Encyclopedia of Play in Today's Society Rodney P. Carlisle, 2009-04-02 Selected as an Outstanding Academic Title by Choice Magazine, January 2010 The Encyclopedia of Play: A Social History explores the concept of play in history and modern society in the United States and internationally. Its scope encompasses leisure and recreation activities of children as well as adults throughout the ages, from dice games in the Roman empire to video games today. As an academic social history, it includes the perspectives of several curricular disciplines, from sociology to child psychology, from lifestyle history to social epidemiology. This two-volume set will serve as a general, non-technical resource for students in education and human development, health and sports psychology, leisure and recreation studies and kinesiology, history, and other social sciences to understand the importance of play as it has developed globally throughout history and to appreciate the affects of play on child and adult development, particularly on health, creativity, and imagination.

Game of Bezique Elle Beaumont, 2019-07-16 At eighteen, Etienne Mercier shouldn't have to worry about being hunted in the streets of Paris. To survive, he cons people with games of chance, hoping no one will discover the truth his grown-out hair hides—he is Fae. Baron Weaver knows, though, and when Etienne tries to con the man, he's the one who gets surprised. Etienne flees to escape the Baron, but soon realizes he's not being chased for the reason he thinks. The Baron offers him and once-in-a-lifetime chance—the opportunity to work in Cirque de la Tempete as an aerialist. Jumping at the chance to earn an honest living, Etienne never expects to find what he lacked all along—a purpose and a family—especially when he meets Lili. But Lili has plans of her own, and together, Etienne finds himself taking his biggest—and deadliest—risk yet. Care for a game of chance? Step right up! Perfect for fans of Caraval by Stephanie Garber, Night Circus by Erin Morgenstern, and Immortal Circus by A.R. Kahler
