and compiling a Scrivener project, whether you're working on a Mac, a Windows PC, or in iOS/iPadOS. Using this extensive guide, you'll be able to:

- Meet Scrivener: Learn about the Scrivener philosophy and its basic layout
- Start your project: Pick a template and add existing materials to your project
- Brainstorm and organize: Discover three different ways to work with your material using the Binder, Corkboard, and Outliner.
- Set up your writing environment and avoid distractions: Choose default fonts and colors, opt for Script Mode if you're writing a script or screenplay, and simplify your workspace by hiding interface elements or by using Composition Mode or Full Screen Mode.
- Make the most of key features: Learn how to work with styles; use annotations and comments; add footnotes and endnotes; view more than one file at once; use collections to view selected items from the Binder; store bookmarks and project notes; and share and synchronize your project with others.
- Go further with Scrivener: Get the details on special features like Scrivenings View (write in sections, but view as a single document) and Snapshots (allows you to make and view periodic backups of your text).
- Revise and edit your work: Learn how to find and replace text, and work with revisions.
- Use Scrivener in iOS and iPadOS: Sync your projects to iOS/iPadOS and work on an iPhone or iPad.
- Print and export: Understand the process of preparing your project to be printed, and what's involved in compiling it so that it can be exported in a different format.

Kirk also highlights the many changes to Scrivener since the last version (see the What's New section below), including updates to the interface, styles, outlining and metadata capabilities, and improved searching and writing features. In addition, he explains brand-new features in Scrivener 3, including Bookmarks (lets you store references to other sections of your

project), Linguistic Focus (Mac only—highlights specific elements such as dialog, adverbs, or adjectives), Section types (such as Chapter Text and Scene), and Copyholders (allows you to view three or four documents at once).
