Bill Hicks: Agent of Evolution Kevin Booth, Michael Bertin, 2010-06-24 Written by Bill Hick's lifelong friend, producer, and co-creator, Kevin Booth offers the inside story into the man who was only along for the ride for a tragically short time, yet left an indelible mark on comedy enthusiasts and freethinkers everywhere.

Love All the People Bill Hicks, 2005 This posthumous collection features Hicks's controversial humor and witheringly funny attacks on American culture, from its worship of celebrity and material goods to its involvement in the first Gulf War.

American Scream Cynthia True, 2008-09-04 He was a radical stand up who dared to question the values of small town America and the evils of American foreign policy. Ruthlessly honest, a voice of reason in what he saw as an insane world, Hicks refused to compromise in spite of the censorship he faced for most of his career. His entire act was once banned from The Late Show with David Letterman because he made fun of pro-lifers and the Pope. In *American Scream* Cynthia True gets under the skin of Hicks, the heavy-drinking, chain-smoking, drug-taking philosopher who was also gentle and kind, a good friend and a comic genius who packed enough adventure into his three decades to last three lifetimes. Hicks died of pancreatic cancer in 1994 but his comedy is more relevant today than ever. This vivid, funny, insightful book shows why. 'Conscientious, perceptive and affectionate . . . [True] understands her subject perfectly' Independent 'Intelligent and tightly researched' Guardian

One Consciousness - Bill Hicks Paul Outhwaite, 2013-11 This is an in-depth study of the late American stand-up comedian, Bill Hicks. Structured around Hick's life from 1961-1994, it looks at the historical and cultural events that shaped his comedy, the comedians who influenced him and the philosophy he developed.

One Consciousness Paul Outhwaite, 2003

What Would Bill Hicks Say? Ben Mack, Kristin Pulkkinen, 2006 Answering the question, what would Bill Hicks say, dozens of commentators imagine the response of the upstart comic to a wide variety of current events, including contributions from Jeff Danziger, Neal Pollack, Robert Newman, and A. L. Kennedy, among others. Original.

Love All the People (New Edition) Bill Hicks, 2009-06-01 Bill Hicks was arguably the most influential stand-up comedian of the last 30 years. He was funny, out of hand, impossible to ignore and genuinely disturbing. His work has inspired Michael Moore, Mark Thomas and Robert Newman among others. The trade paperback published in February 2003 was the first collected work and included major stand-up routines, diary, notebook and letters extracts, plus his final writings, most previously unpublished. This smaller format paperback has extra material discovered subsequently.

Love All the People Bill Hicks, 2008

American Scream Cynthia True, 2002-02-19 A posthumous portrait of comedian Bill Hicks describes his provocative social commentary on everything from corporate America to politics, and explores his remarkable influence on the evolution of modern-day comedy.

American Matt Harlock, 2010-05-15 Bill Hicks is considered by many the greatest American comedian of the last 20 years, an ironic honour given his relative anonymity in his native country. His short, intense career encompassed battling drink and drugs, censorship of his material, the pressures of international fame and, on the verge of conquering the States, his diagnosis with cancer at the age of 32. His fierce independent spirit and relentless pursuit of truth and higher understanding made him a comic ahead of his time, and he blazed a path for countless young comedians afterwards. *American: The Bill Hicks Story* provides the most in-depth and personal account of his amazing life and career ever published. Based on in-depth interviews with Hicks's family and closest friends, and including rare and intimate photos that cover his entire career, it is the definitive oral and visual history of this legendary outlaw comic.

The Leadership Manifesto Bill Hicks, 2017-10-05 Without a guide or the knowledge of how to encourage talent, aspiring leaders and seasoned executives alike can flounder. In *The Leadership Manifesto*, Hicks consolidates the priceless lessons he has learned into eight essential disciplines that define a great leader. This book has the indispensable tools you need to rocket young talent to the top.

Love All the People Bill Hicks, 2008-09-01 *Love All the People*, a collection of controversial comedian Bill Hicks' stand-up routines, notebooks, journals, and letters, traces his evolution from brilliant conventional stand-up to something far more interesting and dangerous: a comic speaking without fear. The result is a radical philosopher masquerading as a comedian, plumbing the American psyche with challenging (and side-splitting) conclusions. Hicks, who died of cancer in 1993, didn't go the easy way with his humor. He attacked the lies that justified the carnage of the Gulf War, the preposterous power of the mainstream media to confuse and

corrupt, and the demeaning cynicism of the marketing culture. In *Love All the People*, that renegade comic artistry that made Bill Hicks an iconoclastic social commentator is recorded, celebrated, and revealed as true genius in this expanded edition that includes additional routines and other writings.

Why We Suck Denis Leary,2008-11-18 The New York Times bestseller One of America's most original and biting comic satirists, Denis Leary takes on all the poseurs, politicians, and pop culture icons who have sucked in public for far too long. Sparing no one, Leary zeroes in on the ridiculous wherever he finds it—his Irish Catholic upbringing, the folly of celebrity, the pressures of family life, and the great hypocrisy of politics—with the same bright, savage, and profane insight he brought to his critically acclaimed one-man shows *No Cure for Cancer* *Lock 'n Load*. Proudly Irish-American, defiantly working class, with a reserve of compassion for the underdog and the overlooked, Leary delivers blistering diatribes that are both penetrating social commentary with no holds barred and laugh-out-loud funny. As always, Leary's impassioned comic perspective in *Why We Suck* is right on target. Leary is the star and co-creator of the Emmy-nominated television show *Rescue Me*.

The Great Escape Angus Deaton,2015-05-26 Asserts that 250 years ago, some parts of the world began to experience sustained progress, opening up gaps and setting the stage for today's hugely unequal world and examines the United States, a nation that has prospered but is today experiencing slower growth and increasing inequality.

Someday Is Not a Day in the Week Sam Horn,2019-03-12 Inspired me to ask myself why and to stop postponing the forgotten dreams. —Geneen Roth, #1 New York Times bestselling author of *Women Food and God* and *This Messy Magnificent Life* Full of inspirational insights and advice, lifehacks, and real-world examples, *Someday is Not a Day in the Week* is CEO Sam Horn's motivational guide to help readers get what they want in life today rather than someday. Are you: • Working, working, working? • Busy taking care of everyone but yourself? • Wondering what to do with the rest of your life? • Planning to do what makes you happy someday when you have more time, money, or freedom? What if someday never happens? As the Buddha said, “The thing is, we think we have time.” Sam Horn is a woman on a mission about not waiting for SOMEDAY ... and this is her manifesto. Her dad's dream was to visit all the National Parks when he retired. He worked six to seven days a week for decades. A week into his long-delayed dream, he had a stroke. Sam doesn't want that to happen to you. She took her business on the road for a Year by the Water. During her travels, she asked people, “Do you like your life? Your job? If so, why? If not, why not?” The surprising insights about what makes people happy or unhappy, what they're doing about it (or not), and why...will inspire you to carve out time for what truly matters now, not later. Life is much too precious to postpone. It's time to put yourself in your own story. The good news is, there are “hacks” you can do right now to make your life more of what you want it to be. And you don't have to be selfish, quit your job, or win the lottery to do them. Sam Horn offers actionable, practical advice in short, snappy chapters to show you how to get started on your best life — now.

The Dogist Elias Weiss Friedman,2015-01-01 When Friedman moved to New York City, he missed the dogs that had surrounded him growing up. He began photographing dogs on the street, and posting them on his blog, *The Dogist*. Whether because of the look in a dog's eyes, its innate beauty, or even the clothes its owner has dressed it in, every portrait in this book tells a story and explores the dog's distinct character and spirit.
