Sturgis Stories ,2002

Laconia Motorcycle Week Charlie St. Clair,Jennifer Anderson,2008 Laconia Motorcycle Week is the oldest national motorcycle rally in the United States. Since 1916, motorcyclists have traveled to the Lakes Region of New Hampshire to enjoy the beautiful scenery of lakes and mountains. In 1916, the sport of motorcycling had just begun, and the enthusiasm and participation has continued to grow exponentially throughout the years. As the oldest rally, Laconia Motorcycle Week has certainly seen the good times and the bad times. Since 1998, Laconia Motorcycle Week has averaged over 300,000 visitors into New Hampshire every June. The rally is made up of hundreds of individual motorcycle-related events throughout the state of New Hampshire.

Ride Fast Eric Harr,2006-03-07 Utilizes a motivational speed-level approach to fitness cycling for novice riders, demonstrating a ten-week program designed to help readers reach a twenty-five-mile-per-hour goal using a range of nutritional and riding strategies. Original. 15,000 first printing.

Nevada Rally Paul Clipper,2021-02-10 There are motorcycle events every weekend, but truly epic events only happen on the rare occasion. The Nevada Rally was such an event. Planned and executed by Franco Acerbis and his Acerbis Adventure team, the Nevada Rally swept into the Silver State in 1993 and created a sensation that is still talked about today.This Kindle book is the story of the three years of the Nevada Rally. Originally covered extensively in Trail Rider magazine, this compilation is a combination of new material, reprints from the magazine and photos taken at the event. Each year of the rally is given a chapter in the book, as seen through the eyes of the author, who participated in the rally each year; two years working for the organization and the third year as a racer.Seeing the event from three different vantage points in three different years was a rare treat, claims Paul Clipper, a 25 year veteran of Trail Rider magazine and lifelong off-road enthusiast. Never before-or since-have I been able to feel so immersed in a race. In the end, it was, just as Franco envisioned, one huge family of like-minded people brought together to experience every human emotion imaginable in one non-stop week of activity in the Nevada desert.This book is intended to serve as a retrospective on the 20th anniversary of the first Nevada Rally in 1993, as well as a salute to the efforts of Acerbis Adventure and Franco Acerbis, who had the vision to see what a great event he was creating, and the strength to pull it off. The Nevada Rally was truly the American Adventure, and this eBook will be an entertaining read for offroad racing enthusiasts everywhere.

Sturgis Gerald Foster,1992-12-31

The Sturgis Experience Jim Casey,2004-06 For serious motorcyclists, riding is a hobby as well as a way of life, and the annual motorcycle rally in Sturgis, South Dakota, is the ultimate destination. The Sturgis rally, which draws half a million participants a year, is as much about the journey as the destination. Author Jim Casey starts out with a comprehensive history of American bikers from Marlon Brando to the Hell's Angels, then traces the evolution of the rally, its Harley-Davidson connection, and its unique cultural contribution to the lore of the American road. With more than 50 full-color photos, this book will appeal to both armchair adventurers and real-life bikers.

Against the Wind Ron Ayres,1997-08-29 Ten consecutive thousand-mile days on two wheels in a mental race against imponderable odds and a ceaselessly ticking clock--welcome to the legendary Iron Butt Rally. Against the Wind is a riveting new book, written by sixth-place 1995 finisher Ron Ayres, telling the story of what many call the most grueling test of human endurance in all of motorcycling. With guts and sheer willpower, riders must overcome (or succumb to) fatigue and danger, calling upon human reserves buried deep within. Ayres reveals the innermost thoughts of a successful contestant and lets us share the anticipation, the thrill, the fatigue, the heartbreak, the euphoria, and ultimately the controversy of completing this merciless trial. More than the mere mechanics of making it through the eleven-day ordeal, Ayres describes the elegant strategy necessary to be a contender. You'll discover what motivates the riders, how the rally is scored, what takes place each day, how the routes are planned, and what it's like to ride to the very limit of endurance--and then ride some more.As engaging as Ayres own story is, you'll also be fascinated by the experiences of other riders who are attracted to such events. Motorcycle journalist Bob Higdon states in his foreword to the book, Here, told from the point of view of a participant, the unraveling of human souls proceeds in almost embarrassing clarity. It's an incredible journey most of us would rather enjoy from our easy chair, and now we can with this first-rate book.

Endurance: The Toby Price Story Toby Price,2022-02-01 The Australian bush has conjured up some crazy legends, but the rise and rise of two-time Dakar champion Toby Price is surely one of its best. Who knew that the remote town of Roto (pop. 41) would be the launching pad of one of the greatest motorsports athletes the world has seen, fit to tackle and triumph over the planet's most gruelling endurance race? Toby Price has lived a truly remarkable life, filled with ups, downs and every bump in the road imaginable: a childhood racing prodigy from the tender age of 2 - there was hardly a paddock that could contain him. After tearing through the junior ranks, taking out titles in both dirt track and motocross, Toby was living the dream, turning pro at 16 and joining the formidable KTM Racing team. Soon he was turning heads internationally and tapped to take on the most forbidding enduro courses the sport could throw at him. But the clock and the elements weren't his only adversaries. The death of his adored sister, Min; the tragic loss of mentors and rivals in the desert; countless broken bones and an accident that should have paralysed him for life - Toby's story is a study in staying true to yourself and following your passion to its ultimate end: rain, hail or shine. The person who emerged from the crucible of so many trials is now one of the most beloved figures in Australian sport, a kid from the country whose need for speed took him to the top of the podium - and he's not about to slow down now.

Triathlete Magazine's Essential Week-by-Week Training Guide Matt Fitzgerald,2009-11-29 From Triathlete magazine - the most popular and extensive source for triathlon information - comes this guidebook of weekly training plans for triathletes of all skill levels.
