Biblical Astrology: A Biblical Correlation to the Cosmic Stories Daniel G. McCrillis, Th. D.,2015-07-18 In the present era of Jewish rejection of Jesus Christ, see how the stars themselves, in their ancient Paleo Hebrew names, declare him as their Jewish Messiah. See Christ as the fulfillment of: the Genesis 2:15 proto-evangelism (first gospel), the many Old Testament Coming Branch and Seed prophecies, the sacrificial Lamb slain from the foundation of the world, the promised virgin born Messiah, and the Coming Seed of King David. Likewise, in the rise of Islamic and Muslim rejection of Jesus Christ's Deity, see how the ancient Arabic names of the stars themselves, declare Jesus Christ as Immanuel to the pro-generations of Ishmael, Esau (Edomites), Lot (Moabites and Ammonites), Ham (Hamites, Egypt), etc. Furthermore, in the rise of Atheism and Evolutionism, you will see intelligence, order, relevance, and harmony in the astrological record. All of these premises make the stars a powerful gospel appeal to the Jewish, Arabic, and Atheistic communities in 2015. • Is there a Messianic Image of Jesus Christ in the Hebrew Names of the Stars? • Is there a Middle-East Connection to Jesus Christ in the Arabic Names of the Stars? • Is there Intelligent Design in the Stars? In this book, we are going to journey through the oldest stories within the human race. These stories concern God's Son and his arch enemy, Satan. We are going to see Christ high and lifted up in the Heavenly Tabernacle. We will learn the doctrines of Christ's Incarnation, Deity, Kingship, Sacrifice, Redemption, Death, Burial, Resurrection, Descension, Ascension, 1st and 2nd Advents, and his Millennial and Eternal Reigns. We will see Calvary as we never have before. We will see Christ as the Shepherd, the King, the Deliverer, the Judge, the Lamb, and the Victor over Sin and Satan. This book will help us better understand why Christ has all power, is deserving of all glory, and worthy of humanities all. "The heavens declare the glory of God; and the firmament sheweth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge." (Ps. 19:1-6) For All Who Seek To Know!

Envision the doctrines of Christ's Incarnation, Deity, Kingship, Sacrifice, Redemption, Death, Burial, Resurrection, Descent, Ascension, First and Second Advents, and his Millennial and Eternal Reigns in the starry portraits. Of which, Christ is seen as the Shepherd, the King, the Deliverer, the Judge, the Lamb and the Victor over sin, the world and Satan. Christ, as displayed by the stars, reveals why Christ has all power, deserves all glory, and is worthy of humanity's all. Testimony of the Heavens Dana A. Sherstad,B. J. Barbich,2011-10-27 A thirteen-week Bible study, that examines how "The heavens declare the glory of God" (Ps 19:1 - KJV). You will learn how the heavens boldly proclaim far more than you might have considered. His redemptive promises are found there in great detail.The Testimony of the Heavens uses both scriptural and historical evidence to show that the constellations foretell of the bruised Hero who crushes the head of the enemy (Genesis 3:15), among other prophecies. Scripture and history will also show these very same constellations have been perverted by astrology and myths. The original stories found in the 48 constellations are examined in the light of God's written revelation. You will be amazed as you search the numerous references to the constellations in the Bible and learn how the constellations match the biblical truth. In the same way that Christ is found on every page of Scripture, the revelation of His person, work, and promises can be found in every corner of the sky. Your faith will be strengthened by this Bible study of God's magnificence, power, and loving kindness as He displays His promises to us in the great dome of the sky.Beautiful illustrations of the ancient constellations have been integrated with this study of Scripture, engaging your visual senses with the art of the heavens.Testimony of the Heavens is approved curriculum for home Bible studies at Canyon Hills Community Church, Bothell, Washington. The Rev. Mark G. Barrett, M.Div., Canyon Hills School of Ministry, states, "One of my favorite verses in all the Bible is Psalm 19:1 'The heavens declare the glory of God; And the firmament sheweth his handywork.' I have raised my children to understand that God's glory is not only found in divine Scripture but also in natural revelation. Sherstad and Barbich's work puts feet to that truth! I found their book to be an insightful, enjoyable study that is very well documented biblically. It will open the readers' eyes to the incalculableness of God's cosmic prophetic capabilities in time and space."

Testimony of the Heavens Dana Sherstad,B. J. Barbich,2011 As you work through this thirteen-week Bible study, you will learn how "The heavens declare the glory of God" (Ps 19:1 - KJV). You will see how they boldly proclaim far more than God's awesome creative ability; they proclaim His redemptive promises in great detail, bringing glory to Him.The Testimony of the Heavens uses both scriptural and historical evidence to show that the constellations were first used by prophets before the written Word to teach the glorious message of God's redemptive plan for mankind. The account of the bruised Hero who crushes the head of the enemy (Genesis 3:15), among other prophecies, have been perverted by astrology and myths of more recent cultures. Barbich live with their families in beautiful Washington State. Both graduated with AA degrees from Grace Bible College, Grand Rapids, MI, and have a passion for the Word of God. Stirred by E. W. Bullinger's book, Witness of the Stars, they greatly expanded the concepts from Bullinger's work, teaching the material to small study groups. They were led by the Lord to develop this study further and make it available to a wider audience. Together they set out on the journey which has culminated in this Bible study.

