Eternal Doctrine Tommi Salminen,2017-10-16 Six months have passed since the Precursor starship Vindicator arrived at the starbase in Earth's orbit. The Ur-Quan are busy fighting a civil war, but their forces are still grossly superior to those of the hastily assembled New Alliance of Free Stars. Both a carrot and a stick are bound to be needed when the Alliance deals with alien races. As Captain Zelnick of the Vindicator said: If you plan to save the galaxy, you have to be prepared to push a few old ladies down the stairs. This book continues where Groombridge Log left off and concludes the novelization of Star Control 2.

The Eternal Teenagers Ronnie Shannon,2005-07 I give honor and glory to my Lord and Savior Jesus Christ for giving me the ability to write this book. It's truly an honor to entertain you, the reader.

Earth Pro Anthony Scheiber,2000-12 EARTH PRO is an epic adventure interweaving three finely crafted story lines into a far reaching novel that beckons to unravel the greatest mysteries of the Human Race. The first story line is a string of chapters that explores the lives of some of the great minds of humanity and their personal struggles with visions clearly beyond their time. The second sequence describes Atlantis Spaceport located on Zeus, a planet that once existed as the fifth planet of our solar system. The science team stationed at Atlantis creates Earth Program, but comes under attack and is destroyed. The third story line spins the tale of an attractive honor student and a troubled teen labeled a schizophrenic, struggling in school. Together the two set out on an adventure to prove that a great tragedy befell the solar system billions of years earlier. EARTH PRO delivers romance, courage, betrayal, heroism, determination, and undying friendship. The stories involve characters that give of themselves the ultimate sacrifice for what they believe despite seemingly insurmountable odds, while offering a story line that delivers a plausible explanation for the greatest of mysteries--the truth of who we are, why we are, and the horizon over which all our destinies lie.
