Beyond Compare Francis X. Clooney, SJ,2008-10-08 *Beyond Compare* is a remarkable work that offers a commentary on spiritual learning for the twenty-first century rooted in two classic texts from the Hindu and Christian traditions: the *Essence of the Three Auspicious Mysteries* by Śrī Vedānta Deśika and *Treatise on the Love of God* by St. Francis de Sales. In his commentary, Clooney achieves multiple goals—the book is a contribution to Christian spiritual theology, highlighting for today the beautiful insights into love by St. Francis de Sales (1567-1623), Doctor of the Church. At the same time it points out how even in our world of many religious paths, we can recover and deepen the ancient tradition of loving surrender into God's hands by opening ourselves to the wisdom of India and one of Hindu India's most famous traditions of loving God, explained to us by the south Indian Hindu theologian Śrī Vedānta Deśika (1268-1369). Clooney goes further, offering a comparative study of these classic works in which he self-consciously writes about the process of reading the two works and the impact this approach has on the reader. The good advice found through this deep engagement with these texts offers a deeper insight into how we can most fruitfully and spiritually think about religious pluralism in the 21st century, remaining open in heart and mind while loyal still to our own tradition. Not merely a book about loving surrender to God, *Beyond Compare* offers us the opportunity to advance along that path ourselves, learning from the wisdom of St. Francis de Sales and Śrī Vedānta Deśika, meditating on their two paths together, deepening our own love and willingness to surrender in love to God.

Beyond Compare Candace Camp,2018-01-08 When a young lady receives an anonymous package, she faces a dangerous mystery with the help of a battle-scarred American in this Victorian romance. Though Kyria Moreland is beautiful enough to earn the sobriquet “The Goddess” and rich enough to attract London’s most sought-after gentlemen, she has yet to find love. And she refuses to marry without it. When she receives a strange package under mysterious circumstances, she is confronted with danger, murder and a handsome American whose destiny is entwined with hers. . . . Rafe McIntyre has enough charm to seduce any woman, but his smooth facade hides a bitter past. Still, he has seen enough of the world to know Kyria is in danger, and he refuses to let her solve the riddle of this package alone. Who sent her this priceless antiquity steeped in legend? And who is willing to murder to claim its secrets and its glory for themselves?

Way Beyond Compare John C. Winn,2008-12-09 An answered prayer for Beatles fans and collectors, the first volume of a unique work that exhaustively chronicles all known and available Beatles recordings! Have you ever watched a Beatles film clip and wondered: • Where was that filmed? • Is any more of that footage available? Have you ever heard a Beatles interview and asked: • When was that taped? • Where’s the best place to find the complete recording? *Way Beyond Compare* has the answers to these and thousands of similar questions. It’s the key to unlocking the secrets behind every known Beatles recording in circulation through 1965, telling you where to find them, what makes them unique, and how they fit within the context of the Beatles’ amazing musical and cultural journey. Author John C. Winn has spent twenty years (twice as long as the Beatles were together!) sifting through, scrutinizing, organizing, and analyzing hundreds of hours of audio and video recordings—and putting them into a digestible chronological framework for *Way Beyond Compare* and its companion volume, *That Magic Feeling: The Beatles’ Recorded Legacy, Volume Two, 1966-1970*. “It takes a rare and special kind of mind to sift through it all, to research and enquire, catalogue and chronicle, assess and contrast, identify and label, and to fit all the myriad pieces into the vast jigsaw puzzle that is the Beatles’ career. John C. Winn is that person, and he’s done it with a rare skill and intelligence.” —Mark Lewisohn
