Suicide Squad: Blaze (2022) #1 Simon Spurrier,2022-02-08 The attacks begin without warning. Brutal, sudden...cannibalistic. A metahuman with all the power of Superman but none of his humanity. An unstoppable being ruled only by hunger and instinct, striking at random across the world. To stop this threat, Harley Quinn, Peacemaker, Captain Boomerang, and King Shark have been assigned to corral, nursemaid, and if necessary execute five deadly new recruits: the expendable products of a secret government procedure called BLAZE. They're ordinary prisoners, endowed with incredible power...and the certain knowledge that it'll burn through them like wildfire. They have six months to live, maximum. If you're staring down life in prison, maybe that's a good deal—especially if you're Michael Van Zandt, desperate to reunite with the mad lover who forsook you after your Bonnie-and-Clyde crime spree. But that power? It's surprisingly transferable. As each member of the Squad dies...the others get stronger. What would a hardened criminal do with that knowledge? Worse yet: What would a desperate, lovesick idiot do with it? One thing's certain: this time the Suicide Squad's bitten off more than it can chew. Win or lose—they all burn. Simon Spurrier and Aaron Campbell, the creative team behind the critically acclaimed John Constantine: Hellblazer, have been turned loose on the one DC title even more horrific and blackhearted than that one! We suggest you brace yourselves...

The Jungle Book Rudyard Kipling,1920

Heart of Darkness Joseph Conrad,2023-11-21 Heart of Darkness is often considered the world's best short novel. The book serves as a bridge between the 19th century and modernism, an adventure tale revolving around the ambiguity of themes such as truth, morality, and evil. Joseph Conrad witnessed the European exploitation of the Congo with his own eyes. He once sailed up the Congo River himself to locate a countryman at a trading station deep within the country – even though this man wasn't named Kurtz. The goal and enigma of the journey have become synonymous with this name, one of the most unforgettable fictional characters of our time. JOSEPH CONRAD [1857–1924] was born in Ukraine to Polish parents, went to sea at the age of seventeen, and ended his career as a captain in the English merchant navy. His most famous work is the novella Heart of Darkness [1899], adapted into a film by Francis Ford Coppola in 1979 as Apocalypse Now.

The Adventures of Sherlock Holmes Arthur Conan Doyle,2016-11-01 In general the stories in The Adventures of Sherlock Holmes identify, and try to correct, social injustices. Holmes is portrayed as offering a new, fairer sense of justice. The stories were well received, and boosted the subscriptions figures of The Strand Magazine, prompting Doyle to be able to demand more money for his next set of stories. The first story, A Scandal in Bohemia, includes the character of Irene Adler, who, despite being featured only within this one story by Doyle, is a prominent character in modern Sherlock Holmes adaptations, generally as a love interest for Holmes. Doyle included four of the twelve stories from this collection in his twelve favourite Sherlock Holmes stories, picking The Adventure of the Speckled Band as his overall favourite.

Ladies' Book of Etiquette, and Manual of Politéness Florence Hartley,1860 Do unto others as you would others should do to you. You can never be rude if you bear the rule always in mind, for what lady likes to be treated rudely? True Christian politeness will always be the result of an unselfish regard for the feelings of others, and though you may err in the ceremonious points of etiquette, you will never be im polite. Politeness, founded upon such a rule, becomes the expression, in graceful manner, of social virtues. The spirit of politeness consists in a certain attention to forms and ceremonies, which are meant both to please others and ourselves, and to make others pleased with us ;a still clearer definition may be given by saying that politeness is goodness of heart put into daily practice; the.re can be no true, politeness without kindness, purity, singleness of heart, and sensibility. Many believe that politeness is but a mask worn in the world to conceal bad passions and impulses, and to make a show of possessing virtues not really existing in the heart; thus, that politeness is merely hypocrisy and dissimulation. Do not believe this; be certain that those who profess such a doctrine are practising themselves the deceit they condemn so much.
