MiG-17/19 Aces of the Vietnam War István Toperczer,2016-10-20 At the beginning of the Vietnam War, the Vietnam People's Air Force (VPAF)

were equipped with slow, old Korean War generation fighters – a combination of MiG-17s and MiG-19s – types that should have offered little opposition to the cutting-edge fighter-bombers such as the F-4 Phantom II, F-105 Thunderchief and the F-8 Crusader. Yet when the USAF and US Navy unleashed their aircraft on North Vietnam in 1965 the inexperienced pilots of the VPAF were able to shatter the illusion of US air superiority. Taking advantage of their jet's unequalled low-speed maneuverability, small size and powerful cannon armament they were able to take the fight to their missile-guided opponents, with a number of Vietnamese pilots racking up ace scores. Packed with information previously unavailable in the west and only recently released from archives in Vietnam, this is the first major analysis of the exploits of Vietnamese pilots in the David and Goliath contest with the US over the skies of Vietnam.

MiG-17 and MiG-19 Units of the Vietnam War István Toperczer,2012-11-20 The erstwhile enemy of the USAF and US Navy during the nine years of American involvement in the Vietnam War, the Vietnamese Peoples' Air Force (VPAF) quickly grew from an ill-organised rabble of poorly trained pilots flying antiquated communist aircraft into a highly effective fighting force that more than held its own over the skies of North Vietnam. Flying Soviet fighters like the MiG-17, and -19, the VPAF produced over a dozen aces, whilst the Americans managed just two pilots and three navigators in the same period.

Hubert Harrison Jeffrey B. Perry,2020-12-22 The St. Croix-born, Harlem-based Hubert Harrison (1883–1927) was a brilliant writer, orator, educator, critic, and activist who combined class consciousness and anti-white-supremacist race consciousness into a potent political radicalism. Harrison's ideas profoundly influenced "New Negro" militants, including A. Philip Randolph and Marcus Garvey, and his work is a key link in the two great strands of the Civil Rights/Black Liberation struggle: the labor- and civil-rights movement associated with Randolph and Martin Luther King Jr. and the race and nationalist movement associated with Garvey and Malcolm X. In this second volume of his acclaimed biography, Jeffrey B. Perry traces the final decade of Harrison's life, from 1918 to 1927. Perry details Harrison's literary and political activities, foregrounding his efforts against white supremacy and for racial consciousness and unity in struggles for equality and radical social change. The book explores Harrison's role in the militant New Negro Movement and the International Colored Unity League, as well as his prolific work as a writer, educator, and editor of the New Negro and the Negro World. Perry examines Harrison's interactions with major figures such as Garvey, Randolph, J. A. Rogers, Arthur Schomburg, and other prominent individuals and organizations as he agitated, educated, and organized for democracy and equality from a race-conscious, radical internationalist perspective. This magisterial biography demonstrates how Harrison's life and work continue to offer profound insights on race, class, religion, immigration, war, democracy, and social change in America.

My Black Stars Lilian Thuram,2021 Lilian Thuram was an outstanding footballer who won the World Cup and the European Championship with the French national team. He also enjoyed a brilliant career with some of Europe's greatest club sides: Monaco, Parma, Juventus and Barcelona. Always a thoughtful commentator on issues of race and class, Thuram chose, after his retirement, to launch an anti-racism Foundation. This translation of his bestselling 2010 volume, *Mes Etoiles Noires*, finally brings his anti-racism work to the attention of an English-language audience (the book has already been translated into several European languages). At a time when the Black Lives Matters movement has reminded us of the need to tell more complex stories about our shared past, this volume constitutes a timely intervention by a prominent black sporting figure.
