How to Lead a Seeker Bible Discussion Rebecca Manley Pippert,2003-05-29 Rebecca Manley Pippert shows you how to start and lead a seeker Bible discussion, so that you can truly make a difference in the lives of your friends, neighbors and coworkers. A Saltshaker Resource.

Why Believe? Greg Laurie,2002 This companion book to The Seeker's Bible explores the honest questions of seekers, such as "Why am I here," "What happens when I die," and "Why should I believe in God?" This is the evangelism tool of the millennium, written by the evangelist of our generation, Greg Laurie.

Truth Seeker: Bible Topics Warren M. Mueller,2013-04-02 Author Warren Mueller has read the Bible daily since 1979. He has served as a deacon, a Sunday school teacher, and a member of the Gideons International. With Truth Seeker: Bible Topics, he hopes to provide clarity regarding what the Bible says about many popular subjects in a succinct and objective format. Truth Seeker: Bible Topics offers a concise summary of what the Bible says about over thirty practical living and theological topics and includes many Bible quotes to provide additional information on each topic. There are questions at the end of each chapter that can help to facilitate Sunday school class or small group discussions. This helpful guide covers a wide variety of topics, including angels, abortion, eating and drinking, gambling, heaven, money, spiritual gifts, swearing, and worry. Much of the controversy that surrounds the interpretations of what the Bible says stem from a lack of systematic study, the use of verses out of context, or attempts to extrapolate truth beyond what is clearly stated. In order to avoid these pitfalls and determine a fair interpretation, Warren Mueller attempts to explain some of the truths of the Bible that are relevant to our human nature, thoughts, and purposes today.

The Seeker's Bible Study David W. Cloud,2019

The Seeker's Guide to Reading the Bible Steve Mueller,1999 Do you want to know what the Bible is? How to read it? What Catholics believe about it? Steve Mueller addresses many of the problems and concerns that adult learners commonly face when they begin their journey of faith through Scripture. This guide is perfect for those who are new to Bible study as well as those who want to increase their knowledge of the Bible.

The Seeker's Bible Greg Laurie,2000 In The Seeker's Bible, Greg Laurie introduces seekers to God and his Word. Readers will find answers to such questions as: "What is the meaning of life," "What happens when I die," and "Can I really know God?" The complete New Testament, in the New Living Translation and the easy-to-carry size makes The Seeker's Bible a great tool for introducing people to God.

In Search of Faith Howard W. Roberts,2010-01-01 Explore several of the stories of biblical characters who were seekers . . . The search by some of these people became watersheds for later seekers. For example, Abraham's search resulted in a clear understanding of radical monotheism. Ruth's seeking and searching challenged the notion that God's love and acceptance were tied to racial purity . . . Allow yourself to be a seeker as you read. May part of your seeking be to consider where your story and each of these stories intersect and may those intersections be places where you seek God and discover that already God is seeking you. --from the Preface In Search of Faith is an exploration of biblical characters who struggled to define their faith. Roberts help readers to identify with biblical characters; to discover kinship with seekers of another era; and to read about themselves in the stories. Some of the biblical characters discussed include Ruth, Jacob, Peter and Hosea. The stories of these biblical characters can be used in a sermon series or a course of study for a small group. In Search of Faith can be a guiding force in the daily lives of seekers by addressing the quest for personal meaning and the desire to belong in community.

Treasure Seeker Bible Study Workbook Rhonda Fleming,2015-11-10 This Bible study method is easy to learn simple to do fits into any schedule But the most important aspect of it is spending time with God and learning to hear Him speak to you. That's what makes it so powerful!

In Spirit and Truth Jason Jack,2016-10-20 I'm going to be perfectly honest with you. Without a humble heart, you will not be able to finish this book - because it's not about us, it's about Him. But if you're truly ready to take a leap of faith and experience the good news of Jesus Christ, this book is for you. Along the way with the use of hundreds of Bible verses for support, you will also learn the answers to often-asked questions such as: Why should we trust the words of the Bible? Do we have to repent of all our sins to go to heaven? Do we have to be baptized? Do we have to go to church? What does it mean to be born again? What happens if we sin after we're saved? Can we lose our salvation? What about the people who've never heard of Jesus? To find out what God's words have to say about all of this and more, you'll need to buckle up, put on your spiritual helmet, and check your pride at the door as we take this biblical journey together in spirit and truth.

People Who Met Jesus Rebecca Manley Pippert,2004-08-07 When people meet Jesus exciting things happen. Whatever their backgrounds and circumstances--military officer, widow, religious leader, prostitute--each person Jesus meets is known, challenged, and (sometimes) transformed. Rebecca Manley Pippert creates a safe place to explore, on your own or with a group, what might happen as you meet Jesus. In this discussion guide you'll take a closer look at both Luke's and John's narratives and you'll have the opportunity to consider more deeply your individual response to Jesus. Each study is packed with historical information, challenging questions and thought-provoking quotes, but it won't answer all your questions. In fact it may bring up new ones! But, no matter what, it will help get you started on your journey toward faith. Use Looking at the Life of Jesus with other Saltshaker Resources, How to Lead a Seeker Bible Discussion (a step-by-step guide for leaders), Talking About Jesus Without Sounding Religious (a how-to book on sharing your faith with confidence), The Way of Jesus (a book to give away to seekers) and Looking at the Life of Jesus and Spirituality According to Jesus (both seeker-oriented Bible discussion guides).

A Gravity's Rainbow Companion Steven C. Weisenburger,2011-03-15 Adding some 20 percent to the original content, this is a completely updated edition of Steven Weisenburger's indispensable guide to Thomas Pynchon's Gravity's Rainbow. Weisenburger takes the reader page by page, often line by line, through the welter of historical references, scientific data, cultural fragments, anthropological research, jokes, and puns around which Pynchon wove his story. Weisenburger fully annotates Pynchon's use of languages ranging from Russian and Hebrew to such subdialects of English as 1940s street talk, drug lingo, and military slang as well as the more obscure terminology of black magic, Rosicrucianism, and Pavlovian psychology. The Companion also reveals the underlying organization of Gravity's Rainbow--how the book's myriad references form patterns of meaning and structure that have eluded both admirers and critics of the novel. The Companion is keyed to the pages of the principal American editions of Gravity's Rainbow: Viking/Penguin (1973), Bantam (1974), and the special, repaginated Penguin paperback (2000) honoring the novel as one of twenty Great Books of the Twentieth Century.

The Keepers of Heaven's Gate William Henry,1997 *The Keepers of Heaven's Gate: The Millennial Madness (the Religion Behind the Rancho Santa Fe Suicides)* is an attempt to elucidate the mystical and prophetic happenings which are fueling the furor of new millennial cultists. The end of the last millennium brought suicides and a rash of prophetic ideas surrounding the end of the world. Today history is again repeating this pattern. Is this the age of the end as some are suggesting, or the beginning of a new heaven and a new earth as others believe? Only history will reveal the actuality of future events as yet unwritten. This book represents the time line of escalating events that led to the suicides in Rancho Santa Fe, California. The time line begins in November, 1996, with the first radio talk show and news reports about a space ship hiding behind the comet Hale-Bopp. The author presents the facts behind this new millennial end of the world thinking. Through painstaking research conducted throughout the 1990's, the author presents a thorough understanding of the belief structures of these new millennial groups. This book includes: The complete Hale-Bopp story. The core beliefs behind the root idea of ancient astronauts inhabiting a space ship trailing the comet Hale-Bopp. The ancient basis for the mystical teachings of the Heaven's Gate cult. This book brings to light the truth behind the religion which led to the Rancho Santa Fe suicides.
