How Much More - Bible Study Book LISA. HARPER, 2021-07 Have you ever wished

certain passages weren't in the Bible? It can be all too easy to trade the truth of God's grace and mercy for a skewed view of certain biblical texts that seem to paint God as oppressive, distant, or difficult to understand. Upon closer examination, this harsh view of God is the exact opposite of His true character. God welcomes His children with deep compassion and care, while holding all power and authority. In this 7-session study, discover God's extravagant love in some of Scripture's most misunderstood passages. Because the God of the Old Testament is the same redemptive, loving, and grace-filled God we see through Christ in the New Testament. How Much More will show you that God is for you—even in the places He may have seemed silent before. Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete among 7 weeks of group sessions Seven enriching teaching videos, approximately 30-40 minutes per session, available for purchase or rent Benefits: Tackle some overlooked or misunderstood passages in Scripture, uncovering how they ultimately show God's kind character. A Little Book for New Theologians Kelly M. Kopic,2012-07-05 Whenever we read, think, hear or say anything about God, we are doing theology. Yet theology isn't just a matter of what we think. It affects who we are. In the tradition of Helmut Thielicke's A Little Exercise for Young Theologians, Kelly Kopic offers a concise introduction to the study of theology for newcomers to the field. He highlights the value and importance of theological study and explains its unique nature as a serious discipline. Not only concerned with content and method, Kopic explores the skills, attitudes and spiritual practices needed by those who take up the discipline. This brief, clear and lively primer draws out the relevance of theology for Christian life, worship, mission, witness and more. Theology is about life, writes Kopic. It is not a conversation our souls can afford to avoid.

Scripture Workbook Gary Zeolla,2016-12-23 This book contains twenty-two individual Scripture Studies. Each study focuses on one general area of study. These studies enable individuals to do in-depth, topical studies of the Bible. They are also invaluable to the Bible study teacher preparing lessons for Sunday School or a home Bible study. They can be used for group studies as well. The range of topics covered in the different studies is broad, from what the Bible teaches about itself, to what the Bible teaches about divorce and remarriage. Included in each study are hundreds of Scripture references, so there will be no lack of material from which to begin your studies. As such, if you're an individual looking for an aid to improve for your own personal Bible studies, or a Bible study teacher or home group leader looking for help in preparing lessons, this book will be of great benefit. The sources for the viewpoints promoted in these Scripture Studies are wide and varied. The

ideas are taken from commentaries, study Bibles, theology books, books of various kinds, and most importantly, this writer's own personal study of the Scriptures. The sources for the opposing views presented are publications of groups that promote the ideas and personal conversations this writer has had with members of such groups and adherents to the views. It is my hope and prayer that God uses these Scripture Studies to help the reader to: ...be increasing in [the] grace and knowledge of our Lord and Savior Jesus Christ. To Him [be] the glory both now and to [the] day of [the] age! [fig, to eternity!] So be it! (2 Peter 3:18). Edition 1.1, updated December 2016.