A Plain Account of the English Bible John Henry Blunt, 1870

The Gospel in the Stars Joseph Seiss, 2017-11-03 In a series of illuminating lectures, Joseph A. Seiss presents a clear picture of astronomical occurrences and inspirations to be found in the Biblical New Testament and Gospels. A superbly insightful Bible commentary, this book contains seventeen lectures, each of which focuses upon a specific astronomical occurrence in the New Testament. Events which draw specific influence from the constellations of the stars are charted, with each star sign identified as important to separate events depicted in the scriptures of the gospels. The nativity of Jesus Christ, wherein the Star of Bethlehem appears to the three wise men, is perhaps the most obvious incident of the astronomical. However, Seiss demonstrates that the stars above are richly significant and play a role in many of the most famous tales of the Bible. For example, when Seiss recounts the story of St. Peter's fishing, he compares the sign of Pisces, which was already widely known in the Biblical era. The author was born into the Moravian Church, and in this traditional upbringing soon determined to enter the ministry. After his education was complete, Joseph A. Seiss worked in Christian groups and was eventually appointed as a Lutheran minister in Philadelphia. He preached there for decades, establishing a reputation as one of the leading churchmen in the city. An enthusiastic theologian with a studious knowledge of the Bible, Seiss would author several books discussing dispensationalism.

America on the Cusp of God's Grace Dennis G. Hurst, 2010-11-12 America on the Cusp of God's Grace issues a rousing call for true, Bible-believing patriots to save America by reverting back to the august principles of our Founding Fathers. With simple, straightforward language, Dennis G. Hurst digs deep into the ideas and beliefs upon which the Republic was founded and then juxtaposes them with the sobering reality of today. Hurst provides a history of the beginning of America, from its seventeenth-century colonies based on religious freedom to the Revolutionary War's stunning impact on the world and to the Constitutional Convention's innovative ideas. Hurst shows how faith in God guided the Founders during every step of the process and compares and contrasts this history with the present state of American culture. In addition, he looks at the damaging effects of Islam on the United States and how it has brought about a decisive, polarizing effect on ideologies today. But Hurst doesn't stop with mere commentary and historical scholarship. Instead, he offers a blueprint for how God-loving American citizens begin a revival in their country. This includes a return to character, leadership, and integrity, plus a steady focus on Christ. True believers were this country's founders; true believers were its sustainers; and true believers will be its rescuers, even an America on the Cusp of God's Grace!

The City Behind the Movie Stars, and Pros Marlon Bennet, 2010-06-29 This is about the movie stars, and this is about the pro world, and the more you read, the more stunning and intriguing. This is witnessed by an extraordinary boxer, but boxing shut the doors on him, so this book is a protest and a witness of extraordinary people. Then the author looked for a job and love with a college degree that lead to three dead-ends. However, using what he had, no money and old age was not going to be his end. Dealt such a life, he saw profound things never on paper, or given to a witness or it was too difficult to witness about the movie stars and pros, but not now!

Stars of Light - The Hidden Message of Redemption Chris Giacketti Siegel, 2012-11 Ever look up at the night sky and feel the wonder of the vast multitude of light in our galaxy? The stars were put there for a reason: for God to communicate His-Story. It is up to us, however, to decode them. Stars of Light: The Hidden Message of Redemption - Message One, the first book of a trilogy, reveals how the natural light of the stars speaks of the spiritual light that God has placed in each of His believers. Author Chris Giacketti Siegel shows how the twelve constellations of the zodiac can be divided into three sets of four constellations. Each set of four

tells a different part of God's story. By using the skies as His canvas, God has revealed the light of the Gospel for the whole world to see. Through the study of each constellation of the zodiac and their stars, Siegel explains how the stars tell of God's redemption, His victory over evil, and His return. The heavens reveal that Jesus Christ is at the very center of God's story on Earth as well as in the heavens. By linking the light of the stars with the light of God's messages of redemption and spiritual liberation, Stars of Light: The Hidden Message of Redemption – Message One offers an intricate and illuminating biblical journey through the mysteries of astronomy and astrology.

The Zodiac Code: God's Hidden Messages in the Stars F. Chris Patrick,2003-09 What do these signs and all of the other 45 ancient astronomical signs have to do with God and the Bible? The answer is that God created and named the stars and constellations long before diabolical forces conspired to corrupt the true purpose of the Zodiac. God said to let the stars be for signs and Psalms 19:2 says the heavens reveal knowledge at night. The Zodiac Code deciphers three keys that unlock an ancient hidden message in the stars. Learn what the stars reveal about the past, present, and future plan of God for mankind. You'll also learn about a new star's message concerning the return of Jesus Christ and the rapture -- the catching away of the Church. The Zodiac Code exposes the deception of astrology while revealing Jesus from His birth, to the final judgment to come. Discover what the Wise Men of the Bible knew about the greatest story ever told! Book jacket.
