The Hidden Lamp Zenshin Florence Caplow,Reigetsu Susan Moon,2013-10-21 The Hidden Lamp is a collection of one hundred koans and stories of Buddhist women from the time of the Buddha to the present day. This revolutionary book brings together many teaching stories that were hidden for centuries, unknown until this volume. These stories are extraordinary expressions of freedom and fearlessness, relevant for men and women of any time or place. In these pages we meet nuns, laywomen practicing with their families, famous teachers honored by emperors, and old women selling tea on the side of the road. Each story is accompanied by a reflection by a contemporary woman teacher--personal responses that help bring the old stories alive for readers today--and concluded by a final meditation for the reader, a question from the editors meant to spark further rumination and inquiry. These are the voices of the women ancestors of every contemporary Buddhist.

2028 End Gabriel Erb,2019-07-12 God created a game - it's called The Game of Life. Planet Earth is the playing field, the 10 love commandments are the rules, and we humans are the players who can win or lose. The game is played by two teams, like the game of football. One team's head coach is Jesus and the other team's head coach is Satan. All of us on earth are playing for one of these two teams! Gabriel Ansley Erb wrote the book 2028 END in order to fully elucidate God's game clock scenario for The Game of Life as contained in the game's handbook, the Holy Bible. The handbook says, God declared the end from the beginning (Isaiah 46:10) by using 7 days in the creation event. Each 24 hour creation day foretold of a future 1,000 year period for a total 7,000 year plan God had for The Game of Life to be played on planet earth. And amazingly, to confirm this is all true, God hid a secret prophesy in each creation day foretelling the greatest event He had planned to occur in that day's future millennium!Consequently, Creation day 1 foretold Adam & Eve's fall, which was fulfilled during earth's 1st millennium. Creation day 2 foretold Noah's global flood, which was fulfilled during earth's 2nd millennium. Creation day 3 foretold Moses' Red Sea parting, which was fulfilled during earth's 3rd millennium. Creation day 4 foretold of John the Baptist & Jesus Christ, and so they lived and died during earth's 4th millennium. And the prophecies continue with each Creation day!Gabriel proves all

of the above, carefully revealing the prophetic Scriptures as well as the fulfillment Scriptures. Then he reveals a dozen Scriptures proving Christ died earth's 4,000 year and will return earth's 6,000 year. Finally, he proves Christ died Feast of Passover AD 28 and will return Feast of Trumpets 2028. For those who read this book, it is an open and shut case: The Game of Life will end 2,000 years from the year of Christ's death on the cross - AD 2028.

A Mother's Journey Libby Muller,2014-03-04 Libby Muller turned forty the same year as her young son, Joe, died suddenly at home in what was described as a freak accident. Libby relives, with a compelling, raw honesty, the heartbreak of what is one of the greatest sufferings imaginable – a mother's loss of her only child. She explores grief in the first year after her son's death. This journey starts as she navigates those first dark days of overwhelming sadness. But gradually the resilience of the human spirit shines. She finds solace in surfing, experiences the healing energy of the Torres Strait Islands and follows a deeply spiritual path in the search to find inner peace. What results is a deeper understanding of life and death. In sharing her story, Libby hopes to offer some comfort to others who may have also suffered the grief of losing a child.

Rhetoric in the Rest of the West Shane Borrowman,Marcia Kmetz,Robert L. Lively,2010-04-16 While the study of the history of rhetoric has expanded to include an ever-growing range of rhetorical traditions, lesser-known figures, and under- and un-studied texts, it has continued to exist in the hermetically sealed binary of West and Rest. Rhetorical scholars have begun uncovering the many marginalized rhetorical traditions silenced by the homogenous nature of our histories themselves, reading and writing new histories of the rhetorical tradition through frames from gender to geography. Despite these substantial challenges to the traditionally received history of rhetoric, many voices are still silenced and many spaces are still excluded—voices speaking within the spaces of the less-than-monolithic West itself. This silencing and excluding continues, perhaps, because of

assumptions that no texts exist from these marginalized voices or that substantial rhetorical activity was not conducted in these marginalized spaces—regardless of already extant evidence of rhetorical activity as diverse as rural civic ethos in Classical Greece and Etruscan influences on Roman rhetoric or long-standing passive knowledge of scholarly activity in Medieval Andalusia and Ireland. Rhetoric in the Rest of the West attempts to expand the conversation in those gaps in the history of rhetoric by examining the traditions that lost the cultural competition and have been shrouded in the shadow of the rhetorical tradition.
