My Daily Walk with Jesus Bernd Weimer,2014-09-11 Time, time, time. In this fast moving world of modern, ever changing technology we all struggle with time to do the things we know we need to do. One of those “need to” disciplines is the daily reading of God’s Word in a way that is life-changing and mind renewing. When Bernd Weimer told me that he was going to write a book on how to systematically read and study the entire Bible in a year, it was all I could do to keep from saying “Oh no, not another read-the-Bible-in-a-year book.” Although I was inwardly skeptical, I encouraged him as he started the project. There were so many books already written from a Bible devotional nature that Bernd’s book would have to be very unique to be accepted and widely used. But Bernd has pulled it off. He has developed a method whereby the reader can work his or her way through the Word of God without guilt of failure. This book is more than just a Bible reading plan. When used, this book can become a lifelong journal filled with your impressions from the Lord, special quotes from people that have touched your heart and spirit, and your own personal Bible study notes. To the casual reader, this book will be impressive because of its sheer simplicity, and yet many will be astonished by the book’s depth of allowing the reader to make it his or her own life history with the Lord. It is a single, bright sword, cut across three different books in one: a Bible reading guide, a person journal, and a Biblical insight on key passages. Pastor Charles Morris, Founder and Senior Pastor, RSI Ministries

Have you tried reading through the bible in one year, only to feel like a failure because you just couldn't keep up with the daily chunks of scripture? Here's why: Read at a manageable pace (over a 3 years instead of 1 year) Journal is undated so you can start at any time of the year and there's less pressure (and guilt) if you miss a day or a week Move at your own pace Read the bible cover-to-cover - at the end of three years, you will have read through the entire bible and completed reading all books of the bible Scripture readings alternate between Old Testament and New Testament passages so you get variety, especially when going through some of the more difficult-to-understand texts Each week includes 6 daily readings leaving you one day to catch up if needed, in case you fall behind
