**Why Biblical Counseling?: An Appeal for Scriptural Sufficiency** Dr. Ab

Abercrombie,2019-02-09 Why Biblical Counseling?

Because God's Word is fully sufficient for the counseling task and is superior to any secular method of care the world can provide. In his new book, Dr. Ab Abercrombie draws a clear contrast between the temporal provision of humanism and the transformational authority of the Bible. The reader is trained and encouraged to think and respond biblically in all matters of biblical care and discipleship, for the restoration of the fallen believer (Gal 6:1-2) and the evangelism of those yet to encounter Christ (Matt 28:19-20). The text serves as an invaluable resource, suitable for pastors, ministry students, and lay leaders within the Church. **NLT Study Bible** Tyndale, 2017-04 Ask. Seek. Knock. Receive. Find. Open. For everyone who asks, receives. Everyone who seeks, finds. And to everyone who knocks, the door will be opened. -- Matthew 7:8 Explore the Scriptures with almost 50 of today's top evangelical scholars, including Daniel Block, Barry Beitzel, Tremper Longman, John N. Oswalt, Grant R. Osborne, Norman Ericson, and many more. Every feature in the NLT Study Bible has been created to do more than just impart information. Ask questions, and the NLT Study Bible gives you both the words and the world of the Bible. Seek deeper understanding, and find the meaning and significance of Scripture, not just facts. Knock on the door of God's Word, and see what doors are opened to you. The New Living Translation makes the message clear. The features of the NLT Study Bible bring the world of the

Bible to life so that the meaning and significance of its message shine through. I enthusiastically recommend the NLT Study Bible for all of my students and to family and friends. --Dr. William H. Marty, ThD, Professor of Bible, Moody Bible Institute Features from nearly 50 of today's most trusted Bible teachers include: 300+ theme articles identify and explore the major topics and ideas of the Bible. 25,000+ study and textual notes provide background and deeper explanations of words, phrases, verses, and sections. 85 introductory articles set the stage for the Old and New Testament and each major Bible section, book, and time period, including the intertestamental period, the time after the apostles, and a harmony of the Gospels. Each book introduction covers background materials including authorship, setting, meaning and message of the book, an outline, recommended resources and more. 220+ charts, illustrations, maps, and timelines organize and illuminate important information. 200 Greek and Hebrew word studies trace the use of important words throughout the Bible. 90+ profiles paint portraits of major figures in the Bible--good and bad. 50,000+ cross-references connect related verses. Words of Christ in red.

The Prescientific Bible Dr. Peter J. Coyler, 2013-06-28 The Prescientific Bible examines issues in which the view of natural and human events held by biblical authors differs from present-day scientific understanding (such as the emergence of the landscape, earthquakes, the weather, health and illness, sudden death, gender, geopolitical changes, etc). It also suggests ways

in which the modern reader can accept these differences and still find the Bible a source of spiritual nourishment.

The David Story: A Translation with Commentary of 1 and 2 Samuel Robert Alter, 2009-10-21 A masterpiece of contemporary Bible translation and commentary.—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

**The World of Ancient Israel** Society for Old Testament Study, 1991-11-21

Encapsulating as it does research that has been undertaken on the sociological, anthropological and political aspects of the history of ancient Israel, this important book is designed to follow in the tradition of works in the series sponsored by The Society for Old Testament Study which began with the publication of *The People and the Book* in 1925. *The World of Ancient Israel* is especially concerned to explore in greater depth than comparable studies the areas and degrees of overlap between approaches to the subject of Old Testament research adopted by scholars and students of theology and the social sciences.

Increasing numbers of scholars have recognised the valuable insights that can be gained from a cross-disciplinary approach, and it is becoming clear that the early biblical traditions about the formation of the Israelite state must be examined in the light of comparative anthropology if useful historical conclusions are to be drawn from them.
