**The Big Kahuna** Janet Evanovich,Peter Evanovich,2019-05-07 A stoner, an Instagram model, a Czech oligarch, and a missing unicorn. Nick Fox and Kate O'Hare have their work cut out for them in their weirdest, wildest adventure yet in this New York Times bestseller by Janet and Peter Evanovich. Straight arrow FBI Agent Kate O'Hare always plays by the rules. Charming Con Man Nicholas Fox makes them up as he goes along. She thinks he's nothing but a scoundrel. He thinks she just needs to lighten up. They're working together to tackle the out-of-bounds cases ordinary FBI agents can't touch. And, their relationship? Well, there hasn't been so much explosive chemistry since Nitro was introduced to Glycerin. Next on the docket: The mysterious disappearance of the Silicon Valley billionaire, known as the Big Kahuna. Kate's been assigned to find him but no one seems particularly keen on helping. His twenty-six year old adult actress wife-turned Instagram model wife and his shady Czech business partner are more interested in gaining control of his company. For that they need a dead body not a living Kahuna. The only lead they have is the Kahuna's drop-out son, who's living the dream in Hawaii - if your dream is starting your day with the perfect wave and ending it with a big bowl of weed. To get close to the Kahuna's son, Kate and Nick go undercover as a married couple in the big wave, bohemian, surfer community of Paia, Maui. Living a laid back, hippy-dippy lifestyle isn't exactly in Kate's wheelhouse, but the only thing more horrifying is setting up house with Nick Fox, even if he does look pretty gnarly on a longboard. If they don't catch a break soon, waves aren't the only thing she's going to be shredding (or bedding).

*How the Church Fails Businesspeople (And What Can Be Done About It)* John C. Knapp,2011-12-20 Why do so many Christians struggle to relate their faith to their daily work? In this book John C. Knapp argues that the church's ambiguous teachings about vocation, money, and business have long contributed to Christians' uncertainty about discipleship in the workplace. Drawing on his own expertise in business ethics and numerous interviews with Christians in diverse occupations, Knapp offers a new theological framework for Christian life in the world of business.

The Chicken Qabalah of Rabbi Lamed Ben Clifford Lon Milo Duquette,2001-08-01 Traditional Qabalistic sources can sometimes be difficult to read. This text uses humorous anecdotes and metaphors to teach a practical approach to learning the traditional wisdom of this arcane system.

**Seeing Red** Pauline Sameshima,2007 A brilliant and daring piece of scholarship, this book will raise eyebrows and spark much debate. It does not simply break new ground, it breaks all the rules—ultimately compelling us to examine and embrace scholarship in fresh, innovative ways. *Seeing Red* is based on Pauline Sameshima's doctoral dissertation, Winner of the 2007 Arts Based Educational Research (ABER) Outstanding Dissertation Award by the American Educational Research Association (AERA). This award is for the best dissertation that explores, is an exemplar of, and pushes the boundaries of arts based educational research. The book showcases a PhD dissertation written in the form of an epistolary bildungsroman—a didactic novel of personal developmental journeying. The work is a fiction (letters from a graduate student to the professor she is in love with) embedded in developmental understanding of living the life of a teacher researcher. The work shares the possibilities of how artful research informs processes of scholarly inquiry and honours the reader's multi-perspective as integral to the research project's transformative potential. Parallax is the apparent change of location of an object against a background due to a change in observer position or perspective shift. The concept of parallax encourages researchers and teachers to acknowledge and value the power of their own and their readers' and students' shifting subjectivities and situatedness which directly influence the constructs of perception, interpretation, and learning. The novel format ties themes and characters together just as storytelling can bind theory and practice. Norman Denzin (2005) supports the pedagogical and libratory nature of the critical democratic storytelling imagination. He hails this book as ... bold, innovative, a wild, transformative text, ... almost unruly, a new vision for critical, reflexive inquiry. The love story and issues of teacher/learner role boundaries are controversial and largely unspoken of in educational settings and the letter format is voyeuristic. In this sense, the audience is being given a peek, a look at the unrevealed. One of the advantages of the epistolary novel is its semblance of reality and the difficulty for readers to distinguish the text from genuine correspondence (Wurzbach, 1969). The genre allows the reader access to the writing character's intimate thoughts without perceived interference from the author's manipulation and conveys events with dramatic and sensational immediacy (Carafi, 1997).

**Running on Empty** Fil Anderson, 2005-12-13 Learn to live with God instead of for God. In this candid and achingly authentic book, Fil Anderson shares the healing insights that restored his spiritual compass and guided him back to God--the God who specializes in filling empty souls. Fil Anderson had accomplished more for God than most of his contemporaries, but his worn-out body housed an empty soul. His frenetic pace of ministry had earned him just one thing: greater pressure to do even more. He had fallen for the soul-killing lie that doing more for God would give his life meaning. Then the godly admonition of a spiritual director set this burned-out believer on a life-saving spiritual path. Sometimes the only way to get a new life is by running your old one completely into the ground. This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty. It's the story of reclaiming your soul and finding a home in the center of God's relentless love. It's the journey from self-importance to God-importance. "To the harried and the unharried, I pray that this book will minister to your heart in the profound way that it has blessed mine." —Brennan Manning
