

Bike Adventure

Monte Lowrance

The Quest Tom Salinsky, 2010-06-30 The Quest: A Bike Adventure Across America was written during a 47 day solo bicycle trek from Carlsbad, California to Cape May, New Jersey. This book takes you on the day to day journey as it was captured on the pages of a personal journal during the cyclist's bike ride across the United States of America. The entries are updated with vivid "side note" descriptions and afterthoughts to help you fully understand the context of the experience. The Quest: A Bike Adventure Across America captures the essence of adventure, overcoming adversity, and reveals some interesting insights into people, life, nature, and faith. If you ever wanted to taste the trials and tribulation of a challenging adventure this day to day record of a solo cross country bike trip is a must read.

A Bicycle Journey to the Bottom of the Americas George J. Hawkins, 2000-10-24 Remember when you were a kid and you got your first bicycle? After a few weeks of mastering the dynamics of balancing, steering, and pedaling, all at the same time hopefully, your father released his protective, steady grip on the seat and you went wobbling off on your own. It was probably your very first taste of independence and freedom and you knew you liked that feeling very much. Few things in life have ever compared to that first solo ride. Almost 40 years after my first solo bike ride, I was able to recapture the excitement and passion of that momentous occasion when

I pedaled out of Anchorage, Alaska bound for Tierra del Fuego-the very tip of South America. No matter that it was 17,500 miles distant and would take 3 years to get there I vowed I would achieve that goal if it took the rest of my life.

Biking Across America Paul Stutzman, 2013-05-15 After Paul Stutzman finished hiking the Appalachian Trail, he found himself longing for another challenge, another adventure. Trading his hiking boots for a bicycle, Paul set off to discover more of America. Starting at Neah Bay, Washington, and ending at Key West, Florida, Paul traversed the 5,000-mile distance between the two farthest points in the contiguous United States. Along the way he encountered nearly every kind of terrain and weather the country had to offer--as well as hundreds of fascinating people whose stories readers will love. Through cold and heat, loneliness and exhaustion, abundance and kindness, Paul pedaled on. His reward--and the readers'--is a glimpse of a noble yet humble America that still exists and inspires. Anyone who longs for adventure, who loves travel and stories of travel, and who loves this place called America will enjoy this book.

Two Wheels on my Wagon Paul Howard, 2011-04-15 As bicycle races go, the attractions of the Tour Divide are not immediately apparent. For a start, it is the longest mountain-bike race in the world, running nearly 3,000 miles down the Rockies from Canada to Mexico. But the distance is not the only challenge - the total ascent of 200,000 ft is the equivalent of scaling Mount

Everest nearly seven times. Then there are the dangerous animals likely to be encountered on the route: grizzly bears, mountain lions and wolves, not to mention rattlesnakes and tarantulas. Worse, the rewards for all this effort are strictly limited. Unlike in the Tour de France, there is no fabled yellow jersey and no prize money. Yet, undaunted, and in spite of never having owned a mountain bike, Paul Howard signed up. Battling the worst weather for generations, drinking whiskey with a cowboy and singing karaoke with the locals, Howard's journey turned into more than just a race - it became the adventure of a lifetime.

Pedal Pushers Coast-To-Coast Marianne Worth Rudd, 2019-06-10 They expected snow, lightning, heat, and wind while bicycling cross country. That happened. They did not expect a car collision, a broken arm, or Hurricane Sandy. That happened, too. For thirty-two years, Marianne Worth Rudd dreamed about cycling cross country, almost as long as she's known her husband, Terry. She thought the bike trip was about getting to the Atlantic. She discovered she was mistaken about both. Pedal Pushers Coast-to-Coast is her story of their 2012 cycling quest from the Pacific to the Atlantic, chronicling the challenges, joys, and surprises of their 4500-mile, twelve-week bicycle journey. Personal quirks became quirkier. Pain and grief unexpectedly seized the trip mid-way with a car collision and broken arm for Terry, but three months later, their quest resumed- on a snowy October day in northern Minnesota. From once coast to another, Marianne (Mari) and Terry experienced

not only the changing terrain and state borders, but an elation far more gratifying than just reaching destinations—they discovered the curiosity and kindness of strangers, and the lasting impact. From simple gifts of root beer and oranges on a hot day, to shelter from a lightning storm and random invitations countrywide for meals and lodging, strangers offered unexpected generosity and care throughout their travels. Pedal Pushers Coast-to-Coast chronicles a transcontinental cycling adventure marked by challenge, resilience, and hope, and illustrates the outpouring of kindness and generosity from strangers across the continent.

Wide Hips, Narrow Shoulders Monte Lowrance, 2001-05-30 This is a story about a 45-year-old man who simplifies his life by getting rid of his material possessions and then sets off around America on a bicycle to discover new ideas about his country and himself. The journey takes him through all 48 contiguous states and Washington, D.C.

The Road Headed West Leon McCarron, 2015-07-14 What happens when you swap the nine-to-five for two wheels and a journey of a lifetime? Terrified of the prospect of a life spent behind a desk, without challenge or excitement, Leon takes off to cross America on an overloaded bicycle packed with everything but common sense. Over five months and 6000 miles, he cycled from New York to Seattle and then on to the Mexican border, facing tornados, swollen river crossings, wild roaming buffalo and one hungry black bear along the way. But he also met kind strangers, who offered their food, wisdom, hospitality and even the occasional local history lesson, and learned what happens when you take a chance and follow the scent of adventure. With a sharp eye and a genuine go-where-the-wind-takes-me attitude, McCarron makes for an ideal guide on this cycling adventure. He passes through small towns, rolls up and flies down the winding roads of the Blacks Hills is taken in and fed by strangers, all on a quest to discover the “real” America, and in the process, learn a little about himself. Funny, insightful, and full of life, *The Road Headed West* will inspire readers to chase their dreams and go off in search of adventure.

If you'd like to read Barbara Savage's two-year around the world bicycle trip now, you can order the current version here. *Miles from Nowhere* is the story of Barbara and Larry Savage's sometimes dangerous, often zany, but ultimately rewarding 23,000-mile bicycle odyssey, which took them through 25 countries in two years. Along the way, these near-neophyte cyclists on their ten-speeds encountered warm-hearted strangers eager to share food and shelter, bicycle-hating drivers who ran them off the road, various wild animals (including an attack camel), rock-throwing Egyptians, overprotective Thai policeman, motherly New Zealanders, meteorological disasters, bodily indignities, and great personal joys. The stress of traveling together constantly tested yet strengthened the young couple's relationship and as their trip ends, you'll find yourself yearning for Barbara and Larry to jump back on their bikes and keep pedaling. Originally published in 1983, *Miles from Nowhere* has provided inspiration for legions of modern travel-adventurers and writers.

Rising Son Charles R. Scott, 2012-11-20 A father and son bike adventure across Japan.

Kissing the Trail John Zilly, 1997-02 In 1993, Kissing the Trail began serving up just what Seattle mountain bikers crave -- great dirt trails within 85 miles of Seattle. This third edition delivers more of the same good mountain bike grub. Check out new rides at Paradise Valley, on Whidbey Island, and in Tahuya State Forest. Or what about those mysterious woodland tracks off Highway 169? Full of the obsessively detailed local knowledge for which Zilly's guidebooks are well known, the third edition now includes Suntop and the Worm, as well as whirling new singletrack on Grand Ridge, at Tolt-MacDonald Park, and in the Middle Fork valley. The built-over and closed trails have been tossed out, the existing trails have been updated, and meditations on the First Kiss are still packed in the toolkit. Seattle's mountain bike bible is back, with all the irreverence, fun, and expert detail you've come to expect. Whatever your tastes or abilities, Kissing the Trail

leads the way to great rides. Book jacket.

One Man on a Bike Richard Georgiou, 2020-02-08 Take one self-deprecating idiot with a sense of humor and a sense of adventure but no sense of direction, add one thoroughly vindictive GPS and one motorcycle, and you have One Man on a Bike. This is a record of author Richard Georgiou's month-long solo trip from England to Greece and back on his motorbike. With his incredible propensity for disaster, he bumbles through Europe in his own special style attempting to absorb his surroundings while keeping his inner Mr Angry at bay. Sometimes he succeeds, sometimes he really doesn't. Follow Richard through his 6000-mile, little boy's adventure. You might be laughing with him or (more likely) at him, but by the end of the book you'll understand a little more about what it's like being someone who struggles to reach the dizzy heights of average.

Best Bike Rides Seattle Gene Bisbee, 2014-07-01 Best Bike Rides Seattle describes 41 of the greatest recreational rides in Seattle. Road rides, rail trails, bike paths, and single-track mountain bike rides all get included. Most rides are in the 5 to 30 mile range, allowing for great afternoon outings and family adventures.
